9780393327151: College Girls: Bluestockings, Sex Kittens ...
Synopsis. Lynn Peril takes on a twentieth-century American icon: the college girl. The dual vision of

the American archetype - a geek in glasses or a sex kitten in a teddy - was born when the age-old conflict over educating women was laid to rest. College was a place where women found self-esteem and yet images in popular culture reflected a lingering distrust of the educated woman. College Girls - The Atlantic
Author Lynn Peril examines the history of women obtaining college degrees in deft detail in "College Girls: Bluestockings, sex kittens, and coeds, then and now.". Peril is so thorough I can hardly believe it. The book follows a roughly linear timeline, from the colonial era until Peril's present (roughly 2003.)

College Girls: Bluestockings, Sex Kittens, and Co-eds, Then and Now, by Lynn Peril.

Despite being a first-generation college student, college has always been on my radar, a privilege and goal taken totally for granted. It never seriously occurred to me that 250 years ago, a female college student was a real anomaly; that one hundred years ago ...
