### Cornish Worthies Flirt

Around the world, murderers and rapists pick off the innocent. Killing loved ones, separating families, and ruining lives. As an eight-year-old girl, Ocean witnessed her family's massacre and something altered inside her. Twisting her genetic code... unlocking an ability to teleport. Ocean Breeze was never destined to be normal, especially having been named after air-freshener. She's a shadow, a ghost—a dark saviour of the innocent. Armed with a switchblade in her bra, and a box-cutter in her pocket, she hunts the filth of the world. Callan Bliss is a Sydney police officer whose skill-set is far above that of a normal cop. All his fellow officers see is a hard worker who loves to catch perpetrators and surf, but that's because they don't know about his past. When Callan arrests a suspicious-looking prostitute, he comes face-to-face with a self-confessed vigilante, and suddenly, his secrets aren't so easy to keep silent. Ocean hates the police with a passion, and has no intention of being held

captive by a cop, even if he is sexy as hell.

Teleporting from under his nose, Ocean hunts her next target—a man responsible for the largest sex ring in South Africa—and now he's about to die. But she doesn't count on Callan giving chase, nor the body-quaking lust that consumes them. However, Ocean's dark hobbies take precedence over what her heart wants—her thirst for murdering is killing her too, and not even Callan can save her.

### Coffee and Cockpits Penguin

Critically acclaimed author Nina Varela delivers a stunning sequel to the richly imagined queer epic fantasy *Crier's War*, which *SLJ* called “perfect for fans of Sarah J. Maas's *Throne of Glass*.” For too long, Automae have lorded over the kingdom of Rabu, oppressing its human citizens. But the human revolution has risen, and at its heart is Ayla. Once a handmaiden, now a fugitive, Ayla narrowly escaped the palace of Lady Crier, the girl she would've killed if she hadn't fallen in love first. Now Ayla has pledged her allegiance to Queen Junn, who can help accomplish the human rebellion's ultimate goal: destroy the Iron

---

Heart. Without its power, the Automae will be weakened to the point of extinction. Ayla wants to succeed, but can't shake the strong feelings she's developed for Crier. And unbeknownst to her, Crier has also fled the palace, taking up among traveling rebels, determined to find and protect Ayla. Even as their paths collide, nothing can prepare them for the dark secret underlying the Iron Heart.

Is Paris Burning?. University Press of Kentucky

The most comprehensive Yup'ik dictionary in existence, the second edition of this important work now adds extensive research on Central Alaskan Yup'ik, enhancing the forty years of research done by Steven A. Jacobson on the Yup'ik language and dialects. Over these decades, Jacobson has combed through records of explorers, linguists, missionaries, and anyone who has come in contact with the actively migratory Yup'ik people. Combined with information from native Yup'ik speakers, that research has led to a richly detailed dictionary that covers the entire language and all its dialects. The dictionary also offers sections on Yup'ik spelling, early vocabulary, demonstrative words, and important intersections of Yup'ik language and culture such as the kayak, dogsled, parka, and old-style

dwelling.

*South Pacific Diary, 1942-1943* Pearson Education India

An addictive fantasy-romance set in modern-day Seoul. Eighteen-year-old Gu Miyoung has a secret--she's a gumiho, a nine-tailed fox who must devour the energy of men in order to survive. Because so few believe in the old tales anymore, and with so many evil men no one will miss, the modern city of Seoul is the perfect place to hide and hunt. But after feeding one full moon, Miyoung crosses paths with Jihoon, a human boy, being attacked by a goblin deep in the forest. Against her better judgment, she violates the rules of survival to rescue the boy, losing her fox bead--her gumiho soul--in the process. Jihoon knows Miyoung is more than just a beautiful girl--he saw her nine tails the night she saved his life. His grandmother used to tell him stories of the gumiho, of their power and the danger they pose to men. He's drawn to her anyway. When he finds her fox bead, he does not realize he holds her life in his hands. With murderous forces lurking in the background, Miyoung and Jihoon develop a tenuous friendship that blossoms into something more. But when a young shaman tries to reunite Miyoung with her bead, the consequences are disastrous and reignite a generations-old feud . . . forcing Miyoung to choose between her immortal life and Jihoon's.

