Perfect for fans of Mark Lawrence and R Scott Bakker, *The Court of Broken Knives* is the explosive debut by one of grimdark fantasy's most exciting new voices. Shortlisted for the British Fantasy Award for Best Novel Shortlisted for the David Gemmell Morningstar Award It is the richest empire the world has ever known, and it is also doomed--but only one man can see it. Haunted by prophetic dreams, Orhan has hired a company of soldiers to cross the desert to reach the capital city. Once they enter the palace, they have one mission: kill the emperor, then all those who remain. Only from the ashes can a new empire be built. The company is a group of good, ordinary soldiers for whom this is a mission like any other. But the strange boy Marith who walks among them is no ordinary soldier. Though he is young, ambitious, and impossibly charming, something dark hides in Marith's past--and in his blood. Dive into this new fantasy series for readers looking for epic battle scenes, gritty heroes, and blood-soaked revenge.

The knife--a staple in every household and long considered one of mankind's most important tools. Despite our long history, in today's fast-paced world many no longer know how to recognize a good knife or the characteristics that define one. This book details

the differences between types of knives, the characteristics a capable knife must have, the different locking systems for folding knives, and more! A must-have reference for anyone who uses their knife on a daily basis.

[Weight of the Earth](#) Vintage

David Wojnarowicz's fractured scrapbook of dream journals, political critique and collage--an ultra-rare document of 1980s New York subculture David Wojnarowicz's *In the Shadow of Forward Motion* was originally published as a photocopied zine/artist's book to accompany an exhibition of the same name at PPOW Gallery in 1989. Despite its meager print run of just 50 copies, the publication has garnered a legendary status, and for good reason. In it we find, for the first time, Wojnarowicz's writing and visual art, two mediums for which he is renowned, playing off each other in equal measure. We glimpse the artist's now iconic mixed-media works, with motifs of ants, locomotives, money, tornados and dinosaurs, juxtaposed with journal-like texts or "notes towards a frame of reference" that examine historical and global mechanisms of power symbolized through the technology of their times. Wojnarowicz uses the fractured experience of his day-to-day life (including dreams, which he recorded fastidiously) to expose these technologies as weapons of class, cultural and racial oppression. The artist's experience living with HIV is a constant subject of the work, used to shed light on the political and social mechanisms perpetuating discrimination against not only himself, but against women and people of color, who faced additional barriers in their efforts to receive treatment for the illness. Rooted in the maelstrom of art, politics, religion and civil rights of the 1980s, the book provides a startling glimpse into an American culture that we have not yet left behind. Félix Guattari provides an introduction. Painter, photographer, writer, filmmaker, performance artist, songwriter and activist, David Wojnarowicz was born in Redbank, New Jersey, in 1954 and died of AIDS in New York in 1992. The

author of five books--most famously *Close to the Knives: A Memoir of Disintegration*--Wojnarowicz attained national prominence as a writer and advocate for AIDS awareness, and for his stance against censorship.

A Memoir of Disintegration Laconic Press, LLC
My name is Caitlin Feral, and I'm about to face my final Testing Day. My younger brother and mom hope I return: that I survive the tests (which is not a given) and that I am still a dreg. They want me to stay here with them to keep what's left of our family together. They want me to stay here, in the shadow of the Genetic Wars, with mutant animal attacks, protectors in faceless helmets eager to catch us in the slightest infractions, and a menial work placement that's waiting with my name on it if I fail the tests. But that's not what I dream about. In my dreams, I can lift a bus. I can fly. I have to Manifest. If I do, my classmate Lilianne and teacher Mrs. Cranberry will stop their bullying, and I can leave the danger and the dirt and the lack of food and medication and move to Jupitar City to be adopted by a Supergenetic family. That's the promise--if Testing Day doesn't kill me first. "I barely got out of there. They're not afraid to kill us. They're not afraid to kill you." That's what my classmate Normand said after he returned from his testing, barely able to stand. But he's soft; I'm not ... right? The Treaty will protect me, and the Supergenetics can only test within reasonable parameters to find their own kind, but the terror and pain in Normand's eyes makes me sweat and my heart race. What if the rules have changed? And what if I am a mere DNA regular? What if I'm nothing like the Supergenetic heroes I read about in the comic books they send us from Jupitar City? Today, I find out.

