“ My favorite
historical novel . . . a

superb re-creation of the Battle of Gettysburg, but its real importance is its insight into what the war was about, and what it meant. ” —James M. McPherson In the four most bloody and courageous days of our nation's history, two armies fought for two conflicting dreams. One dreamed of freedom, the other of a way of life. Far more than rifles and bullets were carried into battle. There were memories. There were promises. There was love. And far more than men fell on those

Pennsylvania fields. Bright futures, untested innocence, and pristine beauty were also the casualties of war. Michael Shaara's Pulitzer Prize – winning masterpiece is unique, sweeping, unforgettable—the dramatic story of the battleground for America's destiny. *The Sweetness of Water* (Oprah's Book Club) Oxford University Press The award-winning author of Confederate Reckoning challenges the idea that women are outside of war, through a trio of dramatic stories revealing women's transformative role in the American Civil War. We think of war as a man's world, but women have always played active roles in times of violence and been left to pick up the pieces in societies decimated by war. In this groundbreaking reconsideration of the Civil War, the award-winning author of Confederate Reckoning invites us to see America's bloodiest conflict not just as pitting brother against brother but as a woman's war. When the war broke out, Union soldiers assumed Confederate women would be innocent noncombatants. Experience soon challenged this simplistic belief. Through a trio of dramatic stories, Stephanie McCurry reveals the vital and sometimes confounding roles women played on and off the battlefield. We meet Clara Judd, a Confederate spy whose imprisonment for treason sparked heated controversy, defying the principle of civilian immunity and leading to lasting changes in the laws of war. Hundreds of thousands of enslaved women escaped across Union lines, upending emancipation policies that extended only to enslaved men. The Union's response was to classify fugitive black women as "soldiers' wives," regardless of whether they were

married--offering them some protection but placing new obstacles on their path to freedom. In the war's aftermath, the Confederate grande dame Gertrude Thomas wrestled with her loss of status and of her former slaves. War, emancipation, and economic devastation affected her family intimately, and through her life McCurry helps us see how fundamental the changes of Reconstruction were. Women's War dismantles the long-standing fiction that women are outside of war and shows that they were indispensable actors in the Civil War, as they have

been--and continue to be--in all wars. Kindred Beacon Press The engaging book, *Out of My Mind*, will fascinate readers with a compelling story about a disabled girl with a photographic memory. This instructional guide for literature is a standards-based resource that offers engaging activities and lessons to help students build literacy skills by analyzing story elements, participating in close reading and text-based vocabulary practice, and determining meaning through text-dependent

questions.

The visionary author's masterpiece pulls us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white

son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.

CISSP Study Guide - fully updated for the 2021 CISSP Body of Knowledge

(ISC)2 Certified Information Systems Security Professional (CISSP) Official Study Guide, 9th Edition has been completely updated based on the latest 2021 CISSP Exam Outline. This bestselling Sybex Study Guide covers 100% of the exam objectives. You'll prepare for the exam smarter and faster with Sybex thanks to expert content, knowledge from our real-world experience, advice on mastering this adaptive exam, access to the Sybex online interactive learning environment, and much more. Reinforce what you've learned with

key topic exam essentials and chapter review questions. The three co-authors of this book bring decades of experience as cybersecurity practitioners and educators, integrating real-world expertise with the practical knowledge you need to successfully pass the CISSP exam. Combined, they've taught cybersecurity concepts to millions of students through their books, video courses, and live training programs. Along with the book, you also get access to Sybex's superior online interactive learning environment that

includes: Over 900 new and improved practice test questions with complete answer explanations. This includes all of the questions from the book plus four additional online-only practice exams, each with 125 unique questions. You can use the online-only practice exams as full exam simulations. Our questions will help you identify where you need to study more. Get more than 90 percent of the answers correct, and you're ready to take the certification exam. More than 700 Electronic Flashcards to reinforce your learning and give

you last-minute test prep before the exam A searchable glossary in PDF to give you instant access to the key terms you need to know for the exam New for the 9th edition: Audio Review. Author Mike Chapple reads the Exam Essentials for each chapter providing you with 2 hours and 50 minutes of new audio review for yet another way to reinforce your knowledge as you prepare. Coverage of all of the exam topics in the book means you'll be ready for: Security and Risk Management Asset Security Security Architecture and

Village; illness, and treatments that come at a terrible cost; wealth and squalor; the weak and the strong; race; the definition of family, and of nationhood; the dangerous righteousness of the powerful, and of revolutionaries; the longing to find a place in an earthly paradise, and the gradual realization that it can't exist. What unites not just the characters, but these Americas, are their reckonings with the qualities that make us human: Fear. Love. Shame. Need.

