Reading for My Life CUA Press
Right up until his death in 2008, John Leonard was a lion in American letters. A passionate, erudite, and wide-ranging critic, he helped shape the landscape of modern literature. He reviewed the most celebrated writers of his age—from Kurt Vonnegut and Joan Didion to Toni Morrison and Thomas Pynchon. He championed Morrison's work so ardently that she invited him to travel with her to Stockholm when she accepted her Nobel Prize. He also contributed many pieces on television, film, politics, and the media, which

continue to surprise and impress with their fervor and prescience. Reading for My Life is a monumental collection of Leonard's most significant writings—spanning five decades—from his earliest columns for the Harvard Crimson to his final essays for The New York Review of Books. Here are Leonard's best writings—many never before published in book form—on the cultural touchstones of a generation, each piece a testament to his sharp wit, fierce intelligence, and lasting love of the arts. Definitive reviews of Doris Lessing, Vladimir Nabokov, Maxine Hong Kingston, Tom Wolfe, Don DeLillo, Milan Kundera, and Philip Roth, among others, display his passion and nearly encyclopedic knowledge of literature in the second half of the twentieth century. His essay on Ed Sullivan and the evolution of television remains a classic. Throughout Leonard's reviews and essays is a dedicated political spirit, pleading for social justice, advocating for the women's movement, and forever calling attention to writers whose work challenged and excited him. With an introduction by E. L. Doctorow and remembrances by Leonard's friends, family, and colleagues, including Gloria Steinem and Victor Navasky, Reading for My Life stands as a landmark collection from one of America's most beloved and influential critics.

The Waterworks Simon and Schuster
A superb collection of fifteen stories—including "Wakefield," the inspiration for the film starring Bryan Cranston—by the author of *Ragtime*, *The March*, *The Book of Daniel*, and *Billy Bathgate* He has been called "a national treasure" by George Saunders. Doctorow's great topic, said Don DeLillo, is "the reach of American possibility, in which plain lives take on the cadences of history." This power is apparent everywhere in these stories: the bravery and self-delusion of people seeking the American dream; the geniuses, mystics, and charlatans who offer people false hope, or an actual glimpse of greatness. In "A House on the Plains," a mother has a plan for financial independence, which may include murder. In "Walter John Harmon," a man starts a cult using subterfuge and seduction. "Jolene: A Life" follows a teenager who escapes her home for Hollywood on a perilous quest for success. "Heist," the account of an Episcopal priest coping with a crisis of faith, was expanded into the bestseller *City of God*. "The Water Works," about the underbelly of 1870s New York, grew into a brilliant novel. "Liner Notes: The Songs of Billy Bathgate" is a corollary to the renowned novel

