In the backwoods of
Mississippi, a land of

honeysuckle and grapevine, Jewel and her husband, Leston, are truly blessed; they have five fine children. When Brenda Kay is born in 1943, Jewel gives thanks for a healthy baby, last-born and most welcome. Jewel is the story of how quickly a life can change; how, like lightning, an unforeseen event can set us on a course without reason or compass. In this story of a woman's devotion to the child who is both her burden and God's singular way of

smiling on her, Bret Lott has created a mother-daughter relationship of matchless intensity and beauty, and one of the finest, most indomitable heroines in contemporary American fiction.

Letters of Benjamin Hawkins, 1796-1806 Oxford University Press

A debut novel chronicling the life and loves of a headstrong, earthy and magnetic heroine, by an enrolled member of the Cherokee Nation of Oklahoma

African American Women Writers

Dolen Perkins-

Valdez's enchanting and unforgettable novel, based on little-known fact, combines the narrative allure of Cane River by Lalita Tademy and the moral complexities of Edward P. Jones's The Known World as it tells the story of four black enslaved women in the years preceding the Civil War. wench \ 'wench\ n. from Middle English "wenchel," 1 a: a girl, maid,

young woman; a female fearless as she is child. Situated in Ohio, a free territory before the Civil War, Tawawa House is an idyllic retreat for Southern white men who vacation there every summer with their enslaved black mistresses. It's their open secret. Lizzie, Reenie, and Sweet are regulars at the resort, building strong friendships over the years. But when Mawu, as assured, comes along and starts talking of running away, things change. To run is to leave everything behind, and for some it also means escaping from the emotional and psychological bonds that bind them to their masters. When a fire on the resort sets off a string of tragedies, the women of Tawawa House soon learn that triumph and dehumanization are inseparable and that love exists even in the most inhuman, brutal of circumstances—all while they bear witness to the end of an era. An engaging, page-turning, and wholly original novel, Wench explores, with an unflinching eye, the moral complexities of slavery. "Readers entranced by *The Help* will be equally riveted by *Wench*. A deeply moving,

beautifully written novel told from the heart.”—USA Today

Red River Simon and Schuster

The acclaimed bestseller -- a selection of Oprah's Book Club -- that brings vividly to life the Georgetown neighborhood of Washington, DC, circa 1925, and a community reeling from a young girl's tragic death. When five-year-old Clara Bynum drowns in the Potomac River under a seemingly haunted rock outcropping known locally as

the Three Sisters, the community must reconcile themselves to the bitter tragedy. Clarke powerful charts the fallout from Clara's death on the people she has left behind: her parents, Alice and Willie Bynum, torn between the old world of their rural North Carolina home and the new world of the city; the friends and relatives of the Bynum family in the Georgetown neighborhood they now call home; and, most especially, Clara's sister, ten-year-old Johnnie Mae, who is thrust into adolescence and

must come to terms with the terrible and confused emotions stirred by her sister's death. This highly accomplished debut novel reverberates with ideas, impassioned lyricism, and poignant historical detail as it captures an essential and moving portrait of the Washington, DC community.

The Tortilla Curtain
HarperCollins

The New York Times bestselling author of the Oprah Book Club Pick Cane River brings us the evocative story of a once-enslaved man who buys

his freedom after serving as a translator during the American Indian Wars, and his granddaughter, who sustains his legacy of courage. Cow Tom, born into slavery in Alabama in 1810 and sold to a Creek Indian chief before his tenth birthday, possessed an extraordinary gift: the ability to master languages. As the new country developed westward, and Indians, settlers, and blacks came into constant contact, Cow Tom became a key translator for his Creek master and was hired out to US military generals. His talent earned him money—but would

it also grant him freedom? And what would become of him and his family in the aftermath of the Civil War and the Indian Removal westward? Cow Tom ' s legacy lives on—especially in the courageous spirit of his granddaughter Rose. She rises to leadership of the family as they struggle against political and societal hostility intent on keeping blacks and Indians oppressed. But through it all, her grandfather ' s indelible mark of courage inspires her—in mind, in spirit, and in a family legacy that never dies. Written in two parts portraying

the parallel lives of Cow Tom and Rose, *Citizens Creek* is a beautifully rendered novel that takes the reader deep into a little known chapter of American history. It is a breathtaking tale of identity, community, family—and above all, the power of an individual ' s will to make a difference.