Loneliness. To Paradise is a fin de siècle novel of marvelous literary effect, but above all it is a work of emotional genius. The great power of this remarkable novel is driven by Yanagihara's understanding of the aching desire to protect those we love—partners, lovers, children, friends, family and even our fellow citizens—and the pain that ensues when we cannot. "The Whole Country was ... 'one Robe'" Lulu.com An Instant New York Times bestseller / An

Oprah's Book Club Pick In the spirit of The Known World and The Underground Railroad, an award-winning "miraculous debut" (Washington Post) about the unlikely bond between two freedmen who are brothers and the Georgia farmer whose alliance will alter their lives, and his, forever In the waning days of the Civil War, brothers Prentiss and Landry—freed by the Emancipation Proclamation—seek refuge on the homestead of George Walker

and his wife, Isabelle. The Walkers, wracked by the loss of their only son to the war, hire the brothers to work their farm, hoping through an unexpected friendship to stanch their grief. Prentiss and Landry, meanwhile, plan to save money for the journey north and a chance to reunite with their mother, who was sold away when they were boys. Parallel to their story runs a forbidden romance between two Confederate soldiers. The young men,

recently returned from the war to the town of Old Ox, hold their trysts in the woods. But when their secret is discovered, the resulting chaos, including a murder, unleashes convulsive repercussions on the entire community. In the aftermath of so much turmoil, it is Isabelle who emerges as an unlikely leader, proffering a healing vision for the land and for the newly free citizens of Old Ox. With candor and sympathy, debut novelist Nathan

Harris creates an unforgettable cast of characters, depicting Georgia in the violent crucible of Reconstruction. Equal parts beauty and terror, as gripping as it is moving, *The Sweetness of Water* is an epic whose grandeur locates humanity and love amid the most harrowing circumstances. A reference manual for all immigrants looking to become citizens This pocket study guide will help you prepare for the naturalization test. If you were not born in the United States, naturalization is the way that you can voluntarily become a US citizen. To become a naturalized U.S. citizen, you must pass the naturalization test. This pocket study guide provides

you with the civics test questions and answers, and the reading and writing vocabulary to help you study. Additionally, this guide contains over fifty civics lessons for immigrants looking for additional sources of information from which to study. Some topics include: - Principles of American democracy - Systems of government - Rights and representation - Colonial history - Recent American history - American symbols

· Important holidays · And dozens more topics!
A Pocket Study Guide Houghton Mifflin College Division
“ Tomorrow morning we set out on a campaign which will be remembered. God grant it aid to bring to a speedy end this terrible and lamentable war! ” So wrote Major Henry Hitchcock on the eve of General William Sherman ’ s epic march across Georgia to the sea. Hitchcock, a new member of Sherman ’ s staff,

was right about the fame, or infamy, that would attach to the campaign. His diaries and letters describe at first hand the destructive swath Sherman ’ s army cut through Georgia and the Carolinas. The major, religious and trained in the law, watches the burning and pillage with as much sorrow as satisfaction. If his sympathy for the Southern people is strong, so is his devotion to the Union and its unstoppable general.

The New York Times bestseller and definitive history of Christianity for our time—from the award-winning author of *The Reformation and Silence* A product of electrifying scholarship conveyed with commanding skill, Diarmaid MacCulloch's *Christianity* goes back to the origins of the Hebrew Bible and encompasses the

globe. It captures the major turning points in Catholic, Protestant, and Orthodox history and fills in often neglected accounts of conversion and confrontation in Africa, Latin America, and Asia. MacCulloch introduces us to monks and crusaders, heretics and reformers, popes and abolitionists, and discover Christianity's essential role in shaping human history and the intimate lives of men and women. And he uncovers the roots of the faith that galvanized America, charting the surprising beliefs of the founding fathers, the rise of the Evangelical movement and of Pentecostalism, and the recent crises within the Catholic

Church. Bursting with original insights and a great pleasure to read, this monumental religious history will not soon be surpassed.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics.

Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of

Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Out of My Mind: An Instructional Guide for Literature

Penguin

The Newbery Award-winning author of *Up a Road Slowly* presents the

unforgettable story of Jethro Creighton—a brave boy who comes of age during the turbulent years of the Civil War. In 1861, America is on the cusp of war, and young Jethro Creighton is just nine-years-old. His brother, Tom, and his cousin, Eb, are both of fighting age. As Jethro's family is pulled into the conflict between the North and the South, loyalties are divided, dreams are threatened, and their bonds are put to the test in this heart-wrenching, coming of age story. “ Drawing from family records and from stories told by her grandfather, the author has, in an uncommonly fine narrative, created living characters and vividly reconstructed a

crucial period of history. ” —Booklist The American Pageant American Bar Association “ A masterwork [by] the preeminent historian of the Civil War era. ” —Boston Globe Selected as a Notable Book of the Year by the New York Times Book Review, this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue: American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession,

and civil war. Lincoln's greatness emerges from his capacity for moral and political growth. (ISC)2 CISSP Certified Information Systems Security Professional Official Study Guide John Wiley & Sons 2020 American Indian Youth Literature Young Adult Honor Book 2020 Notable Social Studies Trade Books for Young People,selected by National Council for the Social Studies (NCSS) and the Children ' s Book Council 2019 Best-Of Lists: Best YA Nonfiction of 2019 (Kirkus Reviews) · Best Nonfiction of 2019

(School Library Journal) · Best Books for Teens (New York Public Library) · Best Informational Books for Older Readers (Chicago Public Library) Spanning more than 400 years, this classic bottom-up history examines the legacy of Indigenous peoples' resistance, resilience, and steadfast fight against imperialism. Going beyond the story of America as a country "discovered" by a few brave men in the "New World," Indigenous human rights advocate Roxanne Dunbar-Ortiz reveals the roles that settler

colonialism and policies of American Indian genocide played in forming our national identity. The original academic text is fully adapted by renowned curriculum experts Debbie Reese and Jean Mendoza, for middle-grade and young adult readers to include discussion topics, archival images, original maps, recommendations for further reading, and other materials to encourage students, teachers, and general readers to think critically about their own place in history. *A Confederate Girl's Diary* Springer

Publishing Company Over the decades, Jack Matthews collected memoirs and personal correspondence by actual U.S. Civil War soldiers. Eventually this interest led him to write a group of stories from the vantage point of teenage soldiers. The stories are less about specific Civil War battles or the horrors of war than about ordinary adventures and heartbreaks of young soldiers. One soldier constantly composes new epitaphs for

himself (much to the irritation of his comrades). A wounded soldier finds himself abandoned by his regiment and accidentally strikes up a friendship with a soldier from the other side. One soldier starts seeing ghostly visions of his dead brother and wants to know why. In the opening story, a courier is sent by headquarters to deliver an urgent (and tragic) message only to learn that the local commander has forbidden him to deliver it. In the final story, two soldiers have to

hunt down and stop a hidden sharpshooter nicknamed “ Old Mortality ” and in so doing have to face (and understand) their fears. Told in an accessible, humorous and even old-fashioned way, these stories have a philosophical bent and give readers a sense of how 19th century young Americans must have pondered their world. This 8th story collection (published posthumously) is the first Jack Matthews story collection to be published in 23

years. This special ebook edition is illustrated by Barbiel Matthews-Sanders (the author ’ s daughter) and includes two introductory essays by Personville editor Robert Nagle. The author ’ s website (www.ghostlypopulations.com) also contains a study guide for teachers and an annotated bibliography of Civil War fiction prepared especially for this ebook. Doubleday Thousands of books and articles have been written about the Battle of Gettysburg. Almost every topic has been thoroughly scrutinized except one: Paul Philippoteaux's massive cyclorama painting The Battle of Gettysburg, which depicts Pickett's Charge, the final attack at Gettysburg. The Gettysburg Cyclorama: The Turning Point of the Civil War on Canvas is the first comprehensive study of this art masterpiece and	historic artifact. This in-depth study of the history of the cyclorama discusses every aspect of this treasure, which was first displayed in 1884 and underwent a massive restoration in 2008. Coverage includes not only how it was created and what it depicts, but the changes it has undergone and where and how it was moved. Authors Chris Brenneman and Sue Boardman also discuss in fascinating detail how the painting was interpreted by Civil War veterans	in the late 19th Century. With the aid of award- winning photographer Bill Dowling, the authors utilized modern photography to compare the painting with historic and modern pictures of the landscape. Dowling's remarkable close- up digital photography allows readers to focus on distant details that usually pass unseen. Every officer, unit, terrain feature, farm, and more pictured in the painting is discussed in detail.
---	--	--

Even more remarkable, the authors reveal an important new discovery made during the research for this book: in order to address suggestions from the viewers, the cyclorama was significantly modified five years after it was created to add more soldiers, additional flags, and even General George Meade, the commander of the Union Army! With hundreds of rare historic photographs and beautiful modern pictures of a truly great work of art, *The Gettysburg*

Cyclorama: The Turning Point of the Civil War on Canvas is a must-have for anyone interested in the Battle of Gettysburg or is simply a lover of exquisite art.
