Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

Tatum Everley is a freshman at Western Michigan University. Due to an emotionally and psychologically abusive past relationship, Tate struggles from Complex-Post Traumatic Stress Disorder. She has been working on controlling her symptoms and flashbacks, but when she meets Axel Burne at a fraternity party, who is notorious for sleeping around and getting into fights, she tries her best to dodge the bullet. Axel starts to become intrigued by Tate, but she's better off choosing Lucas- the sweet guy who has been trying to take her out since orientation. But even though Lucas is the better option, Axel keeps reappearing. Tate continues to try to stay away from him, but it starts becoming harder to, and as she gets closer to him, things start to get way out of hand. If Tate wants her happy ending and her sanity intact, then she has to push through the hardships and maintain control over her disorder.

"Saletan's *Bearing Right* is as subtle and intelligent a study of abortion politics as has ever been written. You may not agree with the conclusions, but no one concerned about this issue can afford to miss this brilliant analysis."—Charles Krauthammer, syndicated columnist and winner of the Pulitzer Prize for distinguished commentary "Saletan destroys the myth that there's nothing new to say about America's abortion debate. His argument that the pro-choice movement has preserved abortion rights by co-opting conservative rhetoric will make activists on both sides of the debate uncomfortable, which is an achievement in and of itself. There's no smarter political commentator in Washington today."—Peter Beinart, editor, *The New Republic* "Will Saletan is one of America's shrewdest political writers. He brings clarity and intelligence to the roiling abortion debate, in a challenging and illuminating work of contemporary history. If you care about the issue of abortion, you must read this book."—Rich Lowry, editor, *National Review* "A unique assessment of recent abortion politics. Saletan uncovers political and institutional strategies with lucidity and verve. This book makes a raft of challenging arguments--a must-read, especially now."—Rickie Solinger, author of *Beggars and Choosers: How the Politics of Choice Shapes Adoption, Abortion, and Welfare in the U.S.* "Will Saletan is a great political journalist with a strong moral sense. He also has an unusually shrewd understanding of what happens when ethics and values meet elections and the legislative process. So partisans on every side of the abortion debate--Saletan shows convincingly there are more than two--will be challenged by his book, at times upset, and always enlightened. Based on exceptional reporting and fiercely independent analysis, *Bearing Right* is eloquent, important, and surprising." --E.J. Dionne, Jr., syndicated columnist and author of *Why Americans Hate Politics* "A unique assessment of recent abortion politics. Saletan uncovers political and institutional strategies with lucidity and verve. This book makes a raft of challenging arguments—a must-read, especially now."—Rickie Solinger, author of *Beggars and Choosers: How the Politics of Choice Shapes Adoption, Abortion, and Welfare in the U.S.*
