The Lost Super Bowls is historical fiction - a scrapbook of fictional articles by imaginary sportswriters from make-believe newspapers, all dressed in archival photography and original color artwork. It's fantasy football wrapped in a history lesson, the buildup and recap of five AFL-NFL "World Championship" games - from 1961 to 1965 - that were never played. Only the names are real...legendary figures, like Lombardi and Stram, Alworth and Adderley, Ditka and Kemp. Venues like Green Bay's City Field, the Dallas Cotton Bowl and Pasadena's Rose Bowl. It's the winter of 1961. Joe Foss, commissioner of the wobbly American Football League, issues the first of his many telegrams and missives to the rival NFL, requesting that the two leagues create an annual "World Championship Football Game." Foss' gang is struggling and needs a boost. The NFL, however, led by Pete Rozelle, scoffs at the invitation, thus triggering a war between the leagues that would carry deep into the spring of 1966. A merger was finally announced that June. The first Super Bowl game - Kansas City versus Green Bay - wouldn't be

played until January of '67. But what if, by some shocking stroke of prescience, the NFL had agreed to Foss' initial proposal? Simply put, football's Super Bowl era would have begun five years earlier - in January, 1962. There'd be five more title games now cemented in the record books. There'd be five more of those fine Sabol highlight reels in the archives of NFL Films. There'd be five more chapters of pro football history that author Tom Danyluk calls The Lost Super Bowls. "Everything you can imagine is real," says the artist, and The Lost Super Bowls presents football history in that very way, a time machine back to those early AFL-NFL battles that never were. It's George Blanda and the Houston Oilers trying to bomb their way past the '61 Packers, Vince Lombardi's first champion. It's Sid Gillman unleashing his lightning bolt strikes on the Monsters of the Midway. It's the mighty Jim Brown slamming horns with Sestak and Saimes and the rugged Bills' defense of 1964. It's the sports pages of The Lost Super Bowls. Sit back and read all about it!

Leader of the VC Warriors Cincinnati branch, Duncan Roark, has devoted his long life to the Warriors he calls brothers and the Vampire Council, protecting innocents of both the vampire and human race. Things change suddenly when it is ordered that he and his fellow Warriors train human Social Workers to protect themselves in their new world of vampires. Falling in love with a human was something Duncan never thought possible, but love her he did. Now instead of being the ruthless leader he was trained to be, his focus has turned to finding the woman he loved and let go. Pam Braxton is outgoing and loves her job working with

children, but when she realizes her live in boyfriend, Kenny Lawrence, has been using her and her job for his illegal activities, she becomes withdrawn, and her world is turned upside down. Deciding to take matters into her own hands, she stays, trying to learn more of his betrayal so she could see him punished. That decision sucks her deeper into a relationship that has turned dangerous and abusive. Overhearing a plot that would put everyone she cares about at risk, she finds the courage to try to stop the monster who has threatened her friends and the man she truly loves. Now Pam is on the run, alone and with a secret that could change the already unbalanced world of vampires and humans. As Duncan searches for Pam, the threat of losing his leadership role has the other Warriors worried, but their loyalty for Duncan is strong and they stand behind him. Duncan's search is relentless; he knows he is not the only one looking for Pam. Even with his responsibilities slipping, he puts it all on the line to find the only woman he has ever loved. In a race against time, Duncan fights to find Pam before her past catches up to her. The Warrior's path is clear: Find the woman he loves before the past finds her first.

