A Daughter of the Samurai DC Comics

It's hard to adjust to the trials and tribulations of college when you've been the focal point in a web of intrigue and murder.

Christina Parker, now a student at a small liberal arts college in central Arizona, is still trying to forget the man who took her through hell and back two years

ago. She was doing just fine, too, until said man appeared again, out of the blue. On the doorstep of her new apartment. Unconscious. Suddenly, the brittle semblance of normality that Christina managed to construct after all this time is shattered. With a wounded man to contend with and the prominent threat of the ruthless IMA, Christina is forced to face all her old fears head-on.... But this time, she'll be doing it on her own terms. The first part of the book is given to an analysis of folk retablo painting. The second part concentrates on iconography and on why certain images of Christ, Mary, and the saints were venerated. The third part examines ex-votos, small images painted to commemorate the donor's gratitude for a favor.

The Flower of Battle

Jovian Press

Vivacious Sancha of Aragon arrives in Rome newly wed to a member of the notorious Borgia dynasty. Surrounded by the city's opulence and political corruption, she befriends her glamorous and deceitful sister-in-law, Lucrezia, whose jealousy is as legendary as her beauty. Some say Lucrezia has poisoned her rivals, particularly those to whom her handsome brother, Cesare, has given his heart. So when Sancha falls under Cesare's irresistible spell, she must hide her secret or lose her life. Caught in

the Borgias' sinister web, she summons her courage and uses her cunning to outwit them at their own game. Vividly interweaving historical detail with fiction, *The Borgia Bride* is a richly compelling tale of conspiracy, sexual intrigue, loyalty, and drama.

Women and War in Roman Epic Walter de Gruyter GmbH & Co KG

From the New York Times bestselling author of I Dissent comes a biographical graphic novel about celebrated Supreme Court justice Ruth Bader Ginsburg. Supreme Court justice Ruth Bader Ginsburg is a modern feminist icon—a leader in the fight for equal treatment of girls and women in society and the workplace. She blazed trails to the peaks of the male-centric worlds of education and law, where women had rarely risen before. Ruth Bader Ginsburg has often said that true and lasting change in society and law is accomplished slowly, one step at a time.

This is how she has evolved, too. Step by step, the shy little girl became a child who questioned unfairness, who became a student who persisted despite obstacles, who became an advocate who resisted injustice, who became a judge who revered the rule of law, who became...RBG. One of the outstanding problems of the biologist, whether he be beginning student or specialists, is that of understanding technical terms. The best way to understand and remember technical terms is to understand first their component parts, or roots. This

dictionary has been designed primarily to meet the needs of the beginning student, the medical student, and the taxonomist, but it should be of value to all biologists. Slum and Guns Simon and Schuster Michael Boutilier is a young assassin working for a mysterious organization of mercenaries called the IMA; an organization so powerful that government denies its existence. When a hacker breaks into their computer's mainframe, they send Michael out to finish off the

loose ends. But so far, there's just one lead to go on. The hacker's daughter, Christina Parker. Christina seems like any other high school senior. And she is - until she gets kidnapped by a group of people who think she's the key to the malicious code that has infected their mainframe system and she is plunged into a world where the lines between right and wrong are blurred beyond all recognition and terror knows no bounds. What do you do when the odds are against you, and the stake is

your life? As she quickly learns, there are good guys and there are bad guys. Sometimes Michael's one, sometimes he's the other--but usually he's both. And right now he's the only one who can save her.

Val receives a calling card from a very dangerous boy who wants to play with her. It's a game without rules, logic, or consequence, and he'll stop at nothing to claim her as his-even if it means destroying them both. Three years ago, Valerian Kimble got herself entangled with a burgeoning sociopath intent on adding her to his own columns of wins and losses. She managed to escape him, but at a terrible cost... This time it's personal. Now a high school senior, Val is a pale shadow of the girl she once was and still recovering from the terrible trauma she suffered at his hands. She is understandably reluctant when her friends receive mysterious invitations to a theme party being held in one of the old manor homes on the edge of town. Right away, something about the party seems off. The other guests are secretive, and strangely hostile. Cell phones don't work. Doors lock and unlock, seemingly at will. And the festivities start to take a turn for the sinister as the evening

progresses. Because their host loves games. Loves them so much that he's decided to make a little wager. The deadline is sunrise. The stakes? Their lives. Let the games begin.