And I do know one thing. I would rather die trying than be stuck being me for the rest of my life. DON'T BE DNA REGULAR. BE GENERATION MANIFESTATION. The action-packed, heart-pounding adventure of Gen M begins here! Warnings: for fans of strong female protagonists, LGBTQ positivity, important neurodiverse characters, unexpected heroism, unexpected villainy and other unpredictabilities. Earlier version published as I Want Superpowers. Fans of Hunger Games, Divergent, 1984, Brendan Sanderson's Steelheart or Marvel's X-Men and X-Force will love Generation Manifestation! "A richly realized dystopian world that reads like The Hunger Games meets X-Men." — Ryan Porter, The Toronto Star "A teenager must determine where her true alliances rest in Generation Manifestation, a dark dystopian novel directed by tough choices and earned wisdom ... with heartrending twists."—Foreword Clarion Review "I LOVED THIS! ... it's on my list of the best books I've ever read ... You think you know what is going to happen, but you have no idea how many times my predictions were wrong." —Elizabeth Sagan, MyBookFeatures "One of the best things about this book was in the start I expected it to take the same beaten path. But it subverted my expectations. And I couldn't predict where the book was going next." —Ananya B, Goodreads "When I finished the last page, I had to close my eyes for a second and try to keep my mind together. I am not sure if it was an ending or a new beginning...This book is hands down my favorite so far this year. It was easy to read, very well written, and detailed." —Books of Cat, Goodreads "This book had the perfect mix of world building, character development and rich content that were tied beautifulu

David Wojnarowicz Simon and Schuster

"The new American way of war is here, but the debate about it has only just begun. In *The Way of the Knife*, Mr Mazzetti has made a valuable contribution to it." —The Economist A Pulitzer Prize-winning reporter's riveting account of the transformation of the CIA and America's special operations forces into man-hunting and killing machines in the world's dark spaces: the

new American way of war The most momentous change in American warfare over the past decade has taken place away from the battlefields of Afghanistan and Iraq, in the corners of the world where large armies can't go. *The Way of the Knife* is the untold story of that shadow war: a campaign that has blurred the lines between soldiers and spies and lowered the bar for waging war across the globe. America has pursued its enemies with killer drones and special operations troops; trained privateers for assassination missions and used them to set up clandestine spying networks; and relied on mercurial dictators, untrustworthy foreign intelligence services, and proxy armies. This new approach to war has been embraced by Washington as a lower risk, lower cost alternative to the messy wars of occupation and has been championed as a clean and surgical way of conflict. But the knife has created enemies just as it has killed them. It has fomented resentments among allies, fueled instability, and created new weapons unbound by the normal rules of accountability during wartime. Mark Mazzetti tracks an astonishing cast of characters on the ground in the shadow war, from a CIA officer dropped into the tribal areas to learn the hard way how the spy games in Pakistan are played to the chain-smoking Pentagon official running an off-the-books spy operation, from a Virginia socialite whom the Pentagon hired to gather intelligence about militants in Somalia to a CIA contractor imprisoned in Lahore after going off the leash. At the heart of the book is the story of two proud and rival entities, the CIA and the American military, elbowing each other for supremacy. Sometimes, as with the raid that killed Osama bin Laden, their efforts have been perfectly coordinated. Other times, including the failed operations disclosed here for the first time, they have not. For better or worse, their struggles will define American national security in the years to come.

