Civil Engineering Dictionary - Apps on Google Play

civil engineering translate: budownictwo (1?dowe). Learn more in the Cambridge English-Polish Dictionary.

civil engineering - German translation – Linguee

Performance of civil engineering projects is, at least in part, affected by government spending and decisions on whether or not to launch or postpone infrastructure projects (such as roads,

bridges, sewerage systems, power or telecommunications networks) do not necessarily take account of the economic situation, but may instead reflect budgetary and monetary policy, or the desire to stimulate activity within an economy through the creation of demand and jobs.
