The revised edition of the book entitled A Complete Course in Mathematics for Class X has been written strictly according to the latest Syllabus & Examination Pattern prescribed by CBSE, New Delhi, for the academic year 2022-23 and onwards. As this is the first Board (public) Examination for the students of Class X, efforts have been made that after reading this book, even students of average or below average caliber would not face any difficulty in passing the examinations with flying colours. There are two versions of the maths paper for Class X - Basic and Standard. So, while developing the book, Examples and Questions under exercises have been categorised as Basic or Standard. Plenty of Case Study Based Questions, which are an integral part of the new examination pattern, have also been incorporated. Some Salient Features of the Book are: • The book is strictly according to the latest syllabus prescribed by CBSE for the academic year 2022-23 and onwards. • The text (Definitions, Concepts, Theorems,

etc.) has been explained systematically and logically by giving ample number of variety of Solved Examples and Exercises. • All the difficult questions (from NCERT, NCERT Exemplar and other parallel books) have been either solved or provided with the Hints. • Author's Tip to highlight important points have been given. • Handy Hints, wherever required, have been incorporated. • Suggestive categorisation of questions as Basic and Standard, to fulfill the requirement of the latest examination pattern of CBSE, has been given. • Questions from Past Years' CBSE Papers have been incorporated appropriately. • Multiple Choice Questions (MCQs) have been added for better understanding of the lesson. • Synopsis to recapitulate the main concepts learnt in the chapter has been given. • Chapter-wise two Self Evaluation Tests-one for Basic Level and other for Standard Level have been given to revise the whole chapter at one go. • Chapter-wise Case Study Based Questions have been given. • Video Lectures (through QR codes) by the author provide the solutions of difficult questions. I would like to extend my gratitude to entire Goyal Brothers Prakashan Editorial team and IT team. Editorial team's suggestions and contributions have helped me in bringing out this edition of the book in such an excellent form. I have tried my best to keep the book free from mistakes or errors. Still I will be grateful to the readers who point out any error and omission which, in spite of all care, might have inadvertently crept in. It is hoped that this book will meet the requirements of the students, teachers and parents alike. Suggestions and constructive criticism for the improvement of the book will be highly appreciated. The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was

instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.
