Right Where I Want You MIT Press

In the de la Rosa family, old grudges run deeper than loyalty, and betrayal is a three-letter word: war. But this feud isn't between enemies. It's between brothers. And I'm the prize. I was born a princess among criminals. An untouchable among thieves. Heiress to a life others have killed for, and one I'm prepared to trade for my freedom. I vowed not to leave without Diego, my first love and best friend, but if his ruthless brother has his way, I won't leave at all. Cristiano de la Rosa is a man as big and bold as his legend. Once upon a time, he was our cartel's best soldier . . . until he became my family's worst enemy. A man like Cristiano will bend fate to his will to get what he wants. Even if it means dragging me to hell-and tearing me

from his brother's arms. "She is mine." Three words from two different men. A life, future, and love I don't get to choose. House Rules Joe DeMarco Thrillers (Paperback) Right Where I Want You is a witty workplace romance stand-alone from USA Today best-selling author Jessica Hawkins. When Georgina and Sebastian have a literal run-in at a café, they have no idea the mess their collision is about to create at the office. For fans of The Hating Game and How to Lose a Guy in 10 Days. *Miami at Night* Univ of California Press

Not an autobiography in the customary sense, Benjamin's recollection of his childhood in an upper-middle-class Jewish home in Berlin's West End at the turn of the century is translated into English for the first time in book form. Creative Haven CityScapes Kinshaw Press The devil has a name, and it 's Cristiano de la Rosa. On my wedding day, he was the last man I expected to see standing at the altar. He wants to make me his

queen. His brother wants to rescue his princess. Getting Cristiano to lose control becomes the name of the game, and the stakes are life and death. But as truth and lies blur, loyalty is tested, and our chemistry threatens to reach the melting point, the prize grows less clear. Either freedom no longer means what I think it does, or Cristiano is as devious as everyone says, and he 's mastered the art of playing my mind. All I know for certain is that nothing is certain. And all you need to know? This is a love story. But even love stories have to end. Book two in the completed, USA Today bestselling White Monarch series: Violent Delights (1) Violent Ends (2) Violent Triumphs (3) *House Secrets* Jessica Hawkins "This is the best slow-burn romance I have ever read."—New York Times bestselling author, Penelope Ward If I closed my eyes, I could still see them—all blonde sunshine, ocean-blue eyes, and long limbs. The glint of Lake's gold bracelet. Pink cotton candy on Tiffany's tongue. My scenery may have changed from heaven to hell, but some things never would: my struggle to do right by both sisters. To let Lake soar. To lift Tiffany up. The sacrifices I made for them, I made willingly. A better man would've walked away by now, but I never claimed to be any good. I only promised myself I'd keep enough distance. If I'd learned one thing from my past, it was that love came in different forms. You could love passionately, hurt deep, die young. Or you

could provide the kind of firm, steady support someone else could lean on. Lake was everything I wanted, and nothing I could ever have. I was nobody before I knew her and a criminal after. The way to love her was to let her shine—even if it would be for somebody else. Book two in a completed, USA TODAY bestselling love saga. Chasing Butterflies Pantheon At once intimate and wide-ranging, and as enthralling, surprising, and vivid as the place itself, this is a uniquely eye-opening tour of one of the great metropolises of the world, and its largest Spanish-

speaking city. Horizontal Vertigo: The title refers to the fear of ever-impending earthquakes that led Mexicans to build their capital city outward rather than upward. With the perspicacity of a keenly observant flaneur, Juan Villoro wanders through Mexico City seemingly without a plan, describing people, places, and things while brilliantly drawing connections among them. In so doing he reveals, in all its multitudinous glory, the vicissitudes and triumphs of the city's cultural, political, and social history: from indigenous antiquity to

the Aztec period, from the Spanish conquest to Mexico City today—one of the world's leading cultural and financial centers. In this deeply iconoclastic book, Villoro organizes his text around a recurring series of topics: “Living in the City,” “City Characters,” “Shocks,” “Crossings,” and “Ceremonies.” What he achieves, miraculously, is a stunning, intriguingly coherent meditation on Mexico City's genius loci, its spirit of place. Machines Like Me Courier Dover Publications Alexandra James gave up her

spring break for an offer she couldn't refuse—a week-long job that would earn her enough money to buy her way out of a broken heart. But if she thought her new boss would let her off easy because he's her father's best friend, she couldn't have been more wrong. Dean Brittany demands perfection from his employees, but none more so than his new temp, since correcting her mistakes seems to fuel his unexpected attraction to her. Unfortunately for him, eighteen-year-old Alexandra is strictly off limits. *Strictly Off Limits* is a forbidden romance novella

