The Workers' Compensation Claims Adjuster Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: interpret and accurately apply written laws, rules, regulations, policies and procedures; gather and analyze data; reading and interpreting job-related material; arithmetic calculations preformed on the job; report writing; understanding and interpreting written material; and other related areas.

Property and Casualty Insurance License Exam Study Guide Test Prep Books

This is not your ordinary workers' compensation book. Workers' compensation coverage is relatively easy to understand. It's the legal, procedural and contractual issues surrounding workers' compensation that are complicated. In "The Insurance Professional's Practical Guide to Workers' Compensation," Boggs addresses in clear, jargon-free English many of the concepts, policies and

practices in workers compensation that brokers, risk advisors, and corporate risk managers need to know. The chapters, such as on which injuries and which workers are covered, free the reader from having to wade through dense legal and regulatory treatises. Boggs explains to non-lawyers legal aspects of workers compensation. If you need to use the book as little as one time a year, get it, because you'll probably need it much more often.

In these troubled economic times a home is a precious commodity. Protecting that investment has never been more important for homeowners and property owners. When Mother Nature or good old fashion bad luck cause damage to a property, homeowners turn to their insurers to help them restore their property. Insurers, meanwhile, are as equally interested in enhancing their bottom lines as homeowners are in protecting their investment. When these interests collide, the claim game begins and the fight to protect your home and get what is owed

you becomes a high stakes game of chance. Without the right guidance, without knowing the Rules of the Game--rules written by and for the insurers--you could find yourself on the losing end. The Claim Game levels the playing field between homeowners and insurers by giving homeowners the knowledge and tools needed to empower themselves so that they can get every penny owed them and claim victory. Discover the secrets to homeowner insurance settlement with the only step-by-step guide to property insurance claims written by an insurance insider. Exposing little-known methods that enable you to expedite your claim and get every penny owed you, The Claim Game is your comprehensive resource for homeowners insurance and property damage claims. The Claim Game will teach you how to: - Settle claims quickly and fairly. - Reduce or eliminate your deductible. - Decipher a policy so it makes sense. - Discover hidden coverages that protect you and save money. - Organize claim information to expedite your claim. - Get a denied claim covered. - Understand an estimate from a contractor or an insurer. - Select the right contractor to repair your home or property. Also included: - Claim-specific guidance for many types of losses including hurricane, tornado, earthquake, hail, fire and many others. - An in-depth exploration of the most common issues and concerns homeowners encounter. Don't let what you DON'T know cost you!
