La Salle in Texas Bushra Arshad
The excavation of the shipwreck La Belle grabbed public attention in Texas, across the nation, and overseas. Especially enthralled with the discoveries from the ship were schoolchildren. Pam Wheat-Stranahan, named by the Texas Historical Commission to head the educational efforts associated with the excavation's traveling exhibit, continued her work on this project after leaving the THC. Now, her teacher's guide, which includes a DVD of acclaimed documentary director Alan Govenar's films *The Shipwreck of La Belle* and *Dreams of Conquest* (about Fort St. Louis and Presidio La Bahia), is available for use in an exploration and discovery unit. Ideal for grades 4–8, the teacher's guide and films are designed for use with the book *From a Watery Grave*. Wheat-Stranahan has incorporated the standards for national social

studies and the Texas Essential Knowledge and Skills. The resulting guide is user-friendly for teachers and provides interactive learning opportunities for students not just about Texas history but also concerning the age of discovery and the precursors to the American nation.

Lesson Planner Weekly Lesson Schedule Student Worksheets Quizzes & Test

Answer Key 7th - 9th grade 1 Year Science 1/2 Credit Features:

Each suggested weekly schedule has three easy-to-manage

lessons which combine reading, worksheets, and vocabulary-building opportunities including an expanded glossary for each book.

Designed to allow your student to be independent, materials in this resource are divided by section so you can remove quizzes, tests, and answer keys before beginning the coursework. As always, you are encouraged to adjust the schedule and materials as you need to in order to best work within your educational program. Workflow: Students will read the pages in their book and then complete each section of the study guide worksheets. Tests are given at

regular intervals with space to record each grade. Younger students may be given the option of taking open book tests.

Lesson Scheduling: Space is given for assignment dates.

There is flexibility in scheduling. For

example, the parent may opt for a M-W schedule rather than a M, W, F schedule. Each

week listed has five days but due to vacations the school work week may not be

M-F. Please adapt the days to your school schedule. As the

student completes each assignment, he/she should put an " X " in the box.
