Read Full Review. Sid Meier's  
Civilization was a watershed for  
the 4x genre before the genre  
even had its present name. While  
there had been earlier games that  
incorporated many of the  
features, such as conquest, tech  
trees, and city management, Sid  
Meier's landmark game brought  
them all together and with the  
necessary oomph and flair to  
appeal to a large demographic

Sid Meier's Civilization II, or simply Civilization 2, is the second chapter of the most famous turn-based

strategy video game ever created. The game's objective is to "Build an empire to stand the test of time". This second chapter, build natively for Windows, runs perfectly on modern computers.
