NMS Civil Engineering is an established contractor based in North West England and operating primarily in the North West, North Wales, West and South Yorkshire and the Midlands. We traded as Northern Motorway Services from our establishment in 1985 until 2000 when changes in work patterns and customer feedback led to the change in name. We initially concentrated on large scale, civil engineering, motorway projects involving road planing, carriageway reconstruction, pavement maintenance and ...

COMPANY PROFILE - NAKO Group (South Africa) Engineering

A company profile is a detailed document containing all the aspects of the business operations, from its financial and physical resources to its management structure. A company profile functions very much like an employee profile in that they help other people understand the business and the employee more, respectively. As a company profile is an effective way

of demonstrating your reputation and credibility, you would need to put thought and effort into making them.