Cherokee America Simon & Schuster

“ Breathtaking . . . Perhaps the best work of fiction ever done about the civil rights movement ” from the award-winning actress and activist (Newsday). When University of Michigan sophomore Celeste Tyree travels

to Mississippi to volunteer her efforts in the Freedom Summer of 1964, she ' s assigned to help register voters in the small town of Pineyville, a place best known for a notorious lynching that occurred only a few years earlier. As the long, hot summer unfolds, Celeste befriends several members of the community, but there are also those who are threatened by her and the change that her presence in the South represents. Finding inner strength as she helps lift the veil of oppression and learns valuable lessons about race, social change, and violence, Celeste prepares her adult students for their showdown with the county registrar. All the while, she struggles with loneliness, a worried

father in Detroit, and her burgeoning feelings for Ed Jolivette, a young man also in Mississippi for the summer. By summer ' s end, Celeste learns there are no easy answers to the questions that preoccupy her—about violence and nonviolence, about race, identity, and color, and about the strength of love and family bonds. In *Freshwater Road*, Denise Nicholas has created an unforgettable story that—more than ten years after first appearing in print—continues to be one of the most cherished works of Civil Rights fiction. “ A bold new novel that explores the fault lines of class and race in 1964 Mississippi. ” —The Washington Post “ Hypnotic . . . [Nicholas]

conjures an insidious mood of fear and writes with lyrical prose. ”

—Entertainment Weekly

Duty and Desire
New World Library

Here, the author assesses our modern book culture by focusing on five key elements including the explosion of retail bookstores like Barnes & Noble and Borders, and the formation of the Oprah Book Club.

Cane River Oxford University Press, USA

Beneath the surface of Cane River, Texas, is a mystery that tangles the town like the vines that slither into yards and

swallow up houses. Early in the town's history, a little girl disappeared; now she makes appearances with the vines, and Eugene Wheeler may be the only one who has the answer to the mystery. His son Bill Wheeler returns to Cane River following the death of his wife and unborn child. He is lonely, looking to reconnect with his crazy father and forget the pain of his loss. But strange occurrences surround him. Phantom breezes in his apartment, strange voices from empty rooms, and a little girl who wants more from him than he knows all follow him and

only his father seems to know why. Bill meets Sandy Duprie, but before their relationship can blossom, the strange little girl with the too-wide smile takes something precious from them both, leading him on a journey of terror into the heart of the Texas swamp that is Cane River. Sapphire's Grave Simon and Schuster Set among the plantations in deepest Louisiana, CANE RIVER follows the lives of five generations of women from the time of slavery in the early 1800s into the early years of the 20th century. From down-

trodden, philosophical Suzette, who was born and died a slave, to educated, pale-skinned Emily, whose high ambitions born in freedom become her downfall, we are introduced to a remarkable cast of characters whose struggles reflect the tragedy of slavery and, ultimately, the triumph of the spirit. This deeply personal saga - based entirely on the author's research into her own family history - ranks with the best African-American novels and introduces a major new writer. Staking a Claim Simon and Schuster Winner of the Southern Book

Association “ Wiley Cash
reveals the dignity and
humanity of people asking for a
fair shot in an unfair world. ” -
Christina Baker Kline, author
of *A Piece of the World* and
Orphan Train The New York
Times bestselling author of the
celebrated *A Land More Kind
Than Home* and *This Dark
Road to Mercy* returns with
this eagerly awaited new novel,
set in the Appalachian foothills
of North Carolina in 1929 and
inspired by actual events. The

chronicle of an ordinary
woman ’ s struggle for dignity
and her rights in a textile mill,
The Last Ballad is a moving
tale of courage in the face of
oppression and injustice, with
the emotional power of Ron
Rash ’ s *Serena*, Dennis
Lehane ’ s *The Given Day*,
and the unforgettable films
Norma Rae and *Silkwood*.
Twelve times a week, twenty-
eight-year-old Ella May
Wiggins makes the two-mile
trek to and from her job on the
night shift at American Mill
No. 2 in Bessemer City, North
Carolina. The insular
community considers the

