The way autoimmune disease is viewed and treated is undergoing a major change as an estimated 50 million Americans (and growing) suffer from these conditions. For

many patients, the key to true wellness is in holistic treatment, although they might not know how to begin their journey to total recovery. The *Autoimmune Wellness Handbook*, from Mickey Trescott and Angie Alt of [Autoimmune-Paleo.com](#), is a comprehensive guide to living healthfully with autoimmune disease. While conventional medicine is limited to medication or even surgical fixes, Trescott and Alt introduce a complementary solution that

focuses on seven key steps to recovery: inform, collaborate, nourish, rest, breathe, move, and connect. Each step demystifies the process to reclaim total mind and body health. With five autoimmune conditions between them, Trescott and Alt have achieved astounding results using the premises laid out in the book. The *Autoimmune Wellness Handbook* goes well beyond nutrition and provides the missing link so that you can get back to living a vibrant,
