*The Aussie Next Door* Thomas Nelson Travis King is the worst kind of asshole. He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more. Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear. He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but that

doesn't change a thing. Because the King is about to get played at his own game-and lose. Checkmate.

He eventually settled in Los Angeles where his work took him to the sound stages of Hollywood and to the most remote regions of the Earth. His career exposed him to the extraordinary wonders of our planet and brought him into close contact with many unforgettable personalities from maverick scientists to politicians, entertainers and people who survived near-death experiences. His observations have taught him that life is far more complex and infinitely stranger than we can imagine. When he was struck by an unexpected life-threatening illness his efforts to find a way to save his life took him back to Africa where he encountered the age-old rituals and powerful healing methods of African shamans. Their mysterious ways have much to teach us and are as relevant today as they were in ancient times.
