Color Harmony Posh Coloring Books
The magic and wonder of winter ’ s first snowfall is perfectly captured in Ezra Jack Keat ’ s Caldecott Medal-winning picture book. Young readers can enjoy this celebrated classic as a full-sized board book, perfect for read-alouds of all kinds and a great gift for the holiday season. In 1962, a little boy named Peter put on his snowsuit and stepped out of his house and into the hearts of millions of readers. Universal in its appeal, this story beautifully depicts a child's wonder at a new world, and the hope of capturing and keeping that wonder forever. This big, sturdy edition will bring even more young readers to the story of Peter and his adventures in the snow. Ezra Jack Keats was also the creator of such classics as Goggles, A Letter to Amy, Pet Show!, Peter ’ s Chair, and A Whistle for Willie. (This book is also available in Spanish, as Un día de nieve.) Praise for The Snowy Day: “ Keats made Peter ’ s world so inviting that it beckons us. Perhaps the busyness of daily life in the 21st century makes us appreciate Peter even more—a kid who has the luxury of a whole day to just be outside, surrounded by snow that ’ s begging to be enjoyed. ” —The Atlantic "Ezra Jack Keats's classic The Snowy Day, winner of the 1963 Caldecott Medal, pays homage to the wonder and pure pleasure a child experiences when the world is blanketed in snow."—Publisher's Weekly
Pocket Full of Colors Simon and Schuster

• Features up-to-date color combination guidelines • Includes printing formulas for reproduction of 4-color process and the PANTONE® equivalents There is no one in the business world that doubts the impact of color. Rick Steves Pocket London Skyhorse Publishing Inc.
Américas Award Winner “An achingly beautiful story.”—Kirkus (starred review) “Eloquent.”—Booklist (starred review) “Lovely and lyrical.”—School Library Journal This powerful and resonant Américas Award-winning novel tells the story of a young girl's struggle to find her place in the world and to become a writer in a country where words are feared. Seamlessly interweaving both poetry and prose, Lynn Joseph's acclaimed debut is a lush and lyrical journey into a landscape and culture of the Dominican Republic. The Color of My Words explores the pain and poetry of discovering what it means to be part of a family, what it takes to find your voice and the means for it to be heard, and how it feels to write it all down.

The Snowy Day Rockport Pub
Newnes Electrical Pocket Book is the ideal daily reference source for electrical engineers, electricians and students. First published in 1932 this classic has been fully updated in line with the latest technical developments, regulations and industry best practice. Providing both in-depth knowledge and a broad overview of the field this pocket book is an invaluable tool of the trade. A handy source of essential information and data on the practice and principles of electrical engineering and installation. The 23rd edition has been updated by engineering author and consultant electrical engineer, Martin Heathcote. Major revisions have been made to the sections on semiconductors, power generation, transformers, building automation systems, electric vehicles, electrical equipment for use in hazardous areas, and electrical installation (reflecting the changes introduced to the IEE Wiring Regulations BS7671: 2001).

6" x 9" standard paperback size. The fourth title in a coloring book series for Adults from Arthur Weis. Composed of over two dozen patterns for you to choose and color. Color designs that will provide a sense of relaxation and pride, in your artistic results. Bored execs, or aspiring fashion designers, carve out some 'quality time' to reflect on your choice of designs. Color palettes and what rules, if any that you will follow. Embrace the joy that coloring brought to you, as you developed your world and values at an early age and mellow out. Your creativity will soon replace stress and any fears. A short trailer is available for this title and contains a small amount of sample designs from the book. As the subject matter is slightly different, you may choose to view this one, before your purchase. More from <http://weisbooks.blogspot.com> on this titles and others from Weis Books

Color Charts Mini Rick Steves
DIVThe Complete Color Harmony is from Rockport Publishers' best-selling series that includes, Color Harmony and Color Harmony 2. This book expands upon the two previous editions for the most comprehensive color reference to date. Along with some basic color theory, the book provides hundreds of one, two, and three-color combinations selected to reflect a range of moods and adjectives. This edition includes information on creating special effects using metallic and fluorescent color palettes, as well as an entirely new section devoted to the psychology of color. In Complete Color Harmony, authors Tina Sutton and Bride M. Whelan help readers determine their best colors and suggests why some colors may inspire their creativity while others don't. The book also includes two new color palette sections reflecting black and white as the color base, along with an expanded and updated Color Trends section that discusses not only trends and how they are predicted but gives advice on how to be a trend spotter. /div
