[Don't Point That Thing at Me](#) Random House

Winner of the Fortnum and Mason Best Debut Drink Book Award 2017 From renowned booze correspondent Henry Jeffreys comes this rich and full-bodied history of Britain and the Empire, told through the improbable but true stories of how the world's favourite alcoholic drinks came to be. Read about how we owe the champagne we drink today to seventeenth-century methods for making sparkling cider; how madeira and India Pale Ale became legendary for their ability to withstand the long, hot journeys to Britain's burgeoning overseas territories; and why whisky became the familiar choice for weary empire builders who longed for home. Jeffreys traces the impact of alcohol on British culture and society: literature, science, philosophy and even religion have

reflections in the bottom of a glass. Filled to the brim with fascinating trivia and recommendations for how to enjoy these drinks today, you could even drink along as you read... So, raise your glass to the Empire of Booze!

Cocktail Time W. W. Norton & Company

Mike is leaving his private school to go to Wrykyn. His sisters hope that he will get into the school team his first year, although his brother Bob and Saunders, the pro, are sceptical. On the train down to Wrykyn, Mike is joined by a stranger; seeing the boy get off the train without his bag, Mike throws it out onto the platform, but the boy returns at the next stop. It turns out that the stranger is Firby-Smith, head of Wain's house, which Mike is to join. Cocktail Time Abrams

When young man about town Bertie Wooster, nursing a broken heart, agrees to help his old friend Peregrine Woody Beeching, whose own romance is failing, hilarity and chaos ensue as Jeeves, the very epitome of the modern manservant, steps in to save Bertie from himself. 100,000 first

printing.

ReadHowYouWant.com

"P. G. Wodehouse wrote the best English comic novels of the century." –Sebastian Faulks
Bertram Wooster's interminable banjolele playing has driven Jeeves, his otherwise steadfast gentleman's gentleman, to give notice. The foppish aristocrat cannot survive for long without his Shakespeare-quoting and problem-solving valet, however, and after a narrowly escaped forced marriage, a cottage fire, and a great butter theft, the celebrated literary odd couple are happy to return to the way things were.

Uncle Fred in the Springtime Barrie & Jenkins

What ho! A new Jeeves and Wooster novel that is "impossible to read without grinning idiotically" (Evening Standard), penned in homage to P.G. Wodehouse by bestselling author Ben Schott -- in which literature's favorite master and servant become spies for the English Crown. The misadventures of Bertie Wooster and his incomparable personal gentleman, Jeeves, have delighted audiences for nearly a century. Now bestselling author Ben Schott brings this odd couple back to life in a madcap new adventure full of the hijinks, entanglements, imbroglios, and Wodehousian wordplay that readers love. In this latest uproarious adventure, the Junior Ganymede Club (an association of England's finest butlers and valets) is revealed to be an elite arm of the British secret service. Jeeves must ferret out a Fascist spy embedded in the highest social circles, and only his hapless employer, Bertie, can help. Unfolding in the background are

school-chum capers, affairs of the heart, antics with aunts, and sartorial set-tos. Energized by Schott's effervescent prose, and fully authorized by the Wodehouse Estate, Jeeves and the King of Clubs is a delight for lifelong fans and the perfect introduction to two of fiction's most beloved comic characters. Indiscretions of Archie (EasyRead Large Bold Edition) Random House

'A splendid anthology' The Times No writer knew better than PG Wodehouse how a drink can lift the spirits - and he was a master at the high comic effects of having a few too many. Highballs for Breakfast is a handpicked selection of wit, wisdom and comic moments from Wodehouse's work that involve getting pickled or plastered, or lathered or sozzled, and getting in and out of all manner of scrapes. If some great writers dwelled on the darker side of drinking, Wodehouse was concerned with the pure pleasure to be had from 'the magic bottle' and getting outside of the contents of a tall glass. His imperishable writing displays a well-turned appreciation for all kinds of booze - cocktails, champagne, port, whiskey and brandy (with soda, of course); but also the humble pint, and even the infamous poteen. This sparkling collection captures Wodehouse at his best on being terribly thirsty, or drowning one's sorrows, or knocking one back for Dutch courage. It finds him celebrating the special atmospheres of the English country pub and the Manhattan barroom. And it shows him to be exceptionally good on hangovers, but equally so on hangover cures, such as the legendary pick-me-ups prepared for Bertie Wooster by the dependable Jeeves. For all lovers of a laugh and a drink, Highballs for Breakfast is a tonic, a bracer, and a tissue-restorer.

