I got observed once a week officially on mine - that meant the

teacher in the room (mostly my mentor at both placements) would

be watching your every move, filling out an observation form and

grading you against standards you have chosen to focus on (e.g

behaviour) - at the end of the lesson they would give me a grade for

the focused on standard (e.g 2b) and a grade for the lesson overall (taking into account the holistic approach to teaching and learning).

I have one next week at a secondary school and don't know what to expect, especially from the observation. Will I be teaching a class myself or a small ...

After the lesson observation: Getting it right

A classroom observation is a procedure that most educational institutions mandate their faculty to conduct with the aid of a classroom observation form. This document allows the user or the observer to state, record, and determine the overall rating of a classroom including the students and the teacher who is handling the daily lessons in class.

"Classroom Observation And Teacher Interview Paper" Essays ...

Always remember: it is a privilege to observe and evaluate a colleague in the classroom. The teacher deserves your full, undivided attention during the observation and in the follow-up interview. Always remember to start with the strengths and the importance of giving praise when praise is deserved.