Close to Critical Canongate Books

"[*Fire in the Belly* is] unimprovable as a biography-thorough, measured, beautifully written, loving but not uncritical-as a concentrated history of his times, and as a memorial." —Luc Sante, Bookforum David Wojnarowicz was an abused child, a teen runaway who barely finished high school, but he emerged as one of the most important voices of his generation. He found his tribe in New York's East Village, a neighborhood noted in the 1970s and '80s for drugs, blight, and a burgeoning art scene. His creativity spilled out in paintings, photographs, films, texts, installations, and in his life and its recounting-creating a sort of mythos around himself. His circle of

East Village artists moved into the national spotlight just as the AIDS plague began its devastating advance, and as right-wing culture warriors reared their heads. As Wojnarowicz's reputation as an artist grew, so did his reputation as an agitator-because he dealt so openly with his homosexuality, so angrily with his circumstances as a Person With AIDS, and so fiercely with his would-be censors. *Fire in the Belly* is the untold story of a polarizing figure at a pivotal moment in American culture-and one of the most highly acclaimed biographies of the year.

Generation Manifestation Knopf Books for Young Readers

The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! Since its debut in 1990, *The Wheel of Time*® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. The *Wheel of Time* turns and Ages come and go, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow. The dead are walking, men die impossible deaths, and it seems as though reality itself has become unstable: All are signs of the imminence of Tarmon Gai'don, the Last Battle, when Randal'Thor, the Dragon Reborn, must confront the Dark One as humanity's only hope. Unbeknownst to Rand, Perrin has made his own truce with the Seanchan. It is a deal made with the Dark One, in his eyes, but he will do whatever is needed to rescue his wife, Faile, and destroy the Shaido who captured her. Among the Shaido, Faile works to free herself while hiding a secret that might give her her freedom or cause her destruction. And at a town called Malden, the Two Rivers longbow will be matched against Shaido spears. Fleeing Ebou Dar through Seanchan-controlled Altara with the kidnapped Daughter of the Nine Moons, Mat attempts to court the woman to whom he is half-married, knowing that she will complete that ceremony eventually. But Tuon coolly leads him on a merry chase as he learns that even a gift can have deep significance among the Seanchan Blood and what he thinks he knows of women is not enough to save him. In Caemlyn, Elayne fights to gain the Lion Throne while trying to avert what seems a certain civil war should she win the crown... In the White Tower, Egwene struggles to undermine the sisters loyal to Elaida from within... The winds of time have become a storm, and things that

everyone believes are fixed in place forever are changing before their eyes. Even the White Tower itself is no longer a place of safety. Now Rand, Perrin and Mat, Egwene and Elayne, Nynaeve and Lan, and even Loial, must ride those storm winds, or the Dark One will triumph. The Wheel of Time® New Spring: The Novel #1 The Eye of the World #2 The Great Hunt #3 The Dragon Reborn #4 The Shadow Rising #5 The Fires of Heaven #6 Lord of Chaos #7 A Crown of Swords #8 The Path of Daggers #9 Winter's Heart #10 Crossroads of Twilight #11 Knife of Dreams By Robert Jordan and Brandon Sanderson #12 The Gathering Storm #13 Towers of Midnight #14 A Memory of Light By Robert Jordan and Teresa Patterson The World of Robert Jordan's The Wheel of Time By Robert Jordan, Harriet McDougal, Alan Romanczuk, and Maria Simons The Wheel of Time Companion By Robert Jordan and Amy Romanczuk Patterns of the Wheel: Coloring Art Based on Robert Jordan's The Wheel of Time At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Twass the Knife Before Christmas Pantheon

Working as an enforcer for a corrupt developer, Angel Velasquez teams up with a hardened journalist and a street-smart Texan to investigate rumors of California's imminent monopoly on limited water supplies. By the National Book Award-finalist author of *The Windup Girl*.

