Shortlisted for Best Young Adults' Title for Singapore Book Awards 2016 After a successful fundraising effort, I was off to Sarawak, Malaysia with my bros Alvin and Anthony for an exciting

jungle trek! And, more importantly, I ' d get to see my dear friend Jolin. (Mum calls her the " object of my infatuation " .) Our guide, Jolin ' s weird " jungle man " Uncle Jufri, warned us to never let our guard down, for the rainforest is full of secrets and surprises. After getting drenched in a thunderstorm, and some icky encounters with mussels, toads, leeches and ants, we thought we ' d seen and survived it all. But then there were those footprints, BIGGER THAN A HUMAN ' S, that just couldn ' t be explained.

From the multi-award-winning and bestselling author of *The Night Watch* and *Fingersmith* comes an astonishing novel

about love, loss, and the sometimes unbearable weight of the past. In a dusty post-war summer in rural Warwickshire, a doctor is called to see a patient at lonely Hundreds Hall. Home to the Ayres family for over two centuries, the once grand house is now in decline, its masonry crumbling, its garden choked with weeds. All around, the world is changing, and the family is struggling to adjust to a society with new values and rules. Roddie Ayres, who returned from World War II physically and emotionally wounded, is desperate to keep the house and what remains of the estate together for the sake of his mother and his sister, Caroline. Mrs. Ayres is doing her best to hold on to the gracious habits of a gentler era and Caroline seems cheerfully prepared to continue doing the work a team of servants once handled, even if it means having little chance for a life of her own beyond

Hundreds. But as Dr. Faraday becomes increasingly entwined in the Ayreses' lives, signs of a more disturbing nature start to emerge, both within the family and in Hundreds Hall itself. And Faraday begins to wonder if they are all threatened by something more sinister than a dying way of life, something that could subsume them completely. Both a nuanced evocation of 1940s England and the most chilling novel of psychological suspense in years, *The Little Stranger* confirms Sarah Waters as one of the finest and most exciting novelists writing today.

The Art of Letting God PTS Publishing House Sdn. Bhd. Teena Maguire should not have tried to shortcut her way home that Fourth of July. Not after midnight, not through Rocky Point Park. Not the way she was dressed in a tank top, denim cutoffs, and high-heeled sandals. Not with her twelve-year-old daughter Bethie. Not with packs of local guys running loose on hormones, rage and alcohol. A victim of gang rape, left for dead in the park boathouse, the once vivacious Teena can now only regret that she has

survived. At a relentlessly compelling pace punctuated by lonely cries in the night and the whisper of terror in the afternoon, Joyce Carol Oates unfolds the story of Teena and Bethie, their assailants, and their unexpected, silent champion, a man who knows the meaning of justice. And love. Hikayat Oxford University Press, USA

Do you feel overwhelmed right now with all the pressures and uncertainties of life? Does the thought of your past failures, failed relationships and negative labels drag you down? Have you ever wished that you could just leave everything behind and start fresh? Are you ready to finally let go, move on and live a happy and joyful life? If you keep bringing negative baggage from yesterday, it will eventually poison your future. You may have had an unfair past, but the truth is, you don't need to have an unfair future. You may have had a rough start in your marriage, your business, your career — but it's not how you start that matters most, it's how you finish. Let us begin the exploration of your journey towards “surrendering” in this book. And may we all find the strength to let go, the capacity to forgive, and the faith to move on. Kamus Dwibahasa Oxford Fajar McClelland & Stewart The author of *Negotiating the Impossible* “tackles our assumptions about business and life with humor, zest,

and wisdom in this delightful fable” (Daniel H. Pink, New York Times bestselling author). If you were a mouse trapped in a maze and someone kept moving the cheese, what would you do? In a world where most mice dutifully accept their circumstances, ask no questions, and keep chasing the cheese, Deepak Malhotra tells an inspiring story about three unique and adventurous mice—Max, Big, and Zed—who refuse to accept their reality as given. *I Moved Your Cheese* reveals what is possible when we finally discard long-held and widely accepted assumptions about how we should live our lives. After all, achieving extraordinary success, personal or professional, has always depended on the ability to challenge assumptions, reshape the environment, and play by a different set of rules—our own. But rejecting deeply ingrained beliefs is not easy. As Zed explains, “You see, Max, the problem is not that the mouse is in the maze, but that the maze is in the mouse.” “Deepak Malhotra allows you to glimpse a world of your own making without the limits and barriers that others create.” —Stephen R.

Covey, New York Times- bestselling author of *The 7 Habits of Highly Effective People* “ A magnificent story with a powerful message. As someone who has encouraged scores of professionals into breaking through the maze and defining their own pursuits, I find this to be a gem of a book. ” —Vinod Khosla, cofounder, former CEO and Chairman, Sun Microsystems, and founder, Khosla Ventures “ This book ’ s message is both profound and durable. Malhotra has left the maze, and so can we. ”

A Richard & Judy Book Club pick, *Mum & Dad* is a

heartwarming family drama from number one bestseller Joanna Trollope, with all her trademark wit and wisdom. What happens when family roles are reversed and the children must look after mum and dad? It ’ s been twenty-five years since Gus and Monica left England to start a new life in Spain, building a wine business from the ground up. However, when Gus suffers a stroke and their idyllic Mediterranean life is thrown into upheaval, it ’ s left to their three grown-up children in London to step in . . . As the children descend on the vineyard, it becomes clear that each has their own idea of how best to handle their mum and dad, as well as the family business. But as long-simmering resentments rise to the surface and tensions reach breaking point, can the family ties prove strong enough to keep them together? 'No-one dissects the intricacies of family relationships quite like Joanna Trollope' - Good Housekeeping

This is the story of the legendary Muhammad Al Fateh, following him from his

childhood and how he was raised by his father to become a Caliph of Islam, through to his appointment as the Caliph of the Ottoman Empire at the tender age of 19 and subsequent rule. Without Constantinople under its jurisdiction, the Ottoman Empire was incomplete. And so, Sultan Muhammad AlFateh set out to conquer it. Al Fateh was not the first person to attempt conquering Constantinople. Many warriors and caliphs of Islam before him had tried in vain. Learning from their past failures, AlFateh carefully assembled and equipped his army. Finally, after an epic battle, Constantinople was conquered. Al Fateh changed the name of the city to Istanbul. At his peak, Al Fateh was the ruler of 25 countries. In the end, he was poisoned and killed by his enemies. Yet, the Ottoman Empire and legacy he left behind stayed standing strong.

“ Undoubtedly one of the best writers of English mysteries and chiller-killer plots. ” —The Los Angeles Times Like any small community, Linchester has its intrigues: love affairs, money problems, unhappy marriages. But the gossip is elevated to new heights when young Patrick Selby dies on the very night of his beautiful wife ' s birthday party. The whole neighborhood was there, witness to the horrible attack of wasp stings Patrick suffered at the end of the evening. But did Patrick die of a wasp sting? Dr. Greenleaf thinks not. Heart failure, more likely. Still, Greenleaf isn ' t at peace about his death. After all, everyone in Linchester hated Patrick. With the help of a certain naturalist, Dr. Greenleaf begins to think about murder. . . . “ Rendell is awfully good. ” —The New York Times Book Review
