Here, Drunvalo Melchizedek presents in text and graphics the first half of the Flower of Life workshop, illuminating the mysteries of how we came to be, why the world is the way it is and the subtle energies that allow our awareness to blossom into its true beauty. Sacred Geometry is the form beneath our being and points to a divine order in our reality. We can follow that order from the invisible atom to the infinite stars, finding ourselves at each step. The information here is one path, but between the

lines and drawings lie the feminine gems of intuitive understanding. You may see them sparkle around some of these provocative ideas: Explore the miracle of our existence by meandering through the wonderland of geometry, science, ancient history and new discovery, seen through the widened vision of Drunvalo and the Flower of Life.
