2007. This is an ex-library book and may have the usual library/used-book markings inside. This book has soft covers. In good all round condition. Please note the Image in this listing is a stock photo and may not match the covers of the actual item, 2650grams, ISBN:9780443102851... *Clinical Pharmacy and*

*Therapeutics* by Walker, Roger ... Pharmacy students and practitioners now have increased responsibilities in the areas of prescribing and treatment. Modern therapeutics requires an understanding of the disease process, clinical pharmacology and the supporting evidence from scientifically designed clinical trials. The

process of selecting optimal drug regimens is a team effort and depends upon the skills of pharmacists working ... **Clin Pharmacy & Therapeutics 5e:**