mill ’ s owners—the newly
arrived Goldberg
brothers—white but not
American and expects them to
pay Ella May and other
workers less because they toil
alongside African Americans
like Violet, Ella May ’ s best
friend. While the dirty,
hazardous job at the mill earns
Ella May a paltry nine dollars
for seventy-two hours of work
each week, it ’ s the only
opportunity she has. Her no-
good husband, John, has run
off again, and she must keep
her four young children alive
with whatever work she can
find. When the union leaflets

begin circulating, Ella May has a taste of hope, a yearning for the better life the organizers promise. But the mill owners, backed by other nefarious forces, claim the union is nothing but a front for the Bolshevik menace sweeping across Europe. To maintain their control, the owners will use every means in their power, including bloodshed, to prevent workers from banding together. On the night of the county's biggest rally, Ella May, weighing the costs of her choice, makes up her mind to join the movement—a decision that will have lasting

consequences for her children, her friends, her town—indeed all that she loves. Seventy-five years later, Ella May's daughter Lilly, now an elderly woman, tells her nephew about his grandmother and the events that transformed their family. Illuminating the most painful corners of their history, she reveals, for the first time, the tragedy that befell Ella May after that fateful union meeting in 1929. Intertwining myriad voices, Wiley Cash brings to life the heartbreak and bravery of the now forgotten struggle of the labor movement in early twentieth-century

America—and pays tribute to the thousands of heroic women and men who risked their lives to win basic rights for all workers. Lyrical, heartbreaking, and haunting, this eloquent novel confirms Wiley Cash's place among our nation's finest writers.

Wench HarperCollins Hailed as "powerful," "accomplished," and "spellbinding," Lalita Tademy's first novel *Cane River* was a New York Times bestseller and the 2001 Oprah Book Club Summer Selection. Now

with her evocative, luminous style and painstaking research, she takes her family's story even further, back to a little-chronicled, deliberately-forgotten time...and the struggle of three extraordinary generations of African-American men to forge brutal injustice and shattered promise into a limitless future for their children... For the newly-freed black residents of Colfax, Louisiana, the beginning of Reconstruction promised them the right to vote, own property-and at last control their own lives. Tadey saw a chance to start a school for his children and neighbors. His friend Israel Smith was determined to start a community business and gain economic freedom. But in the space of a day, marauding whites would "take back" Colfax in one of the deadliest cases of racial violence in the South. In the bitter aftermath, Sam and Israel's fight to recover and build their dreams will draw on the best they and their families have to give-and the worst they couldn't have foreseen. Sam's hidden resilience will make him an unexpected leader, even as it puts his conscience and life on the line. Israel finds ironic success-and the bitterest of betrayals. And their greatest challenge will be to pass on to their sons and grandsons a proud heritage never forgotten-and the strength to meet the demands of the past and future in their own unique ways. An unforgettable achievement, a history brought to vibrant life through one of the most memorable families in fiction,

Red River is about fathers and sons, husbands and wives and the hopeful, heartbreaking choices we all must make to claim the legacy that is ours. Gods and Generals Penguin Make the time for what matters most by breaking up with busy Overbooking and under-sleeping have almost become status symbols, and having it all seems to be synonymous with doing it all, yet what do we really accomplish with so much busyness? Yvonne Tally wants to give you back your life by helping you break the busyness

habit. She offers realistic, step-by-step, and even fun ways to get off the busyness hamster wheel and reclaim your time. Yvonne shows how the benefits of living a more balanced life can improve your longevity and spiritual well-being. She outlines ways to shift and calm your mind, learn how to say no, and create your own “ busy-busting solutions. ” With fifty-two refreshers and reminders, Breaking Up with Busy provides incremental ways to change habits, transform thinking, and reconnect with your unique, personal sense of play and pleasure.

CREEK CONFEDERACY, AND A SKETCH OF THE CREEK COUNTRY Houghton Mifflin Harcourt

The story of a mixed race (black and Native) child growing up on the reservation, how she finds a place for herself, and her eventual murder.

