Assessment: What
Teachers Need to
Know | 9th ...**

Written with both clarity and wit, Classroom Assessment shows pre- and in-service teachers how to use classroom testing accurately and formatively to dramatically increase your teaching effectiveness and make a difference in how well students learn. In addition to clear and concise guidelines on how to develop and use quality classroom assessments, the author also pays particular attention to the implications of testing on teaching.

Classroom Assessment: What Teachers Need to Know: Popham ...

Develop and use well-written tests, master the essentials of educational assessment, and improve instruction and learning

Written with both clarity and wit, Classroom Assessment shows pre- and in-service teachers how to use classroom testing accurately and formatively to dramatically increase your teaching effectiveness and make a difference in how well students learn.

Classroom Assessment: What Teachers Need to Know: Amazon ...

What teachers really need to know about assessment is spelled out clearly by the author. It

will be a go-to resource for constructing my own classroom assessments, as well as when I want to analyze assessments created by others. I highly recommend every classroom teacher read it and add it to their resource library.

Classroom Assessment 9th edition | 9780135568996

...

With its constant attention to the instructional implications of educational assessment, Classroom Assessment: What Teachers Need to Know,

7/e, helps readers become assessment literate -- to understand the fundamental concepts and processes of educational testing that will influence teachers' hour-to-hour instructional decisions. The text recognizes and highlights the exponential increase in the importance of educational assessment in an era of common core state standards, national ...
