Finalist for the National Book Award: Thirty-six stories by O. Henry Award-winning novelist Hortense Calisher The Collected Stories of Hortense Calisher gathers short pieces that chart the author's best-loved themes of mindful consciousness and social worlds. This collection includes one of her well-known New Yorker stories, "In Greenwich There Are Many Gravelled Walks," in which a young man drops his mother off at a sanitarium and acquires a new friend who finally awakens him to the world. Also included are "The Sound of Waiting," one of the chapters in the Elkin family saga; the chilling, Jamesian "The Scream on Fifty-seventh Street," in which a New York widow hears a scream late one night but cannot decide how to investigate without appearing to her neighbors to have gone mad; and the nearly novella-length "The Summer Rebellion."

Five of Saul Bellow's most moving, richly textured, and exquisitely plotted short stories make up this volume, each providing a history of personality and self-awakening. The title story, "Him with His Foot in His Mouth," follows a musicologist narrator who for years has scattered wounding witticisms "from the depths of my nature, that hoard of strange formulations." As the story unfolds he tries to discover what led him into a "deep legal-financial hole," while he awaits extradition from a refuge in British Columbia. "What Kind of Day Did You Have?" follows a divorced suburban woman and her lovers—would-be and actual—through a frantic day in their lives. Their needs and passions, as well as their comic conflicts, are matters of life and death. In "Zetland: By a Character Witness" and in "A Silver Dish," Bellow returns, with his unequalled command of eloquent recollected detail, to a bygone Chicago, "Zetland" is a brilliant portrait of an artist as a young boy and a man, precocious and eccentric; "A Silver Dish" is a memorable story of a raffish, willful father and his affectionate son. "Cousins," the final story in the volume, explores the mysteries of family feeling—mysteries that defy both logic and the worthiness of their objects, as Ijeh Brodsky, successful in the larger world, is drawn into an encounter with criminal and naively idealistic forces. This collection represents a turning point in the bountiful career of Saul Bellow, a felicitous rendering of the human condition in all its absurd complexity.

Saul Bellow is one of the twentieth century's most influential, respected, and honored writers. His novels *The Adventures of Augie March*, *Herzog*, and *Mr. Sammler's Planet* won the National Book Award, and *Humboldt's Gift* was awarded the 1976 Pulitzer Prize for fiction. In addition, his plays garnered popular and critical acclaim, and some were produced on Broadway. Known for his insights into life in a post-Holocaust world, Bellow's explorations of modernity, Jewish identity, and the relationship between art and society have resonated with his readers, but because his writing is not overtly political, his politics have largely been ignored. A *Political Companion to Saul Bellow* examines the author's novels, essays, short stories, and letters in order to illuminate his evolution from liberal to neoconservative. It investigates Bellow's exploration of the United States as a democratic system, the religious and ideological influences on his work, and his views on race relations, religious identity, and multiculturalism in the academy. Featuring a fascinating conclusion that draws from

interviews with Bellow's sons, this accessible companion is an excellent resource for understanding the political thought of one of America's most acclaimed writers.

"The work of a great master still locked in unequal combat with Eros and Time." – The New York Times Book Review A Penguin Classic In this dazzling work of fiction, Nobel Laureate Saul Bellow writes comically and wisely about the tenacious claims of first love. Harry Trellman, an aging, astute businessman, has never belonged anywhere and is as awkward in his human attachments as he is gifted in observing the people around him. But Harry's observational talents have not gone unnoticed by "trillionaire" Sigmund Adletsky, who retains Harry as his advisor. Soon the old man discovers Harry's intense forty-year passion for a twice-divorced interior designer, Amy Wustrin. At the exhumation and reburial of her husband, Harry is provided, thanks to Sigmund, perhaps the final means for disclosing feelings amassed over a lifetime. Written late in Bellow's career, *The Actual* is a maestro's dissection of the affairs of the heart. This Penguin Classics edition contains an introduction by Joseph O'Neill. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. The Fixer is the winner of the 1967 National Book Award for Fiction and the 1967 Pulitzer Prize for Fiction. *The Fixer* (1966) is Bernard Malamud's best-known and most acclaimed novel -- one that makes manifest his roots in Russian fiction, especially that of Isaac Babel. Set in Kiev in 1911 during a period of heightened anti-Semitism, the novel tells the story of Yakov Bok, a Jewish handyman blamed for the brutal murder of a young Russian boy. Bok leaves his village to try his luck in Kiev, and after denying his Jewish identity, finds himself working for a member of the anti-Semitic Black Hundreds Society. When the boy is found nearly drained of blood in a cave, the Black Hundreds accuse the Jews of ritual murder. Arrested and imprisoned, Bok refuses to confess to a crime that he did not commit.

