Civilization V guide: 1 The basics - GameplayInside

Civilization V Strategy Guide Sid Meier's Civilization V is not a game I'd typically get hooked up on, but there's so much hype around it and I simply

had to try it. It's actually a surprisingly good and fun game, but since I'm not used to these types of games I had difficulties beating AI opponents on higher difficulty settings, and even more problems in multiplayer.

In Civilization V, players are challenged to build and lead a civilization through multiple eras, dividing their focus on growth, culture, economy, technologies and military. Like past installments there are multiple victory conditions, from taking over enemy capitals to winning the space race to being democratically elected as the supreme ruler of the world.
