C300-40. I recently

acquired an old C300-40

SN 356-459-3945. I got it

in an auction, and they

dumped the contents of

the office in a dumpster,

so I got no manuals. I'd

really like to have the

maintenance manual, but

the service and parts

manuals would be nice

too. Any chance anybody

out there has an

electronic copy and is

willing to share? Posted
