CIP courses are difficult - I think they are harder to pass than the business courses I teach at a university part-time - but work to learn the material. Do all the assignments in the text, even if your instructor doesn't require you to do them. You'll likely get a midterm exam for further practice.

Please note that the final examination for this course is a computer-based exam. The Business of Insurance is the capstone course in the CIP Program, and should be taken as the final (10th) course. While we strongly recommend this; if you chose not to do so, then C16 must be one of the last three courses taken within a minimum of five completed courses.

I would like to get some input regarding CIP courses. Aside from the mandatory 5 (C11, C12, C13, C14, C16), as for those who have taken these courses or completed the CIP program, which of the other courses did you find the easiest or would recommend due to being quite easy? I would like to do 2 (maybe 3) per semester.
