The Fifth Edition of Color Atlas of Pharmacology is an essential study guide and reference for every student, nurse, and practicing physician needing to keep up to date with recent advances in the field.

Color Atlas of Pharmacology 5th Edition PDF

The Color Atlas of Pharmacology presents a comprehensive overview of the main topics of pharmacology. The Atlas is divided into three parts. The first part addresses general pharmacology and includes important issues relating to the history of pharmacology, and drug sources and development. Surprisingly, despite the compact nature of the Atlas, sufficient information is included about methods of drug administration, drug distribution and elimination.
