**The Symbolic Order** Random House (UK)  
In this poetry collection, the magic of the Jewish folk tradition and the more contemporary scientific magic of medicine complement each other in all their contrasts, and there are playful poems of everyday

experience as well as serious poetic explorations of art and all its aspects. At their centre is a strong humanist sense of moral reconciliation, symbolized by the Caladrius Bird in the title poem, which in medieval legend holds the power of life and death over the sick.

**A Short History of Russia** Vintage  
Peter Abbs' new book, his tenth volume, divides into two parts. The first half, Peregrinations, offers an anthology of poems which range from the experience of love to memories of childhood, from philosophical reflections on art and poetry to the dramatic re-telling of other lives. The second part, Transformations, offers three sequences from three great poets in the tradition: Rumi, Dante and Rilke. These poems are not literal translations but work in the manner of metamorphoses.

**There was a Young Man from Cardiff** Legare Street Press  
Dannie Abse s prose anthology draws together essays and autobiographical material spanning a lifetime of writing and practising medicine. We are treated to amusing anecdotes of Abse s time as a trainee-doctor in wartime Britain, as well as more serious pieces on the Holocaust, Jewishness and the impact literature has had on his medical work. His detailed critical essays on poets ranging from Keats to Plath allow us to engage with his own poetic principles: I believe all poetry should be written out of a personal predicament and should be necessary; that there is an unconscious aspect to poetry, that it s not all on the surface. The resounding voice, like that of his poems, is humorous, compassionate and civilised."

Selected from the whole of Dannie Abse's writing career, the book includes such well known and well-loved poems as *Return to Cardiff* and *In the Theatre* alongside many previously uncollected poems. Some poems draw on Jewish writings, others on Welsh language literature.

The Dogs of Pavlov George Braziller

Rosemary Ackland began writing her diary in 1945, aged just fifteen. For the next fifty-eight years, through happiness and heartache, she continued to write. Even after the tragic onset of Motor Neurone disease, which left her mute and immobile, her diary was still an outlet - in fact, then more than ever. Her simple, heartfelt jottings were never intended for an audience. But, during her last days, as he helped her hold a pen, her husband Joss read her words for the first time. Deeply moved by her lifetime's recollections he asked her consent to publish them and she agreed. *My Better Half and Me* weaves together Rosemary's diaries with Joss's commentary to tell of an extraordinary love story that lasted over fifty years. Their life together was remarkably full. At first they lived on a shoestring, struggling to bring up their new family on just Joss's pay as a young actor. Once his career took off their lives became a dynamic whirl of tours across the country. But they remained an extremely close-knit family, with lives shaped by their seven children, by the tragic, untimely death of their eldest son, and later, by the birth of their grandchildren. Above all, this intimate and candid story, shows how lucky they were to have each other. In turbulent times they were each other's rock. Theirs was truly and old-fashioned romance.
