Anesthesiology CA-1 Pocket Survival Guide Elsevier Health Sciences
Professors Fischl and Paul explain law school exams in ways no one has before, all with an eye toward improving the reader's performance. The book begins by describing the difference between educational cultures that praise students for "right answers," and the law school culture that rewards nuanced analysis of ambiguous situations in which more than one approach may be correct. Enormous care is devoted to explaining precisely how and why legal analysis frequently produces such perplexing situations. But the authors don't stop

with mere description. Instead, *Getting to Maybe* teaches how to excel on law school exams by showing the reader how legal analysis can be brought to bear on examination problems. The book contains hints on studying and preparation that go well beyond conventional advice. The authors also illustrate how to argue both sides of a legal issue without appearing wishy-washy or indecisive. Above all, the book explains why exam questions may generate feelings of uncertainty or doubt about correct legal outcomes and how the student can turn these feelings to his or her advantage. In sum, although the authors believe that no exam guide can substitute for a firm grasp of substantive material, readers who devote the necessary time to learning the law will find this book an invaluable guide to translating learning into better exam performance. "This book should revolutionize the ordeal of studying for law school exams... Its clear, insightful, fun to read, and right on the money." — Duncan Kennedy, Carter Professor of General Jurisprudence, Harvard Law School "Finally a study aid that takes legal theory seriously... Students who master these lessons will surely write better exams. More importantly, they will also learn to be better lawyers." — Steven L. Winter, Brooklyn Law School "If you can't spot a 'fork in the law' or a 'fork in

the facts' in an exam hypothetical, get this book. If you don't know how to play 'Czar of the Universe' on law school exams (or why), get this book. And if you do want to learn how to think like a lawyer—a good one—get this book. It's, quite simply, stone cold brilliant. ” — Pierre Schlag, University of Colorado School of Law (Law Preview Book Review on The Princeton Review website)

Arizona MPJE Exam Prep McGraw Hill Professional Pass the Bar! provides a comprehensive overview of the pre-bar review, bar review, and bar exam process. The authors demystify the bar exam process and take readers through the steps they need in order to succeed. Readers are given specific checklists, exercises, reflection questions; information about what to do during the year before their bar reviews begin; how to set the stage to succeed with their bar exams; how to study and approach practice questions; sample exam questions, and answers; and what additional study methods can maximize their chances of passing their bar exams. The book has been designed with several uses in mind: As the text for a for-credit law school bar preparation course As a supplemental text for an upper-division doctrinal course, allowing professors to build students' bar study skills in the context of learning a bar-tested subject As a text for non-credit bar preparation workshops For students' independent study Written in a straightforward and practical style, the author's strategies are communicated in an informal, reader-friendly way. Their recommendations are grounded in educational and psychological research as well as

their personal experiences in designing programs and working with students preparing to take bar exams. The Foreword is written by Professor Ruth Ann McKinney, Director of the Writing and Learning Resources Center at the University of North Carolina School of Law. A teacher's manual will accompany the text, and it will include the educational theory underlying the text, sample syllabi, sample lesson plans, teaching recommendations, for-credit course information, and many sample answers.

“Dawn gave us the tools we needed to take the exam, and let me tell you - she was on point! Not only did she cover the content areas we needed to focus in on, but she also showed us how to read and interpret the questions on the exam.” —Ammu D. Kowolik, LMSW, McSilver Institute for Poverty Policy and Research
Students and social workers preparing for the social work masters licensure exam will find an invaluable study resource in the Social Work ASWB® Masters Exam Guide. Written by a prominent social work leader and trainer for social work licensing exams in the United States, this guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Masters “Knowledge, Skills, and Abilities” upon which the exam is based and incorporates information from the DSM-5®. The guide is comprehensive yet focuses on the material most likely to be included on the exam, so readers can prioritize information as they study. A

self-assessment section helps identify strengths and weaknesses before tackling the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations of the correct answers) mirrors the actual exam in both length and structure. Content includes human development, diversity, abuse and neglect, assessment and intervention planning, direct and indirect (micro and macro) practice, and professional values and ethics. This book will be a valuable asset for social workers throughout the United States and Canada. Key Features: Developed by a highly respected educator of social work licensure candidates Covers all the content areas on the masters examination, including new content added in 2015 Begins with a self-assessment section to help identify areas of strength and weakness Offers a wealth of test-taking tips and strategies to foster exam confidence Includes a practice test (with explanations of the correct answers) that mirrors the exam ASWB® is a registered service mark of the Association of Social Work Boards, which neither sponsors nor endorses this product.