This is a little gem of a book--the perfect Christmas gift for lovers of reading! Reading Pleasures is filled with gorgeous photographs and artworks, each paired with an inspiring quotation. Book lover and host of The Book Club Jennifer Byrne introduces the book magnificently in her Foreword: 'Here are brief quotations and observations on the reading life, accompanied by illustrations from the National Library of Australia's own collection'. They 'amount to a celebration--and examination--of the lifelong, earthy, impossible-to-explain love affair between readers and their books.' We all read in different ways: some in a private moment revelling in the escape that reading allows, or some with an eye to sharing and discussing. Tim Winton sums up reading in one word: 'privacy'. But for others, reading is company. 'As long as you have the capacity to read,' says Elliot Perlman, 'you needn't be alone any more'. Or as Richard Flanagan puts it in The Narrow Road to the Deep North, when his hero Dorrigio Evans stands in his library: 'he was not alone'. And Miles Franklin wonderfully describes the place we go to when we are reading as 'book-land'. To return to Jennifer: 'As the chorus of voices in this book makes clear, there are as many ways to read as there are to live.'

Sports Law looks at major court cases, statutes, and regulations that explore a variety of legal issues in the sports industry. The early chapters provide an overview of sports law in general terms and explore its impact on race, politics, religion, and everyday affairs. Later chapters address hot button issues such as gender equity, drug testing, and discrimination. Written from a sport management perspective, rather than from a lawyer's, this text covers all the major areas presented in sports law today including: cases relating to torts, contracts, intellectual property, and agents. Factual scenarios throughout the text allow students to critically examine and apply sport management principles to legal issues facing the sports executive. This time my challenge was to write five different stories, using five Australian country male singers. It was hard to choose from so many Australian male country singers so I chose Lee Kernaghan, Adam Harvey, Troy Cassar-Daley, James Blundell and Adam Brand as their songs and their styles in writing were all different. Legally I can not use Lyrics or Music because of Copyright but I can use song titles (Italicized) and due to the nature of my books; legally I must place a Reference (exactly as it is down loaded) and Bibliography after the story For each of the artists, I have written their own little book which includes a Reference and Bibliography at the end of their story. Each artist's management kindly supplied the picture to introduce that particular artist's story. LEE KERNAGHAN Tallarook, the Tenterfield Saddler, ends up in the Darwin Jailhouse just before Christmas. He tries to remember what happened during the previous day, but his memory keeps taking him back to his past. Who was the mysterious person that helped the lawyer quickly discover the truth and the nature of the crime and set Tallarook free? ADAM HARVEY What was Mr Bojangles involvement in the disappearance of the seven Spanish angels? Is the evidence that the police have against him enough to convict him or will the King of the road in Phantom 309, who had given him a lift the previous day, save the day? TROY CASSAR-DALEY In the First Story Grandpa Damon tells his two grandchildren about him and a friend, who was a river boy. The dreams they had when they were young and what happened when they were both old enough to get work. Why was the factory man only interested in him and not his friend? Did their dreams that they were dreaming out loud come true? The second story is about an older gentleman who, after so many years on his farm, decides to follow his dream of going back to a part of his past life when he was just a country boy. His destiny is changed partially by a rodeo clown who speaks to him and a woman who was chasin' rodeo clowns to find the one had spoken to her in the past. Who is this rodeo clown and is he the same one who spoke to both of them? JAMES BLUNDELL Five men who used to work together down on the farm; the Time and Tide property, are invited to get together for a reunion and a walk down memory lane in Tamworth when the Country Music Festival is on. Follow in their conversation as each talk about their lives after they left the farm. All seems straight forward but is it? Will their friendship still be strong when strange and unusual events start happening? ADAM BRAND Will you really blame it on

"A can't-put-it-down modern Western." —Kirk Siegler, NPR Longlisted for the PEN/ESPN Award for Literary Sports Writing The Last Cowboys is Pulitzer Prize-winning reporter John Branch 's epic tale of one American family struggling to hold on to the fading vestiges of the Old West. For generations, the Wrights of southern Utah have raised cattle and world-champion saddle-bronc riders—many call them the most successful rodeo family in history. Now they find themselves fighting to save their land and livelihood as the West is transformed by urbanization, battered by

drought, and rearranged by public-land disputes. Could rodeo, of all things, be the answer? Written with great lyricism and filled with vivid scenes of heartache and broken bones, *The Last Cowboys* is a powerful testament to the grit and integrity that fuel the American Dream.

