Eleanor Estes's *The Hundred Dresses* won a Newbery Honor in 1945 and has never been out of print since. At the heart of the story is Wanda Petronski, a Polish girl in a Connecticut school who is ridiculed by her classmates for wearing the same faded blue dress every day. Wanda claims she has one hundred dresses at home, but everyone knows she doesn't and bullies her mercilessly. The class feels terrible when Wanda is pulled out of the school, but by that time it's too late for apologies. Maddie, one of Wanda's classmates, ultimately decides that she is "never going to stand by and say nothing again." This powerful, timeless story has been reissued with a new letter from the author's daughter Helena Estes, and with the Caldecott artist Louis Slobodkin's original artwork in beautifully restored color.

Crazy Times with Uncle Ken Lindhardt og Ringhof

The sense of difficulty, and indeed of awe, with which a scholar approaches the task of translating the Agamemnon depends directly on its greatness as poetry. It is in part a matter of diction. The language of Aeschylus is an extraordinary thing, the syntax stiff and simple, the vocabulary obscure, unexpected, and steeped in splendour. Its peculiarities cannot be disregarded, or the translation will be false in character. Yet not Milton himself could produce in English the same great music, and a translator who should strive ambitiously to represent the complex effect of the original would clog his own powers of expression and strain his instrument to breaking. But, apart from the diction in this narrower sense, there is a quality of atmosphere surrounding the Agamemnon which seems almost to defy reproduction in another setting, because it depends in large measure on the position of the play in the historical development of Greek literature.
