Nothing in life is ever easy, and no one is more painfully aware of that than Josiah Evans, Mateo Sanchez, and Tristan Croft. They know what they want-each other-but with three people as broken as they are, all those pieces aren't so easily mended. Josiah is their glue. All he wants is to give his men what they need. Mateo wants to absolve himself of his sins. To be worthy of love and to protect it. Tristan must let go of his past, must learn how to need, and what it really means to take care of someone. To keep the balance intact, they all have their roles to play. But what happens if the balance shifts? What happens when someone doesn't play the right part? If one of them falters, they all feel the strain. The only way to complete their full circle is for all their pieces, despite the curves and rough edges, to fit together perfectly. To do that, Josiah, Mateo, and Tristan must learn to get over the pasts that have defined who they are. And when an old enemy returns and threatens the foundation of their new life, decisions will be made, and boundaries will be tested that could change their lives forever.

Miles Sorenson prides himself on his brutal honesty. Facts and logic are a hell of a lot easier to deal with than emotions. He's got his career and a small, close-knit group of friends, and he doesn't need nor want anything else. The total opposite of Quinn Barker, who doesn't take life too seriously and thinks a good laugh can cure anything. When Quinn takes Miles home, it's supposed to be a one-time deal. Except they really click in the sack and end up spending the weekend together, enjoying each other's bodies as much as their company...to Miles's dismay. Matters get even more muddled when, months later, they run into each other at the popular West Hollywood bar, Wild Side, and pick up right where they left off. On the surface, Quinn and Miles are like oil and water, but the draw between them is undeniable. As their lives further entwine, they realize there's more to their connection than the way they singe the sheets together. But demons from the past have a way of catching up, and no matter how strong the link is tying Miles and Quinn together, the pressure may be enough to make it snap.

ASHTONIf there's one thing I know, it's how to play the game...both on and off the field. If it hadn't been for that one teenage slipup where I kissed Beau Campbell, I'd be able to keep fooling myself. Football is the one thing I use to distract myself from the truth, and when I screw-up and lose the game I love, I find myself right back in Fever Falls. And right back face-to-face with Cranky Campbell, who hates me even more than he did when we were kids. Whatever magic he held over me then is still there. As much as I fight it, I still want him. And I always get what I want...well, except with Beau, who constantly calls me on my crap. Why do I like that so much?BEAUI might've spent years watching Ash live out my dream-without the off-field antics and orgies with women, at least-but I've made a good life for myself. I'm a firefighter, and I coach my brother's football team for those with developmental disabilities. But when Ash swings back into town armed with his monster ego and an arsenal of stupid nicknames, everyone is in awe of him. Nope, not me. I don't care if our kiss years ago was responsible for my sexual awakening. I won't fall for Ashton Carmichael. Though that resolution would be a whole lot easier if he wasn't so tempting. Once he finds his way into my bed, I'm screwed-in more ways than one. But there's more to Ash than meets the eye, buried beneath his ego, sarcasm and how we burn up the sheets together. Soon, it's more than a game. We don't just get each other fired up, we just might win each other's hearts.Too bad things are never that simple...

He wants to dominate me...to discipline me. He wants me to call him Daddy... I've always taken care of myself--worked hard to become king of the courtroom and excel in the cutthroat business of winning cases. I'm fierce...brutal...confident. I'm a lie. Underneath my armor, I'm drowning, losing myself under the weight of life. At thirty-three years old, I should be able to handle the pressure. My neighbor Kieran sees past my spotless suits and manufactured control to the real Jared. The one who secretly craves being dominated, to serve, and to give up control--not just in the bedroom, but in every aspect of my personal life. I can't want this...but I do... When I'm under Kieran's command--spanked, rewarded and caged--I'm free. With Kieran's care and guidance, my mind is unburdened as my body soars to new heights, and Kieran becomes what we both need him to be: Daddy. It's a journey of dominance and submission--of rules, schedules, security and discipline. He opens my world, teaches me, changes me...but he doesn't let me in. It's temporary, Daddy tells me, and I'd be wise to remember that, so I don't get hurt. Warning: Jared's Evolution contains BDSM elements, domestic discipline, spanking, and daddy kink--without age play--between two consenting adults. If any of those things offend you, reading this book might not be a good idea. Jared's Evolution is part of the Desires Unleashed collection. Some books in this collection will have darker themes. Please be aware Desires Unleashed are er*tic and not your typical Riley Hart romance. You can expect the mental and emotional journey to be led by the physical/s*xual moments--which will be intense, frequent and kinky.

When a single kiss calls your sexuality into question, there's only one sure path to a reliable answer: further research.PatrickI like to think I know myself outside and in.

As a developmental psychologist, I've spent years exploring the true foundations of my identity. So, when losing a bet means kissing my best friend, Logan, I already know I'm going to hate every second of it. All the relevant questions regarding my sexuality were asked and answered years ago. The results were conclusive: despite the odd same-sex attraction, I dislike being touched by men.That is, it seems, until Logan is the man doing the touching. The intense desire aroused by his kiss contradicts all my expectations and I have no idea how to integrate the new information. Thankfully, I know exactly how to uncover the truth about myself—once and for all.LoganI've put a lot of effort into keeping Patrick out of my fantasies and in the friend-zone. Our recent lip-lock may have unleashed my feelings for him temporarily, but I'll get them back on their platonic track in no time. Falling for a friend, especially a sexually ambivalent friend, is a one-way ticket to heartache.But, when the unforeseen impact of our kiss inspires Patrick to conduct an experiment into the extent of his bisexuality, I can't resist volunteering to help. If any man is going to join Patrick on his journey of self-discovery, it's sure as hell going to be me.
