Examination of Orthopedic patients - SlideShare

Clinical Orthopaedic Examination 5th ed. by McRae. This book is better than apley in terms of examination. 3.5 stars! It make my examination easier although to master an examination, u must do it yourself. The examinations shown as a sketch and there is no real

picture or graphic. The examination is simple, many graphic than words.

Orthopaedic Basic Science: Fifth Edition: Print

Any generalist or surgeon in training will require a book dealing with the general principles underlying the management of all orthopaedic conditions. This used to be covered by Turek's Orthopedics, but, although the new, fifth edition remains excellent, it is clearly aimed at undergraduates and trainees.
