**How to Become an Independent Insurance Adjuster**

Test Prep Books

This is not your ordinary workers' compensation book.

Workers' compensation coverage is relatively easy to understand. It's the legal, procedural and contractual issues surrounding

workers' compensation that are complicated. In

"The Insurance Professional's Practical Guide to Workers' Compensation," Boggs addresses in clear, jargon-free English many of the concepts, policies and practices in workers compensation that brokers, risk advisors, and corporate risk managers need to know. The chapters, such as on which injuries and which workers are covered, free the reader from having to wade through dense legal and regulatory treatises. Boggs explains to non-lawyers legal

---

aspects of workers compensation. If you need to use the book as little as one time a year, get it, because you'll probably need it much more often.

In these troubled economic times a home is a precious commodity.

---

Protecting that investment has never been more important for homeowners and property owners. When Mother Nature or good old fashion bad luck cause damage to a property, homeowners turn to their insurers to help them restore their property. Insurers, meanwhile, are as equally interested in enhancing their bottom lines as homeowners are in protecting their investment. When these interests collide, the claim game begins and the fight to protect your home and get what is owed you becomes a high stakes game of chance. Without the right guidance, without knowing the Rules of the Game--rules written by and for the insurers--you could find yourself on the losing end. The Claim Game levels the playing field between homeowners and insurers by giving homeowners the knowledge and tools needed to empower themselves so that they can get every penny owed them and claim victory. Discover the secrets to homeowner insurance settlement with the only step-by-step guide to property insurance

claims written by an insurance insider. Exposing little-known methods that enable you to expedite your claim and get every penny owed you, The Claim Game is your comprehensive resource for homeowners insurance and property damage claims. The Claim Game will teach you how to: - Settle claims quickly and fairly. - Reduce or eliminate your deductible. - Decipher a policy so it makes sense. - Discover hidden coverages that protect you and save money. - Organize claim information to expedite your claim. - Get a denied claim covered. - Understand an estimate from a contractor or an insurer. - Select the right contractor to repair your home or property. Also included: - Claim-specific guidance for many types of losses including hurricane, tornado, earthquake, hail, fire and many others. - An in-depth exploration of the most common issues and concerns homeowners encounter. Don't let what you DON'T know cost you!

An insurance adjuster is a person who engages in the business of making an investigation for the purpose of obtaining information in the course of adjusting or participating in the settlement or disposal of any claim in connection with a policy of insurance. This book primarily covers the fundamental adjusting knowledge compatible with the state exam, with New York specific coverage. This book has topics compatible with the Public Adjuster exam and the Independent General Adjuster exam. We create these self-practice test questions referencing the concepts and principles currently valid in the adjuster exam. Each question comes with an answer and a short explanation which aids you in seeking further study information. For purpose of exam readiness drilling, this product includes questions that have varying numbers of choices. Some have 2 while some have 5 or 6. We want to make sure these questions are tough enough to really test your readiness and

draw your focus to the weak areas.

Think of these as challenges presented to you so to assess your comprehension of the subject matters. The goal is to reinforce learning, to validate successful transference of knowledge and to identify areas of weakness that require remediation. The questions are NOT designed to "simulate" actual exam questions. "realistic" or actual questions that are for cheating purpose are not available in any of our products. P&C Exam Prep Book and Practice Test Questions Test Prep Books  
The Associate Workers' Compensation Examiner Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: interpret and accurately apply written laws, rules, regulations, policies and procedures; gather and analyze data; relevant case law; administrative supervision;

---

reading and interpreting job-related material; report writing; preparing written material; and other related areas.
