Book 1 Book
Review
A city-dwelling
teen discovers
an invisible
world of magical
beings and
monsters living
hidden among
us, and that she
has a place and
power within
that world due
to a past that
has been kept
hidden from her.
It's the
variations the
author wrings
out of the
formula, and the
attitude, that
make the
difference.

reveal the magic that is usually hidden from us. In *City of Bones*, Clary can hardly believe her eyes when she sees a trio of teens slay a demon at her favorite nightclub. Little does she realize that it's merely her first glimpse into a world that she was born into—a world that her mother, Jocelyn, has tried desperately to keep from her.