and includes Doctorow's revisions. These fifteen stories, written from the 1960s to the early twenty-first century, and selected, revised, and placed in order by the author himself shortly before he died in 2015, are a testament to the genius of E. L. Doctorow. Praise for Doctorow: Collected Stories "Here, without the framework of historical context that defines his best-known novels, we discover a Doctorow equally adept at plumbing the contemporary American psyche and are reminded of literature's loss following his death." —O: The Oprah Magazine "These tales—sketches, really, wide-ranging in time, place and circumstances—are penned by a modern master. . . . What makes Doctorow's historical novels brilliant is their engaging prose, smart writerly style, unconventional narratives and inventive and entertaining plots. Same for these dog-eared, pre-owned stories." —USA Today Praise for E. L. Doctorow "He has rewarded us, these forty-five years, with a vision of ourselves, as a people, a vision possessed of what I might call 'aspirational verve'—he sees us clearly and tenderly, just as we are, but also sees past that—to what we might, at our best, become." —George Saunders "Doctorow did not so much write fiction about history as he seemed to occupy history itself. He owned it. He made it his own." —Ta-Nehisi Coates "On every level, [Doctorow's] work is powerful. . . . His sensitivity to language is perfectly balanced, and complemented by a gigantic vision." —Jennifer Egan "[He wrote] with such stunning audacity that I can still remember my parents' awed dinner-table conversation, that summer, about a novel they were reading, called *Ragtime*, that went up to the overgrown wall enclosing the garden of fiction and opened the doorway to history." —Michael Chabon "Doctorow's prose tends to create its own landscape, and to become a force that works in opposition to the power of social reality." —Don DeLillo "A writer of dazzling gifts and boundless imaginative energy." —Joyce Carol Oates Master of the Crossroads Random House Incorporated
The hero of this dazzling novel by American master E. L. Doctorow is Joe, a young man on the run in the depths of the Great Depression. A late-summer night finds him alone and shivering beside a railroad track in the Adirondack mountains when a private railcar passes. Brightly lit windows reveal well-dressed men at a table and, in another compartment, a beautiful girl holding up a white dress before her naked form. Joe will follow the track to the mysterious estate at Loon Lake, where he finds the girl along with a tycoon, an aviatrix, a drunken poet, and a covey of gangsters. Here Joe's fate will play out in this powerful story of ambition, aggression, and identity. Loon Lake is another stunning achievement of this acclaimed author. "Powerful . . . [a] complex and haunting meditation on

modern American history. ” – The New York Times “ A genuine thriller . . . a marvelous exploration of the complexities and contradictions of the American dream . . . Not under any circumstances would we reveal the truly shattering climax. ” – The Dallas Morning News “ A dazzling performance . . . [Loon Lake] anatomizes America with insight, passion, and inventiveness. ” – The Washington Post Book World “ Hypnotic . . . tantalizes long after it has ended. ” – Time “ Compelling . . . brilliantly done. ” – St. Louis Post-Dispatch “ A masterpiece. ” – Chicago Sun-Times

“ An elegant page-turner of nineteenth-century detective fiction. ” – The Washington Post Book World One rainy morning in 1871 in lower Manhattan, Martin Pemberton a freelance writer, sees in a passing stagecoach several elderly men, one of whom he recognizes as his supposedly dead and buried father. While trying to unravel the mystery, Pemberton disappears, sending McIlvaine, his employer, the editor of an evening paper, in pursuit of the truth behind his freelancer ’ s fate. Layer by layer, McIlvaine reveals a modern metropolis surging with primordial urges and sins, where the Tweed Ring operates the city for its own profit and a conspicuously self-satisfied nouveau-riche ignores the poverty and squalor that surrounds them. In E. L. Doctorow ’ s skilled hands, The Waterworks becomes, in the words of The New York Times, “ a dark moral tale . . . an eloquently troubling evocation of our past. ” “ Startling and spellbinding . . . The waters that lave the narrative all run to the great confluence, where the deepest issues of life and death are borne along on

the swift, sure vessel of [Doctorow ’ s] poetic imagination. ” – The New York Times Book Review “ Hypnotic . . . a dazzling romp, an extraordinary read, given strength and grace by the telling, by the poetic voice and controlled cynical lyricism of its streetwise and world-weary narrator. ” – The Philadelphia Inquirer “ A gem of a novel, intimate as chamber music . . . a thriller guaranteed to leave readers with residual chills and shudders. ” – Boston Sunday Herald “ Enthralling . . . a story of debauchery and redemption that is spellbinding from first page to last. ” – Chicago Sun-Times “ An immense, extraordinary achievement. ” – San Francisco Chronicle

Trauma, Gender and Ethics in the Works of E.L. Doctorow Random House Incorporated

Selected by the Modern Library as one of the 100 best novels of all time Published in 1975, Ragtime changed our very concept of what a novel could be. An extraordinary tapestry, Ragtime captures the spirit of America in the era between the turn of the century and the First World War. The story opens in 1906 in New Rochelle, New York, at the home of an affluent American family. One lazy Sunday afternoon, the famous escape artist Harry Houdini swerves his car into a telephone pole outside their house. And almost magically, the line between fantasy and historical fact, between real and imaginary characters, disappears. Henry Ford, Emma Goldman, J. P. Morgan, Evelyn Nesbit, Sigmund Freud, and Emiliano Zapata slip in and out of the tale, crossing paths with Doctorow's imagined family and other fictional characters, including an immigrant peddler and a ragtime musician from Harlem whose insistence on a point of justice drives him to revolutionary violence.

