6 years, that's the time it took me from my first Police application to my first Hiring letter. It's a little-known fact for many starting out, and a very real reality for most that are in the process; that most Applicants don't make it through the hiring process on their first time out. I've probably made all of the mistakes there are to make, from not being prepared for Oral Boards and turning in inaccurate applications. This book doesn't just teach you how to be a standout applicant; it show's how to pick agencies, what Departments look for, and how to plan out

your selections so that it benefits not only you but your family as well. In the end, I hope you avoid the hiring process pitfalls that plague so many and learn how to skyrocket the top of any hiring list, in a shorter time than it took me.
