This is true  
story about

---

real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for	that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversation s become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in	time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - 'ME LADDIE'. Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal

life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she

will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

I Hate to Say Goodbye Strelbytskyy  
Multimedia Publishing  
Rural Rides is the book for which the English journalist, agriculturist and

political reformer William Cobbett is best known. At the time of writing *Rural Rides*, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

A thief has quietly crept into our churches. This thief has robbed us blind and most of us do

---

not even realize it. Most of what our Lord wants for us has been taken from us by a "spirit of religion". This spirit has caused us to become a self-centered, flesh-serving institution instead of the life-giving, hope-building, Christ-filled Body that Jesus wants to build. Our only hope of reconnecting with our Lord and the culture around us is to return to the Lord Himself. He will build His own Church, with much less help from us than we realize. This book shows the power of restoring the Church by restoring the intimacy of

relationship with our Lord and then with the people God has put into our lives. **Charmed Lives** **Destiny Image** **Pubs** The author shares his own experiences with prostate cancer, from the first diagnosis of the disease, through treatment and its unpleasant side effects, to recovery and coping strategies **Daddy's Briefcase** Random House Incorporated Savannah is a young woman set

out to make a difference in the world. But she plans to do it alone. With no family to connect with and no man in her life, she is ready, willing and able to face the challenges life has to offer. She is fearless, or so she thinks. She has planned her life out carefully never realizing that the best plans are sometimes altered. This story is about her journey as her life's plan changes its course. The Glory of the Trenches Harper Collins Getting money,paying bills,finding your

"In this volume the  
attempt has been  
made to imperfectly  
supply the great  
desire to have  
something from  
Robert E. Lee's pen,  
by introducing, at  
the periods referred  
to, such extracts  
from his private  
letters as would be  
of great interest. He  
is thus made, for the

first time, to give his  
impressions and  
opinions on most of  
the great events with  
which he was so  
closely  
connected"--Preface

Designing Your  
Life Plan New  
Word City

David J. Keyser,  
Ph.D. \*\* Christian  
Theology \*\* This  
book is about the  
humanity of Jesus  
Christ. The  
Christian Church  
has neglected this  
important Christian  
truth for too long.  
An understanding  
of the humanity of  
Jesus has been  
sacrificed to our  
understanding of  
his divinity. He is  
indeed Divine. But  
it is a costly  
mistake to forget

about his humanity;  
it is here that we  
find our identity  
with Him. ISBN:  
9780615164557 --  
Dr. David J. Keyser  
has served as an  
international  
theology teacher and  
college adjunct  
faculty. His earned  
degrees include a  
B.S., an M.Div, an  
M.S., a Th.M., and a  
Ph.D. in Systematic  
Theology with a  
specialization in  
Pneumatology (the  
study of The Holy  
Spirit) from the  
University of Saint  
Andrews in  
Scotland,  
Presbyterianism's  
oldest University.  
His interests include  
the humanity of  
Christ, The Holy  
Spirit and Biblical  
fiction.

*General Lee* Horizon Publishers & Distributors A Rolls Royce Silver Cloud drove him to airports; the British film industry kowtowed to his power; the great Hollywood studios fawned at his feet. Sir Alexander Korda, one of the world's most flamboyant movie tycoons, rose from obscurity in rural Hungary to become a legendary filmmaker. With him were his brothers, Zoltan and Vincent, all living charmed lives in circles that included H. G. Wells, Sir Lawrence Olivier, Marlena Dietrich, Vivien Leigh, and Merle Oberon, who was soon to be Alex's wife. But along with Alex's flair for success was an equally powerful

impulse for destruction. Now, Vincent's son, Michael Korda, in the first book of his memoirs, recalls the enchanted figures of his childhood...the glory days of the Korda brothers' great films...and then their heartbreaking, tragic end.

And I Thought...

Createspace Independent Publishing Platform A man named Jesus, whom is considered the Christ by countless people around the world to this day, lost his life at the hands of barbarians while residing in Canaan, where he devoted his life to making those around him aware they had the

potential to become gods. Despite the accumulation of so many technological innovations over the past two millennium that were supposed to ease the daily hardship of people everywhere, so more time could be devoted to pursuits that cultivate the mind, evidence indicates that the size of the Homo-sapien brain, male and female alike, has persistently decreased over this passage of time. The pain, and suffering, endured by Jesus was supposed to serve as a wake up call to the savages in his midst, and the generations to follow, that they had much to learn about

---

what he means to be civilized, as we see amply evidence of to this very day.

*Don't go there. It's not safe. You'll die.*

Rose Garden Press

"Lifting my hand, I placed it on my breastbone and slid it towards my navel.

My mid-section felt numb. Pushing down, it was as if I tapped another person's toneless stomach.

White gauze held my empty abdomen tight. I had been eight months pregnant."

\*\*\* What if? What if you dreamed of having a beautiful child and in your mind you saw the life you'd share with that child. First steps, little league (or

ballet). Maybe the child would play piano or make you proud on the Honor Roll. There'd be eventual graduations, college, even marriage and grandchildren. You might dream it out that far. Or not. Every parent has hopes. No parents wish for pain—their own, or a child's. Then you had a premature delivery in a foreign country.

