The Story of Liberty Rowman & Littlefield

As I Lay Dying is Faulkner's harrowing account of the Bundren family's odyssey across the Mississippi countryside to bury Addie, their wife and mother. As they carry Addie in a homemade coffin, pulled along by a team of mules, the Bundrens are haunted by greed and fear—their journey both mocks and confirms our humanity. Their story is told in turn by each of the family members—including Addie herself—as well as those they encounter on their way. This fractured viewpoint epitomizes Faulkner's visceral modernist style, as the varied voices reveal secrets, expose desires, and

bring back the dead. A benchmark achievement and one of the most influential novels in American fiction, As I Lay Dying not only endures but prevails. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. The Contraception Deception: Catholic Teaching on Birth Control by author Patrick Coffin is a comprehensive assessment of the Church's sexual ethic. In this expanded revised edition of Sex Au Naturel: What It is and Why It's Good for Your Marriage, Coffin demonstrates how the rejection of Humanae Vitae impacts more than just our national birthrates. With relevant insight into the development and reception of Paul VI's landmark 1968 encyclical, Coffin explains why Humanae Vitae is more timely than ever. In The Contraception Deception, you'll learn where exactly the Bible teaches against birth control, the differences between contraception and natural family planning (hint: they're more profound than you think), why other

reproductive technologies fall short of God's vision for marriage and family, and—most importantly—how to rely on the ever-present grace of God rather than your own strength in faithfully following this challenging, life-giving aspect of Christian discipleship.

A Reference Grammar of Modern Hebrew Creative Publishing International

Award-winning jazz educator Caleb Chapman and multiple GRAMMY(R) Award-winning saxophonist Jeff Coffin have created a highly effective approach to jazz articulation. Step by step, The Articulate Jazz Musician details Caleb's proven approach for mastering the fundamentals of jazz articulation, phrasing, and interpretation. The play-along tracks are designed for C, B flat, E flat, and bass clef instruments. Rhythm section instruments can use the play-along tracks as a "how to play it" reference. The tracks feature a world-class quartet of Jeff Coffin (tenor saxophone), Victor Wooten (bass), Roy "Futureman" Wooten (drums), and Chris Walters (piano). This method makes approaching jazz articulation easy and fun. Follow the explanations, do lots of listening, play along, practice what you have heard, and before long, you too will be an articulate jazz

musician!

Features step-by-step instructions for all aspects of making men's and women's shirts, covering the shirtmaker's tools, material, basic patterns, fitting, collars and cuffs, pockets, sewing techniques, and variations of the basic shirt

[Peruvian Shamanic Wisdom for Everyday Life](#) Scarecrow Press

Do you long to get a perfect fit when sewing your own shirts and blouses? In Sewing Shirts with a Perfect Fit, author, teacher, and shirt-sewing expert David Page Coffin shows how you can easily transform the patterns included with the book into three different customized basic shirt silhouettes. Learn to work with any body shape for men or women to achieve unique, personalized, and well-fitted basic shirt patterns for yourself or anyone else. The book includes detailed explanations of essential techniques; clear, step-by-step photos; and basic patterns for sizes XXXS to XXXL that are included in a pocket behind the front cover. Discover unique fitting options for shirts and learn how to drape

fabrics to create a wrinkle-free garment. With these techniques, you'll understand how to get a great fit with almost no measuring for any and all body types, including plus-size and athletic figures. Using his couture-inspired draping methods on both standard and custom-shaped body forms (with great tips on how to make your own form), David then demonstrates how to adjust shoulder and side seams, necklines, sleeves, and armholes, and add darts or new seams to achieve the fit you want for each silhouette: loose, fitted, or tight. Once you've covered the fundamental concepts and techniques, put your knowledge into practice with the four distinctive, original step-by-step shirt design and construction projects. These projects offer a variety of classic shirt, shirt-jacket, and dress shirt styles you can make and perfectly fit with the included patterns. In this book you'll also learn: Correct ways to drape patterns in different fabrics for a great fit. How to make a denim Western shirt with sleeve plackets and snaps. Construction tips that will make your garments look more professional. How to create a fitted wrapped

shirt dress that can be any length. Ways to position and reshape a yoke. Sewing Shirts with a Perfect Fit will give you the skills you need to get the right fit every time!

The Contraception Deception: Catholic Teaching on Birth Control Linworth Publishing, Incorporated

Fanny McCoy has lived in fear and anger ever since that day in 1878 when a dispute with the Hatfields over the ownership of a few pigs set her family on a path of hatred and revenge. From that day forward, along the ragged ridges of the West Virginia-Kentucky line, the Hatfields and the McCoy's have operated not within the law but within mountain codes of their own making. In 1882, when Fanny's sister Roseanna runs off with young Johnse Hatfield, the hatred between the two clans explodes. As the killings, abductions, raids, and heartbreak escalate bitterly and senselessly, Fanny, the sole voice of reason, realizes that she is powerless to stop the fighting and must learn to rise above the petty natures of her family and neighbors to find her own way out of the hatred.

Home Rowman & Littlefield

When night falls, and all is quiet, a slave girl starts to run. She follows the moon into the woods, leading her loved ones away from their master.

There's only one place where he might not find them, and

it's under the quilt of night.

Guided by the stars, they head north in the direction of freedom. At last, the girl sees a quilt -- the quilt with a center square made from deep blue fabric -- and knows it's a signal from friends on the

Underground Railroad, welcoming her into their home. And so she steps forward... Deborah Hopkinson and James E. Ransome team up again, in this stunning companion to *Sweet Clara and the Freedom Quilt*. Ransome's rich, powerful illustrations elicit all the emotion and suspense of Hopkinson's words, in a story that's sure to make your heart race and leave you breathless. *Sound School Finance for Educational Excellence* Knopf Canada

In Clues in the Calico Barbara Brackman unveils a much-needed system for dating America's heirloom quilts. She tells how, by collecting and observing quilts and finally analyzing her computer file on close to 900 date-inscribed specimens, she arrived at the system. And through this telling she also imparts a colorful, stunningly illustrated history of quilting along with a good bit of entertaining social history and the newest findings in textile research.