*Piece of Cake* Macmillan

With her fresh, charming, and hilarious take on contemporary romance, Cassie Mae introduces readers to a soon-to-be college freshman who's cashing in on her sweet reputation—and the unlikely guy who turns her life upside-down. In the wealthy town of Sundale, Kelli Pinkins has hatched the perfect plan to capitalize on her sweet reputation. For a generous fee, she will be every trust-fund baby's dream: a Friday-night alibi, the "girlfriend" or "BFF" that parents dream about. With college approaching in the fall, Kelli's services are in demand more

---

than ever, which means that her social life is nonexistent. But Kelli is A-okay with that. She's raking in cash for school. Besides, relationships are tricky, and sometimes very messy. She'd rather be at home on Xbox LIVE, anyway. Then the unexpected happens: She meets college stud Chase Maroney. Chase isn't like the preppy, privileged guys Kelli usually meets in Sundale. For starters, he's twentysomething, always wears black, and he shoots back one-liners as fast as she can dish them out. But Kelli's attempts to drive Chase away falter when she realizes that he treats her like he really knows her, like he cares about knowing her. When Kelli finally gives in to the delicious kiss she's been fighting for so long, she faces a tough decision: make Chase a real-life boyfriend and risk her heart . . . or keep her clients and lose her first true love. Praise for *Friday Night Alibi* "[A] very cool story."—*Writing Through Rose Tinted Glasses* "This was a great beach read and I love Chase and Kels!"—*Paranormal Wastelands* "Cassie Mae's writing is fresh and original, making for an utterly enjoyable read with plenty of laugh-out-loud moments. You'll be nose to toes in love with this book!"—*Rachel Morgan*, author of the *Creepy Hollow* series "[Friday Night Alibi is] a funny story and well worth the read. If you're looking for something that is quick and light-hearted then I would recommend this to you."—*Sharon's Book Nook* "Cassie Mae knows how to write, and write she does! You definitely do not want to miss *Friday Night Alibi*!"—*Le Book Squirrel* (five stars) "*Friday Night Alibi* was a brilliant, lovely summer read. It was lighthearted, funny, and so sweet. . . . My rating: 5 Roses."—*Imagine a World* "Totally entertaining with as many swoon-worthy moments as hilarious ones, *Friday Night Alibi* is a must-read."—*Jolene Perry*, co-author of *Out of Play* "A fun, funny, and fantastic story, this is one you will read in a day, and pick up to re-read again the next."—*Kelley Lynn*, author of *Fraction of Stone* "I loved this book. Chase had

me right away, from his first smart-ass comment. He's got a sharp wit that I adore but is also sweet and caring . . . definitely one of my favorite book boys!"—*Rachel Schieffelbein*, author of *Secondary Characters* "Cassie Mae is a fabulous author who tugs on your heart strings as if she owns them. I will never be able to eat an orange again without thinking about Chase. Loved everything about this book!"—*Jade Hart*, author of *Coffee and Cockpits*

### **The Luck of Barry Lyndon** Duke University Press

The sequel to the New York Times bestselling epic *Dread Nation* is an unforgettable journey of revenge and salvation across a divided America. After the fall of Summerland, Jane McKeene hoped her life would get simpler: Get out of town, stay alive, and head west to California to find her mother. But nothing is easy when you're a girl trained in putting down the restless dead, and a devastating loss on the road to a protected village called Nicodemus has Jane questioning everything she thought she knew about surviving in 1880s America. What's more, this safe haven is not what it appears—as Jane discovers when she sees familiar faces from Summerland amid this new society. Caught between mysteries and lies, the undead, and her own inner demons, Jane soon finds herself on a dark path of blood and violence that threatens to consume her. But she won't be in it alone. Katherine Deveraux never expected to be allied with Jane McKeene. But after the hell she has endured, she knows friends are hard to come by—and that Jane needs her too, whether Jane wants to admit it or not. Watching Jane's back, however, is more than she bargained for, and when they both reach a breaking point, it's up to Katherine to keep hope alive—even as she begins to

fear that there is no happily-ever-after for girls like her.

**Advanced Grammar & Vocabulary BoD – Books on Demand**

A unique chronicle of the war from the perspective of a sensitive twenty-four-year-old sergeant who wrote for the Army's in-house paper, *Yank*, the *Army Weekly* and a tale of the South Pacific that will not soon be forgotten. Correspondent Mack Morriss reluctantly left his diary in the Honolulu *Yank* office in July 1943. "Here is contained an account of the past eight and one-half months," he wrote in his last entry, "a period which I shall never forget." The next morning he was on a plane headed back to the South Pacific and the New Georgia battleground. Morriss was working out of the press camp at Spa, Belgium, in January 1945, when he learned that the diary he had kept in the South Pacific had arrived in a plain brown wrapper at the New York office. He was so happy "to know that this impossible thing had happened," he wrote to his wife, that he helped two friends "murder a quart of scotch." What was preserved and appears in print here for the first time is a unique chronicle of the war in the South Pacific from the perspective of a sensitive twenty-four-year-old sergeant. This is an intensely personal account, reporting the war from the ridge known as the Sea Horse on Guadalcanal, from the bars and dance halls of Auckland to a B-17 flying through the moonlit night to bomb Japanese installations on Bougainville. Morriss thought deeply and wrote movingly about everything connected with the war: the sordiness and heroism, the competence and ineptitude of leaders, the strange mixture of constant complaint and steady courage of ordinary GIs, friendships formed under combat stress, and, above all, what he perceived to be his own indecisiveness and weaknesses. Ronnie Day introduces Morriss's diary and illuminates the work with extensive notes based on private papers, government documents, travel in the Solomon Islands, and the recollections of men mentioned in the diary.

