In fact, we have had about 1000 students from over 60 different countries come through the program at this writing, and they have started more than 300 companies!I wrote this book so that some of the thinking that I applied to Draper University could be spread wider, in hopes that these messages would reach other potential Startup Heroes (maybe you) who might make an impact on the world, be proactive about their work, or at the very least, improve their lives.So, I implore you.