In *More Die of Heartbreak*, our erratic narrator explains to his audience that he must abandon Paris for the Midwest. Of course, Kenneth merely wants to be closer to his beloved uncle, the world-famous botanist Benn Crader, to receive the older man's worldly wisdom. The mercurial Benn, however, struggles to put down roots himself, constantly departing for the forests of India, the mountains of China, the jungles of Brazil, or even the Antarctic. Why does he travel so much? Submerging himself in botanical studies seem insufficient, and he hunts relentlessly for more carnal satisfaction. *More Die of Heartbreak* has all the humor of a French farce, and all the brooding darkness of a Hitchcock film. From this tragicomedy Bellow unravels a brilliant and sinister examination of contemporary sexuality, asking why even the most noble pursuits often end in mundane disillusionment.

"This age is full of fearful abysses. If people are to go ahead they must move and into and through these abysses. The old definitions of balance and sanity do not help on this journey, but the ideals these terms gesture at remain, even though they require fresh definition. Love still counts, justice still counts, and particularly intellectual and emotional courage still count. This book reserves its sharpest criticism for those people...who try to cope homeopathically with the threat of violence under which we all live by cultivating an analogous, imaginative violence or intemperate despair." -Books of the Century; New York Times review, September 1964

Who is Mr. Sammler? A Jewish intellectual educated in Western philosophy, a one-eyed Holocaust survivor, the future author of the greatest biography ever written of H.G. Wells ... or merely the trusted confidant of countless eccentric New Yorkers, a "registrar of follies"? Through the chaotic streets of the Upper West Side old Artur Sammler paces, meditating on the human condition; attentive to everything and appalled by nothing; haunted by his past, present, and future. His world seems on the brink of apocalypse; both the recent moon landing and the death of his beloved benefactor have him furiously speculating on the end. With his inimitable tragicomic mastery Saul Bellow delves once again, and the reader with him, into a contemporary and chaotic universe in which the most profound reflections on the meaning of life mingle with the absurd, histrionic, endless minutiae of the every day.

[John Cheever: Collected Stories and Other Writings \(LOA #188\)](#) Odyssey Editions

When this second volume of *The Life of Saul Bellow* opens, Bellow, at forty-nine, is at the pinnacle of American letters - rich, famous, critically acclaimed. The expected trajectory is one of decline: volume 1, rise; volume 2, fall. Bellow never fell, producing some of his greatest fiction (*Mr Sammler's Planet*, *Humboldt's Gift*, all his best stories), winning two more National Book Awards, a Pulitzer Prize, and the Nobel Prize. At eighty, he wrote his last story; at eighty-five, he wrote *Ravelstein*. In this volume, his life away from the desk, including his love life, is if anything more dramatic than in volume 1. In the public sphere, he is embroiled in controversy over foreign affairs, race, religion,

education, social policy, the state of culture, the fate of the novel. Bellow's relations with women were often fraught. In the 1960s he was compulsively promiscuous (even as he inveighed against sexual liberation). The women he pursued, the ones he married and those with whom he had affairs, were intelligent, attractive and strong-willed. At eighty-five he fathered his fourth child, a daughter, with his fifth wife. His three sons, whom he loved, could be as volatile as he was, and their relations with their father were often troubled. Although an early and engaged supporter of civil rights, in the second half of his life Bellow was angered by the excesses of Black Power. An opponent of cultural relativism, he exercised great influence in literary and intellectual circles, advising a host of institutes and foundations, helping those he approved of, hindering those of whom he disapproved. In making his case, he could be cutting and rude; he could also be charming, loyal, and funny. Bellow's heroic energy and will are clear to the very end of his life. His immense achievement and its cost, to himself and others, are also clear.

The Bellarosa Connection Penguin

Abe Ravelstein is a brilliant professor at a prominent midwestern university and a man who glories in training the movers and shakers of the political world. He has lived grandly and ferociously-and much beyond his means. His close friend Chick has suggested that he put forth a book of his convictions about the ideas which sustain humankind, or kill it, and much to Ravelstein's own surprise, he does and becomes a millionaire. Ravelstein suggests in turn that Chick write a memoir or a life of him, and during the course of a celebratory trip to Paris the two share thoughts on mortality, philosophy and history, loves and friends, old and new, and vaudeville routines from the remote past. The mood turns more somber once they have returned to the Midwest and Ravelstein succumbs to AIDS and Chick himself nearly dies. Deeply insightful and always moving, Saul Bellow's new novel is a journey through love and memory. It is brave, dark, and bleakly funny: an elegy to friendship and to lives well (or badly) lived.

It's sweltering summer in New York City, and Asa Leventhal is alone. His co-workers ignore or condescend to him, his wife is away with her mother, and his estranged brother has run off, abandoning his wife and two sons. One night, Leventhal is confronted by a stranger--'one of those guys who want you to think they can see to the bottom of your soul'--who reveals himself to be a marginal figure from his distant past. Leventhal, accused of ruining the man's life, becomes shocked and dismissive, vehemently denying any part in the man's unhappy lot. But as time passes, he is increasingly unable to separate his own good fortune from the bad luck of this down-and-out stranger, who will not leave him be. A brief, haunting rumination on the vagaries of fate and responsibility, The Victim is, in the words of Norman Rush, Saul Bellow's "purest creation."
