Clark. Clark Equipment

Co., formed in 1916 and named after

Eugene

Clark, a mechanical engineer

with the Illinois Steel Co,

was not a big player

in the equipment industry.

However what makes Clark Equipment Co.

important was its

development of the lift truck and their domination in the wheel loader market in the early 1950's.

Manuals for Clark C300-40 I recently acquired an old C300-40 SN 356-459-3945.

I got it in an auction, and they dumped the contents of the office in a dumpster, so I got no manuals.