Icy Sparks Burgundy Bend Press

From the author of The Water Dancers and Good Family, an exquisitely crafted novel, set in Ohio in the decades leading to the Civil War, that illuminates the immigrant experience, the injustice of slavery, and

the debts human beings owe to one another, witnessed through the endeavors of one Irish-American family. Cheated out of their family estate in Northern Ireland after the Napoleonic Wars, the Givens family arrives in America in 1819. But in coming to this new land, they have lost nearly everything. Making their way west they settle in Cincinnati, a burgeoning town on the banks of the mighty Ohio River whose rise, like the Givenses' own, will be fashioned by the colliding forces of Jacksonian populism, religious evangelism, industrial capitalism, and the struggle for emancipation. After losing their mother in childbirth and their father to a riverboat headed for New Orleans, James, Olivia, and Erasmus Givens must fend for themselves. Ambitious James eventually marries into a prosperous family, builds a successful business, and rises in Cincinnati society. Taken by the spirit and wanderlust, Erasmus becomes an itinerant preacher, finding passion and heartbreak as he seeks God. Independent-minded Olivia, seemingly destined for spinsterhood, enters into a surprising partnership and marriage with Silas Orpheus, a local doctor who spurns social mores. When her husband suddenly dies from an infection, Olivia travels to his family home in Kentucky, where she meets his estranged brother and encounters the horrors of slavery firsthand. After abetting the escape of one slave, Olivia is forced to confront the status of a young

woman named Tilly, another slave owned by Olivia's brother-in-law. When her attempt to help Tilly ends in disaster, Olivia tracks down Erasmus, who has begun smuggling runaways across the river—the borderline between freedom and slavery. As the years pass, this family of immigrants initially indifferent to slavery will actively work for its end—performing courageous, often dangerous, occasionally foolhardy acts of moral rectitude that will reverberate through their

lives for generations to come.

Jewel Penguin
Discusses the lives and work of such notable African American women authors as: Phillis Wheatley, Ida B. Wells-Barnett, Zora Neale Hurston, Gwendolyn Brooks, Nikki Giovanni, and Terry McMillan.

The Eulogist Scribner Book Company
Cullen particularly focuses on the founding fathers and the Declaration of Independence ("the charter of the American Dream"); Abraham Lincoln, with his rise from log cabin to White House and his dream for a unified nation; and Martin

Luther King Jr.'s dream of racial equality. Our contemporary version of the American Dream seems rather debased in Cullen's eyes—built on the cult of Hollywood and its outlandish dreams of overnight fame and fortune.

The Last Ballad Birlinn
Buying his freedom after serving as a translator during the American Indian wars, Cow Tom builds a remarkable life and legacy that is sustained by his courageous granddaughter.

Maud's Line Milkweed Editions
The debut of a major new talent, **SAPPHIRE'S GRAVE** tells the stories of

several generations of African-American women, bringing their spirit and their sorrow to life with a power, sensitivity, and immediacy. In 1749 in Sierra Leone, a woman of fierce dignity is captured and forced onto a slave ship. On the harrowing voyage to the Americas, she is beaten for her unrelenting will and staunch pride. When she arrives, she gives birth to a daughter who is called Sapphire because of the "black-blue-black" complexion she shares with her mother. Sapphire has

also inherited her mother's strength and defiant spirit, and despite a life of poverty and oppression, she grows up to mother several daughters of her own. Even when tragedy strikes and part of Sapphire dies, her strength gives rise to a legend that will sustain the women who follow her, "each carrying something of her mother, her grandmother, her aunts; each passing on to her own daughters blessing and cursing, the consequences of her own choosing. Through the lives of Sapphire and her

descendants, Hilda Gurley-Highgate not only creates a poignant and engrossing saga of black women in America, she brilliantly illuminates the meaning of roots and the links between women and their female ancestors, a tie that often appears tenuous, undefined, and distant, but is strong, palpable, and much closer than we imagine. Written in luminous prose, *SAPPHIRE'S GRAVE* is an astonishing work by an author poised to take the literary world by storm. [God's Own Party](#) Grand Central

Publishing