This project approaches four of E. L. Doctorow's novels--Welcome to Hard Times (1960), The Book of Daniel (1971), Ragtime (1975), and City of God (2000)--from the perspectives of feminist criticism and trauma theory. The study springs from the assumption that Doctorow's literary project is eminently ethical and has an underlying social and political scope. This crops up through the novels' overriding concern with injustice and their engagement with the representation of human suffering in a variety of forms. The book puts forward the claim that E.L. Doctorow's literary project--through its representation of psychological trauma and its attitude towards gender--may be understood as a call to action against both each individual's indifference and the wider social and political structures and ideologies that justify and/or facilitate the injustices and oppression to which those who are situated at the margins of contemporary US society are subjected.

Andrew is a provocatively interesting and even sympathetic character. . . . The novel seamlessly combines Doctorow ’ s remarkable prowess as a literary stylist with deep psychological storytelling pitting truth against delusion, memory and perception, consciousness and craziness. . . . [Doctorow] takes huge creative risks—the best kind. ” —USA Today

“ Andrew ’ s Brain is cunning. . . . [A] sly book . . . This babbling Andrew is a casualty of his times, binding his wounds with thick wrappings of words, ideas, bits of story, whatever his spinning mind can unspool for him. . . . One of the things that makes [Andrew] such a terrific comic creation is that he ’ s both maddeningly self-delusive and scarily self-aware: He ’ s a fool,

but he ' s no innocent. . . . Andrew may not be able to enjoy his brain, but Doctorow, freely choosing to inhabit this character ' s whirligig consciousness, can. " —The New York Times Book Review " A tantalising tour de force . . . a journey worth taking . . . With exhilarating brio, the book plays off . . . two contrasting takes on mind and brain. . . . [Andrew ' s Brain encompasses] an astonishing range of modes: vaudeville humour, tragic romance, philosophical speculation. . . . It fizzles with intellectual energy, verbal pyrotechnics and satiric flair. " —The Sunday Times (London) " Dramatic . . . cunning and beautiful . . . strange and oddly fascinating, this book: a musing, a conjecture, a frivolity, a deep interrogatory, a hymn. " —San Francisco Chronicle " Provocative . . . a story aswirl in a whirlpool of neuroscience, human relations, loss, guilt and recent American history . . . Doctorow reveals his mastery in the sheen of a text that is both window and mirror. Reading his work is akin to soaring in a glider. Buoyed by invisible breath, readers encounter stunning vistas stretching to horizons they ' ve never imagined. " —The Plain Dealer " Andrew ' s ruminations can be funny, and his descriptions gorgeous. " —Associated Press " [An] evocative, suspenseful novel about the deceptive nature of human consciousness. " —More " A quick and acutely intelligent read. " —Entertainment Weekly

Innocence is lost to unforgettable experience in these brilliant stories by E. L. Doctorow, as full of mystery and meaning as any of the longer works by this American master. In " The Writer in the Family, " a young man learns the difference between lying and literature after he is induced into deceiving a relative through letters. In " Wili, " an early-twentieth-century idyll is destroyed by infidelity. In " The Foreign Legation, " a girl and an act of political anarchy collide with devastating results. These and other stories flow into the novella " Lives of the Poets, " in which the images and themes of the earlier stories become part of the narrator ' s unsparing confessions about his own mind, offering a rare look at the creative process and its connection to the heart.