Bertie Wooster Sees it Through New Delhi : Arnold-Heinemann

When Bertie Wooster, a blundering, but well-meaning bachelor, returns home to London after spending time in the Canes with his aunt and cousin, he discovers that his valet, Jeeves,

has been advising an old friend on love. Gussie, Bertie's school friend, is head-over-heels in love with a young, whimsical lady named Madeline. Unsure what to do with his crush, Gussie turned to Jeeves in Bertie's absence, happy with the help he received. Bertie, however, becomes annoyed and jealous, paranoid that his friends may think that Jeeves is smarter than him. In an effort to prove himself superior, Bertie orders Jeeves not to offer any more advice. Instead, Bertie invites Gussie to a prestigious event at Brinkley Court to make a speech. Though Bertie was originally told by his aunt that he was expected to make the speech, Bertie was nervous to do so, and decided that it would be best for Gussie to do it. Then, Gussie could use the opportunity to win over Madeline, who would be at the event. However, Bertie's plan quickly becomes derailed after an effort to probe Madeline about her feelings results in a mistaken declaration of love. When Madeline declines what she assumed was Bertie's marriage proposal, she claims to have feelings for Gussie. Feeling that his goal was well on its way of being accomplished, Bertie spikes Gussie's drink in attempt to give his friend the courage to propose to Madeline. However, when Bertie's tactic makes Gussie a little too bold, the night unfolds into pure chaos, and Bertie must swallow his pride and ask for help. Right ho, Jeeves is P.G. Wodehouse's second novel featuring his famous characters, Bertie and Jeeves. Though its predecessor, Thank You, Jeeves was published prior to the novel. Right ho, Jeeves is able to be enjoyed independently. >Right ho, Jeeves is a narrative packed with humorous misunderstandings, well-intended mistakes, and pure hilarity. This edition of Right ho, Jeeves by P.G. Wodehouse is now presented in an easy-to-read font and features

an eye-catching cover design to accommodate modern readers.

Jeeves and the Wedding Bells W. W. Norton & Company

If Lord Ickenham had not succumbed to the temptation to dislodge the hat of Beefy Bastable, the irascible QC, with a well-aimed Brazil nut, the latter's famous legal mind might never have been stimulated to literature. But the incident provoked Beefy to write a novel so shocking it sparked off a whole series of outrageous misunderstandings.

Laughing Gas Random House

The definitive edition of the letters—many previously unpublished—of England's greatest comic writer. P. G. Wodehouse wrote some of the greatest comic masterpieces of all time. So, naturally, we find the same humor and wit in his letters. He offers hilarious accounts of living in England and France, the effects of prohibition, and how to deal with publishers. He even recounts cricket matches played while in a Nazi internment camp (Wodehouse wanted to show the stiff upper lip of the British in the toughest situations). Over the years, Wodehouse corresponded with relatives, friends, and some of the greatest figures of the twentieth century: Agatha Christie, Ira Gershwin, Evelyn Waugh, George Orwell, and Sir Arthur Conan Doyle. The letters are arranged chronologically with intersecting sections of biography written by Sophie Ratcliffe. This is the only book you will need to understand the man behind the characters.

Cocktail Time W. W. Norton & Company

A Jeeves and Wooster novel 'It's hard to single out one book as the entire Jeeves and Wooster collection is Bach Rescue Remedy in literary form, but this tale of romantic imbroglio is a priceless hoot... Every sentence is a perfectly wrought delight.' Independent At Deverill Hall, an idyllic Tudor manor in the picture-perfect village of King's Deverill,

impostors are in the air. The prime example is man-about-town Bertie Wooster, doing a good turn to Gussie Fink-Nottle by impersonating him while he enjoys fourteen days away from society after being caught taking an unscheduled dip in the fountains of Trafalgar Square. Bertie is of course one of nature's gentlemen, but the stakes are high: if all is revealed, there's a danger that Gussie's simpering fiancé Madeline may turn her wide eyes on Bertie instead. It's a brilliant plan - until Gussie himself turns up, imitating Bertram Wooster. After that, only the massive brain of Jeeves (himself in disguise) can set things right.

Young Men in Spats Random House

'A lifelong treat' Simon Garfield, Esquire A.P.G. Wodehouse novel Joey Cooley is a golden-curved child film star, the idol of American motherhood. Reginald, Third Earl of Havershot, is a boxing blue on a mission to save his wayward cousin from the fleshpots of Hollywood. Both are under anaesthetic at the dentists when something strange happens - and their identities are swapped in the ether. Suddenly Joey can use his six-foot frame to get his own back on his Hollywood persecutors. But Reggie has to endure everything Joey had to put up with in the horrible life of a child star - including kidnap. Laughing Gas is Wodehouse's brilliantly funny take on the 'If I were you' theme - a wry look at the dangers of getting what you wish for in the movie business and beyond.

Wodehouse Arrow

"Ukridge" by P. G. Wodehouse is a short story collection that follows the comedic character Stanley Featherstonehaugh Ukridge. In these ten stories, Ukridge goes through different situations and misadventures in life in a humorous way that earned the character instant popularity. Originally published in "Cosmopolitan Magazine", this book collects all the stories in one place.

