CBT Therapy for Borderline Personality Disorder, ABCT

For the average clinician, individuals with borderline personality disorder (BPD) often represent the most challenging, seemingly insoluble cases. This volume is the authoritative presentation of dialectical behavior therapy (DBT), Marsha M. Linehan's comprehensive, integrated approach to treating individuals with BPD. **Marsha M. Linehan - Wikipedia**  
Dialectical behavioral therapy is recommended as a first-line treatment for borderline personality disorder and has been shown to reduce the need for medical care and medications by as much as 90%. It's interesting to note that some cognitive-behavioral therapists incorporate certain elements of the DBT model into their treatment sessions.