A Quick Killing in Art Little, Brown

Brilliantly funny, frank, and shattering, this is the bittersweet memoir by Peter McGough of his life with artist David McDermott. Set in New York's Lower East Side of the 1980s and mid-1990s, it is also a devastatingly candid look at the extreme naiveté and dysfunction that would destroy both their lives. Escaping the trauma of growing up gay in Syracuse and being bullied at school, McGough attended art school in New York, dropped out, and took out jobs in clubs, where he met McDermott. Dazzled by McDermott, whom he found fascinating and worldly, McGough agreed to collaborate with him not only on their art but also in McDermott's very entertaining Victorian lifestyle. McGough evokes the rank and seedy East Village of that time, where he encountered Keith Haring, Rene Ricard, Kenny Scharf, Jean-Michel Basquiat, Andy Warhol, and Jacqueline and Julian Schnabel, among many others. Nights were spent at the Ninth Circle, Danceteria, and

Studio 54; going to openings at the FUN Gallery; or visiting friends in the Chelsea Hotel. By the mid-1980s, McDermott & McGough were hugely successful, showing at three Whitney Biennials, represented by the best galleries here and abroad, and known for their painting, photography and "time experiment" interiors. Then, overnight, it was all gone. And one day in the mid-1990s, McGough would find that he, like so many of his friends, had been diagnosed with AIDS. *I've Seen the Future and I'm Not Going* is a compelling memoir for our time, told with humor and compassion, about how lives can become completely entwined even in failure and what it costs to reemerge, phoenix-like, and carry on.

A Memoir of Disintegration Candlewick Press

A New York Times Bestseller Winner of the James Beard Award for General Cooking and the IACP Cookbook of the Year Award "The one book you must have, no matter what you're planning to cook or where your skill level falls."—New York Times Book Review Ever wondered how to pan-fry a steak with a charred crust and an interior that's perfectly medium-rare from edge to edge when you cut into it? How to make homemade mac 'n' cheese that is as satisfyingly gooey and velvety-smooth as the blue box stuff, but far tastier? How to roast a succulent, moist turkey (forget about brining!)—and use a foolproof method that works every time? As *Serious Eats*'s culinary nerd-in-residence, J. Kenji López-Alt has pondered all these questions and more. In *The Food Lab*, Kenji focuses on the science behind beloved American dishes, delving into the interactions between heat, energy, and molecules that create great food. Kenji shows that often, conventional methods don't work that well, and home cooks can achieve far better results using new—but simple—techniques. In hundreds of easy-to-make recipes with over 1,000 full-color images, you will find out how to make foolproof Hollandaise sauce in just two minutes, how to transform one simple tomato sauce into a half dozen dishes, how to make the crispiest, creamiest potato casserole ever conceived, and much more.

David Wojnarowicz: In the Shadow of Forward Motion Gateway

"The knives are out for you, always. But that is the mission you accepted, David. So you have to face the knives, with fortitude. Just as we ask of the great British public..." As Home Secretary in Her Majesty's Government, David Blaylock's daily work involves the control of Britain's borders, the oversight of her police force, and the

struggle against domestic terror threats. Some say the job is impossible; Blaylock insists he is tough enough. But around Westminster the gossip-mongers say his fiery temper is a liability. An ex-soldier from a modest background, Blaylock has a life-story that the public respects. Privately, though, he carries pain and remorse - over some grievous things he saw in the army, and his estrangement from an ex-wife and three children for whom he still cares. A solitary figure in a high-pressure world, with no place to call home, Blaylock is never sure whom he can trust or whether his decisions are the right ones. Constantly in his mind is the danger of an attack on Britain's streets. But over the course of one fraught autumn Blaylock finds that danger moving menacingly closer to his own person.

Close to the Knives Penguin

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Open Road Media

I am glad I am alive to witness these things; giving words to this life of sensations is a relief. Smell the flowers while you can. *Close to the Knives* is the artist, writer and activist David Wojnarowicz's extraordinary memoir. Filthy, beautiful, and sharp to the point of piercing, it is both an exploration of the world seen through the eyes of an artist, and a moving portrait of a generation living, grieving, and dying through the AIDS crisis. It is a triumphant hymn of resistance, and a dizzying celebration of the joys of seeing and living in the world.