And the words swirling around you said a different kind of "what if." What if something was wrong? The dream was at risk—or so it seemed. Would you be ready for that? Could you make peace? Or would it take you down? These are the questions author Gillian Marchenko faced as she woke up after an

emergency C-section in Ukraine. Only her newborn child could answer them, in time. But first she had to find a way to hear more than the words "Down syndrome."

### Free Roll Life

#### Remotely

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make,

---

homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, Tough Call, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears

recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. Tough Call is an enjoyable and essential read for any and all facing a major decision. Sun Shine Down GIG PowHer Press Your complete guide for overlanding in Mexico and Central

America. This book provides detailed and up-to-date information by country. It also includes 11 chapters of information for planning and preparing your trip and 9 chapters on what to expect while driving through Mexico and Central America. Completed by the authors of LifeRemotely.com this is the most comprehensive guide for driving the Pan American yet! The Life and Times of Dan Haggerty - The Man Who Made Grizzly Adams Famous! BearManor Media In the beginning, there was wreckage. Dane Perry's mother was dead, and the father who always

---

said he'd amount to nothing blamed him. Dane swore he'd become something. He would be someone. In the middle, there was escape. Rebuilding his life from the ashes of his mother's memory, Dane found success as a respected surgeon, and love in the form of Craig Dahl, a talented artist who became his everything. But there was also darkness, lies, and a crumbling foundation just waiting for the ground to shift. In the end, there was a spectacular fall, illusions shattered, and for Dane, nothing more to lose. He was broken, damaged, and left with fierce demons. But from the bottom, the only way left is up. Dane renewed friendships

and salvaged his career. The only thing he cannot replace is Craig. But Dane has a plan. Brick by brick, his foundation is rebuilt, and all he needs is for Craig to listen one last time. In the beginning again, there's hope and tatters of love. Can Dane repair the damage with Craig? Can he rescue the only thing he amounted to that ever truly mattered? This book contains vivid descriptions of symptoms of PTSD and events that can cause anxiety. Reader discretion advised. *Man to Man* T S Poetry Press When you step back and look at your life, do you see an ever-widening gulf between where you are and where you

want to be? Do you feel stuck? Do you feel like your dreams are slowly slipping away? No matter where you are on your path, *Designing Your Life Plan* will jolt you out of the routines and ruts of your day to day, spurring you on to set a clear plan for your future—one that will take you places you never thought you could go. Luz Canino-Baker, your encouraging but firm guide on this journey, shows you how to build and carry out a Life Plan, offering pieces of her own history and the stories of others along the way. Stephen Colbert is far  
more than a  
comedian and improv  
genius. As head of  
his fanciful Colbert

Nation, the quick-  
witted host of  
Comedy Central's The  
Colbert Report has  
delighted fans with  
his wit, audacity, and  
innovative uses of  
language and the  
media. In this  
biography, award-  
winning journalist  
Bruce Watson, author  
of Jon Stewart:  
Beyond the Moments  
of Zen, charts  
Colbert's rise from  
boyhood tragedy to  
"greatest living  
cultural/media critic."

"It's about time a  
book came out about  
one of the most  
talented and beloved  
performers in the  
American theater.

Charlotte is the  
consummate actress,  
comedienne,  
entertainer. Her work

on stage and screen is  
always hilarious and  
somehow also gets  
you right in the gut.  
Her story is every bit  
as brilliant. Read it  
and smile." -Comedy  
Legend, Carl Reiner  
"To think of Charlotte  
Rae is to smile.  
Consequently, when I  
began to read "The  
Facts of My Life," I  
was unprepared for  
the emotional impact  
it would have on me.  
By the time I finished  
the first chapter,  
dealing as it does with  
her severely troubled  
son Andy, I was in  
tears. "As an old  
friend of Charlotte's, I  
thought I knew her  
fairly well. But as I  
read on, I discovered  
that the 'facts of her  
life' were constantly  
surprising (as well as  
amusing and  
engrossing)! There is  
so much that I don't  
know about Charlotte

---

and so much that I now want to know, when the book is finally completed and published, I'll be first in line to get my copy!" -Sheldon Harnick (Composer, Fiddler on the Roof) Charlotte Rae's career spans more than seventy years, from the golden age of television to Shakespeare in the Park, the New York Cabaret scene of the late 1940's and 50's to her hit series, The Facts of Life and well beyond. Off stage and screen, Charlotte's life has been one of joy and challenge, raising an autistic son, coming to terms with alcoholism, the heartache of a broken marriage, the revelation of a gay husband and the sudden challenge of facing middle-age with financial and emotional uncertainties-an crisis she ultimately turned into the determination that brought her stardom. The Facts of My Life is the first opportunity for Charlotte fans to explore the fascinating story of her extraordinary life: poignant and hilarious, a story of courage and triumph, one that speaks for a generation of women breaking barriers, taking on challenges, overcoming personal tragedy, and paving the way for others.