Mike Harry N. Abrams

On the roof of the Sheridan Apartment House, near Washington Square, New York, is a "small bachelor apartment, penthouse style", and the small bachelor who owns it is amateur artist George Finch, who is rich due to an inheritance. He falls in love with Molly Waddington at first sight, but is too shy to approach her until he retrieves her dog. George's authoritative friend J. Hamilton Beamish, author of self-help books, is helping mild-mannered policeman Garroway become a poet. Garroway recognizes George's valet, Frederick Mullett, an ex-convict who served time for burglary, though Mullett is now reformed. Mullett is engaged to former pickpocket Fanny Welch, who is somewhat less reformed. Wodehouse ties all the disparate plot elements together in a romantic farce worthy of the Jeeves & Wooster tales.

Cocktail Time Little, Brown

This first ever, officially authorised biography of Fry & Laurie takes us on their journey from insecure Footlighters to international comedy heroes. It is the tale of a true friendship, a deep affection between two very funny men which has long been reflected back from an adoring public. Jem Roberts, acclaimed chronicler of Blackadder and The Hitchhiker's Guide to the Galaxy, covers everything from the excitement of being the first Perrier Award winners with The Cellar Tapes to the terrors of performing on Saturday Live, the collaborative warfare of Blackadder and the ultimate depiction of Wodehouse's most inimitable characters, Jeeves & Wooster. Beyond this, the trials and tribulations of their remarkable subsequent separate career paths, from QI to House, will be explored for the first time. With tantalising, never-before-seen titbits from the A Bit of Fry & Laurie archive, and interviews with Emma Thompson, Richard Curtis, John Lloyd and more, this history of Fry & Laurie is an overdue celebration, paying tribute to a legacy of laughter from one of the funniest double acts of

all time.

The Luck of the Bodkins Random House

A P.G. Wodehouse novel *Château Blissac*, on its hill above St Roque, is in a setting where every prospect pleases. But it doesn't please its current occupier, J. Wellington Gedge. Mr Gedge wants none of it - and particularly none of the domineering Mrs Gedge's imperious wish that he should become American Ambassador to Paris. Instead he pines for the simpler life of California, where men are men and filling stations stand tall. Mrs Gedge has powerful allies - including the prohibitionist Senator Opal. But will she get her way? And will the Senator's delightful daughter Jane get her man? In a plot which involves safe-blowers, con men, jewel-thieves and even a Bloomsbury novelist, few are quite as they seem. But the heady atmosphere of France in the 1930s makes for one of Wodehouse's most delightful comedies.

Very good, Jeeves! Random House

"[Blandings] is an entire world unto itself and, one senses, Wodehouse pours into it his deepest feelings for England." —Stephen Fry *The Honourable Galahad Threepwood* has decided to write his memoir—a tell-all that could destroy polite society. Everyone wants this manuscript gone, particularly Lord Emsworth's neighbor Sir Gregory Parsloe-Parsloe, who would do anything to keep the story of the prawns buried in the past. But the memoir isn't the only problem. A chorus girl disguised as an heiress, a double-dealing detective, a stolen prize-winning sow, and a crazy ex-secretary are only a few of the complications that must be dealt with before everyone can have their happy ending.

Empire of Booze Random House

"Wodehouse is the greatest comic writer ever."--Douglas Adams

Money for Nothing Random House

A classic novel about Uncle Fred, the Earl of Ickenham by P.G. Wodehouse, the great comic writer of the 20th century. Frederick, Earl of Ickenham, remains young at heart. So his jape of using a catapult to ping a silk top hat off his grumpy half-brother-in-law is nothing out of the ordinary - but the consequences abound with possibilities. 'A cavalcade of perfect joy.' - Caitlin Moran *Sunlit perfection...* Bask in its warmth and splendour. - Stephen Fry 'The best English comic novelist of the

century.' - Sebastian Faulks 'The greatest chronicler of a certain kind of Englishness' - Julian Fellowes

Cocktail Time Harry N. Abrams

Witty and effortlessly fluid. His books are laugh-out-loud funny. Arabella Weir Three sparkling volumes featuring that most effervescent of peers, Frederick, fifth Earl of Ickenham Perhaps it is due to the fact that his wife Jane keeps a watchful eye on him for much of the time, but when Lord Ickenham breaks free he becomes pure dynamite and bumps-a-daisy as billy-o. These three stories, Uncle Fred in the Springtime, Uncle Dynamite and Cocktail Time, will vouch for that. Foiling a plot to relieve Lord Emsworth of his beloved prize pig, the Empress; arranging a little match-making for his love-lorn nephew Pongo Twistleton; knocking off Sir Raymond Bastable's topper with a Brazil nut: there really are, as Uncle Fred himself admits, no limits, literally none, to what I can accomplish in the springtime.

The Girl in Blue Unbound Publishing

" [Blandings] is an entire world unto itself and, one senses, Wodehouse pours into it his deepest feelings for England. " —Stephen Fry The final Uncle Fred novel marks his return to Blandings Castle to relieve Lord Emsworth's woes: a nagging secretary, prankster Church Lads, and a plot to thief his prize-winning sow. Uncle Fred must serve up his brand of sweetness and light to ensure that everything turns out very capital indeed.