The Tale of Despereaux Bloomsbury Publishing USA

A brave mouse, a covetous rat, a wishful serving girl, and a princess named Pea come together in Kate DiCamillo's Newbery Medal-winning tale. Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that

will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into each other's lives. What happens then? As Kate DiCamillo would say: Reader, it is your destiny to find out. With black-and-white illustrations and a refreshed cover by Timothy Basil Ering.

A Practical and Illustrated Guide to Knife Fighting Rizzoli International Publications

"After two helicopters in a sister squadron are shot down, a U.S. Special Forces unit operating in Afghanistan is sent deep into insurgent territory to find and destroy a mysterious new organization called Al Ayeelaa."--

Fever Open Road Media

The late author, a gay activist, artist, and writer, presents a collection of his early works of autobiographical fiction, written as short monologues delivered by a variety of characters from the highways of America

The Way of the Knife Baen Publishing Enterprises

Autobiographical stories and drawings by the artist and AIDS activist featured in the new documentary by Chris McKim. For most of his life, David Wojnarowicz considered himself the ultimate outsider and a true invisible man. "I'm a blank spot in a hectic civilization," he writes in this fierce and unforgettable collection of four blistering autobiographical pieces, illustrated with his own arresting ink drawings. Wojnarowicz, who died of AIDS in New York City at the age of thirty-seven, left behind a body of work that was staggering in its variety and originality. Painter, writer, photographer, performance artist, and filmmaker, he made an indelible mark on virtually every stage of the national arts scene. Yet nowhere does his anger, love, or compassion show itself as strongly as in his writing, which earned a Lambda Literary Award and prompted critics to call him the Jack Kerouac of his generation. The horrors of Wojnarowicz's past inform his literature—his years spent as a child prostitute and living homeless on the New York streets, his outspoken, very public battle against the disease that would eventually take his life, and the entrenched government bureaucracy that sat by and did nothing. The world as seen through Wojnarowicz's eyes in these four masterful short works is stark, cruel, and cold—and yet gloriously alive, ennobled by surprising acts of heartrending humanity. *Memories That Smell Like Gasoline* is a celebration of sorts: of sex, of love, of art, and of having truly lived.

The Book Thief Central Avenue Publishing

"You can be lonely anywhere, but there is a particular flavor to the loneliness that comes from living in a city, surrounded by thousands of strangers. *The Lonely City* is a roving cultural history of urban loneliness, centered on the ultimate city: Manhattan, that teeming island of gneiss, concrete, and glass. What does it mean to be lonely? How do we live, if we're not intimately involved with another human being? How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does

technology draw us closer together or trap us behind screens?

Olivia Laing explores these questions by travelling deep into the work and lives of some of the century's most original artists, among them Andy Warhol, David Wojnarowicz, Edward Hopper, Henry Darger and Klaus Nomi. Part memoir, part biography, part dazzling work of cultural criticism, *The Lonely City* is not just a map, but a celebration of the state of loneliness. It's a voyage out to a strange and sometimes lovely island, adrift from the larger continent of human experience, but visited by many - millions, say - of souls"--

Night of Knives MIT Press

The purpose of theater, like magic, like religion . . . is to inspire cleansing awe. What makes good drama? And why does drama matter in an age that is awash in information and entertainment? David Mamet, one of our greatest living playwrights, tackles these questions with bracing directness and aphoristic authority. He believes that the tendency to dramatize is essential to human nature, that we create drama out of everything from today's weather to next year's elections. But the highest expression of this drive remains the theater. With a cultural range that encompasses Shakespeare, Brecht, and Ibsen, *Death of a Salesman* and *Bad Day at Black Rock*, Mamet shows us how to distinguish true drama from its false variants. He considers the impossibly difficult progression between one act and the next and the mysterious function of the soliloquy. The result, in *Three Uses of the Knife*, is an electrifying treatise on the playwright's art that is also a strikingly original work of moral and aesthetic philosophy.
