Codex Chaos Space Marines

The most mysterious of Space Marines make their presence felt as the Excoriators battle an overwhelming tide of Khorne daemonkin - but are they saviours or harbingers of doom? Following the trajectory of a blood-red comet, the berserk World Eaters blaze a path of destruction across the galaxy in its wake. The small cemetery world of Certus Minor appeals to the Space Marines of the Excoriators Chapter for protection, but the force dispatched to deal with this grim

threat is far too small and their losses against the renegades are high. Just as all seems lost, salvation is borne out of legend itself as sinister spectral warriors descend upon this planet of the dead, and the enemies of the Imperium come face to face with those who have already travelled beyond the realm of the living...

*Hordes of Chaos*

The latest Space Marines Battles novel After decades spent in the service of the Chaos god Slaanesh, the ruling classes of the Contqual sub-sector have finally brought true damnation upon their people - innumerable hordes of foul and lascivious daemons swarm from a tear in the fabric of reality to embrace their mortal pawns and drive them on to ever more depraved acts of worship. It falls to the Space Marines of the Iron Hands Chapter, wrathful and

---

merciless, to cleanse these worlds of the warp's unholy taint, and it is upon the surface of Shardenus that the fate of a billion lost souls will be decided.