Max is the smartest boy in his class. He learns so quickly that he is frequently bored to death. One day a weird creature appears next to him in school. It is Magic Boy. MB comes from Somewhere Else. He is the strangest looking person, boy or adult, Max has ever seen. The boy has no shoes on and has purple toes and purple fingers, are all twice as long as Max's. His hair is bright orange and is standing straight up on top. He looks cheerful and has two large front teeth. Like Bugs Bunny. MB is dressed rather strangely, which is OK since he is a very strange boy to start with. MB has no shirt, just shorts with a sort of strap that goes across his chest. MB is somewhat hairy all over his body which is kind of odd since he appears to be about 11 years old. Max and his friends go on strange adventures involving giant pigeons, kids who are surgeons; kids who are lawyers and judges; and kids riding in a rodeo. MB needs Max to help him to bring something from Earth to his Home. But wait until you read the Prologue!

In her groundbreaking bestselling history of the class system in America, Nancy Isenberg, co-author of *The Problem of Democracy*, takes on our comforting myths about equality, uncovering the crucial legacy of the ever-present, always embarrassing—if occasionally entertaining—poor white trash. “ When you turn an election into a three-ring circus, there ’ s always a chance that the dancing bear will win, ” says Isenberg of the political climate surrounding Sarah Palin. And we recognize how right she is today. Yet the voters that put Trump in the White House have been a permanent part of our American fabric, argues Isenberg. The wretched and landless poor have existed from the time of the earliest British colonial settlement to today's hillbillies. They were alternately known as “ waste people, ” “ offals, ” “ rubbish, ” “ lazy lubbers, ” and “ crackers. ” By the 1850s, the downtrodden included so-called “ clay eaters ” and “ sandhillers, ” known for prematurely aged children distinguished by their yellowish skin, ragged clothing, and listless minds. Surveying political rhetoric and policy, popular literature and scientific theories over four hundred years, Isenberg upends assumptions about America ’ s supposedly class-free society — where liberty and hard work were meant to ensure real social mobility. Poor whites were central to the rise of the Republican Party in the early nineteenth century, and the Civil War itself was fought over class issues nearly as much as it was fought over slavery. Reconstruction pitted poor white trash against newly freed slaves, which factored in the rise of eugenics — -a widely popular movement embraced by Theodore Roosevelt that targeted poor whites for sterilization. These poor were at the heart of New Deal reforms and LBJ ’ s Great Society; they haunt us in reality TV shows like *Here Comes Honey Boo Boo* and *Duck Dynasty*. Marginalized as a class, white trash have always been at or near the center of major political debates over the character of the American identity. We acknowledge racial injustice as an ugly stain on our nation ’ s history. With Isenberg ’ s landmark book, we will have to face the truth about the enduring, malevolent nature of class as well.

Seventeen-year-old Jane had found the horse of her dreams-or so she thought. Windsong had the breeding, training, and the flashy good looks to win medals at national competitions, but conservative, shy Jane wasn't sure she was up to the challenge of riding the temperamental beast. He may have been an imported Swedish Warmblood, and he may have had Grand Prix dressage training, but he was wild. When her spirited, new horse races out of control, help comes unexpectedly-and unwelcomed-from a loathsome cowboy, a horribly mean-spirited, condescendingly brusque gorgeous black-haired, azure-eyed reining champion, who is positive Jane is most definitely not up to the challenge. As these two from opposite ends of the horse world are forced to work together, tempers blaze and horseshoes fly, but something else begins to spark. Can Jane overcome her fear and preconceptions to win her goal of competing in the National Junior Rider Championships...and not lose her heart at the same time? This story about a teen dressage competitor is the first of a series of three books following her developing career in national competition. This book is not just for horse-crazy teens though, it will captivate women and young adults who love outdoor sports and romance. If you have experience with horses or other outdoor sports, you already know that horse showing or sport competition is an adventure; and, let me tell you, horse showing in national competition is equestrian adventure at its most exhilarating. Are you up to the challenge?