"To guarantee students have a working knowledge of appropriate vocabulary before entering secondary school, educators need to establish an effective vocabulary program in their schools and classrooms. In *Teaching Basic, Advanced, and Academic Vocabulary: A Comprehensive Framework for Elementary Instruction*, author Robert J. Marzano provides elementary educators with a comprehensive framework for vocabulary instruction. Marzano defines three different tiers of vocabulary terms: (1) Tier 1 terms are those words that are frequently used in the English language, (2) Tier 2 terms appear less frequently, and (3)

---

Tier 3 terms are specific to grade level and subject area. By organizing these terms into semantic clusters and subject areas, Marzano creates a powerful and unique approach to ensuring students build their vocabulary. By reading this book, K-5 teachers will obtain the tools and strategies needed to construct a solid foundation for literacy development in their classrooms"--

*Social Life in the Reign of Queen Anne*  
MacLehose Press

In *Metroimperial Intimacies* Victor Román Mendoza combines historical, literary, and archival analysis with queer-of-color critique to show how U.S. imperial incursions into the Philippines enabled the growth of unprecedented social and sexual intimacies between native Philippine and U.S. subjects. The real and imagined intimacies—whether expressed through friendship, love, or eroticism—threatened U.S. gender and sexuality norms. To codify U.S. heteronormative behavior, the colonial government prohibited anything loosely defined as perverse, which along with popular representations of Filipinos, regulated colonial subjects and depicted them as sexually available, diseased, and degenerate. Mendoza analyzes laws, military records, the writing of Philippine students in the United States, and popular representations of Philippine colonial subjects to show how their lives, bodies, and desires became the very battleground for the consolidation of repressive legal, economic, and political institutions and practices of the U.S. colonial state. By highlighting the importance of racial and gendered violence in maintaining control at home and abroad, Mendoza demonstrates that studies of U.S. sexuality must take into account the reach and impact of U.S.

imperialism.

Deathless Divide University of Hawaii Press

This major new work about World War II exposes the myths of military heroism as shallow and inadequate. "Tears in the Darkness" makes clear, with great literary and human power, that war causes suffering for people on all sides.

**English Compound Words and Phrases**

Can you find real love when you've always got your head in the clouds? Maybell Parish has always been a dreamer and a hopeless romantic. But living in her own world has long been preferable to dealing with the disappointments of real life. So when Maybell inherits a charming house in the Smokies from her Great-Aunt Violet, she seizes the opportunity to make a fresh start. Yet when she arrives, it seems her troubles have only just begun. Not only is the house falling apart around her, but she isn't the only inheritor: she has to share everything with Wesley Koehler, the groundskeeper who's as grouchy as he is gorgeous--and it turns out he has a very different vision for the property's future. Convincing the taciturn Wesley to stop avoiding her and compromise is a task more formidable than the other dying wishes Great-Aunt Violet left behind. But when Maybell uncovers something unexpectedly sweet beneath Wesley's scowls, and as the two slowly begin to let their guard down, they might learn that sometimes the smallest steps outside one's comfort zone can lead to the greatest rewards.

Wicked Fox BoD – Books on Demand

*After Confucius* is a collection of eight studies of Chinese philosophy from the time of Confucius to the formation of the empire in the second and third centuries B.C.E. As detailed in a masterful introduction, each essay serves as a concrete example of "thick description"—an approach invented by philosopher Gilbert Ryle—which aims to reveal the logic that informs an observable exchange among members of a community or society. To grasp the significance of such

---

exchanges, it is necessary to investigate the networks of meaning on which they rely. Paul R. Goldin argues that the character of ancient Chinese philosophy can be appreciated only if we recognize the cultural codes underlying the circulation of ideas in that world. Thick description is the best preliminary method to determine how Chinese thinkers conceived of their own enterprise. Who were the ancient Chinese philosophers? What was their intended audience? What were they arguing about? How did they respond to earlier thinkers, and to each other? Why did those in power wish to hear from them, and what did they claim to offer in return for patronage? Goldin addresses these questions as he looks at several topics, including rhetorical conventions of Chinese philosophical literature; the value of recently excavated manuscripts for the interpretation of the more familiar, received literature; and the duty of translators to convey the world of concerns of the original texts. Each of the cases investigated in this wide-ranging volume exemplifies the central conviction behind Goldin's plea for thick description: We do not do justice to classical Chinese philosophy unless we engage squarely the complex and ancient culture that engendered it.