originally published in the *Forbidden Fruit Anthology, Volume 1* (no longer available). It's a quick read at 21,000 words.
Something in the Way
Routledge
"This is the best slow-burn romance I have ever read."—New York Times bestselling author, Penelope Ward
It was a hot summer day when I met him on the construction site next to my parents' house. Under the sweat and dirt, Manning Sutter was as handsome as the sun was bright. He was older, darker, experienced. I wore a

smiley-face t-shirt and had never even been kissed. Yet we saw something in each other that would link us in ways that couldn't be broken...no matter how hard we tried. I loved Manning before I knew the meaning of the word. I was too young, he said. I would wait. Through all the carefully-chosen words hiding what we knew to be true, his struggle to keep me innocent, and infinitely-starry nights—I would wait. But I'd learn that no matter what you achieve in life, it means nothing if you suffer the heartbreak that comes with falling for someone you can

never have. Because even though I saw Manning first, that didn't matter. My older sister saw him next. Book one in a completed USA TODAY bestselling love saga. *Explicitly Yours* Harvard University Press

This book examines the skyline as a space for radical urban politics. Focusing on the relationship between aesthetics and politics in London's tall-building boom, it develops a critique of the construction of more and more speculative towers as well as a critique of the claim that these buildings ruin the historic cityscape.

Gassner argues that the new London skyline needs to be ruined instead and explores ruination as a political appropriation of the commodified and financialised cityscape. Aimed at academics and students in the fields of architecture, urban design, politics, urban geography, and sociology, *Ruined Skylines* engages with the work of Walter Benjamin and other critical and political theorists. It examines accounts of sometimes rebellious and often conservative groupings, including the City Beautiful movement, the English

Townscape movement, and the Royal Fine Art Commission, and discusses tower developments in the City of London - 110 Bishopsgate, the Pinnacle, 22 Bishopsgate, 1 Undershaft, 122 Leadenhall, and 20 Fenchurch - in order to make a case for reanimating urban politics as an art of the possible.

Miami is one of the United States most fascinating cities. While the rest of the country endures snowstorms and cold weather, Miami is always hot and sexy. By day, the sun, sea, and Art Deco architecture

highlight Miami's unique history and heritage. However, it is truly at night when the city comes alive. *Miami at Night* is a cityscape photography book featuring over 70 photos, including over 40 large panoramic photos that capture the essence of the energy that pulsates through nocturnal Miami. The book tells a unique visual story of the city (Brickell, Brickell Key, Key Biscayne, Coral Gables, Coconut Grove, Downtown Miami, and Miami Beach) through photography at angles and vantage points that are rarely seen by the average

Miamian or tourist." *Determined to Obey* Open Road + Grove/Atlantic

The Image of the City Harper Collins
Andrew Beckwith has already devoted his life to one girl-and as far as he's concerned, she's all he needs. The rough-around-the-edges bad boy left his reckless ways behind six years ago when his daughter Bell was born. To the female population's dismay, he's unapologetically single. When Bell's mother walked out on them years ago, he vowed never to let another woman

close enough to hurt them again. Amelia Van Ecken isn't just another woman. She's an independent, smart, and savvy businesswoman who doesn't have time for sex, much less love. In the midst of a drawn-out, bitter divorce, all she wants is to bury herself in work. But when sharp-tongued Amelia and stubborn Andrew cross paths, sparks fly-and burn. Two things are obvious in an instant: they want each other, and they're from different worlds. It's the perfect formula for an off-the-charts one-night stand. After all, it's not as if opposites ever attract. *The First Taste* is a

standalone, dual-POV spin-off of Amazon bestselling romance, *Slip of the Tongue*. It's not necessary to read them in order, however, it's recommended to avoid spoilers.

Drawing in Black & White

Jessica Hawkins

From award-winning journalist David Kushner, a regular contributor to *Rolling Stone*, *The New Yorker*, and *Vanity Fair*, *Alligator Candy* is “a raw story about courage, survival, and most certainly about love” (*Tampa Bay Times*). David Kushner grew up in the suburbs of Florida in the early 1970s, running wild with his friends, exploring, riding bikes, and disappearing into the

nearby woods for hours at a time. One morning in 1973, however, everything changed when David’s older brother Jon took a short bike trip to the local convenience store. He never returned. *Alligator Candy* is the story of Jon’s murder at the hands of two sadistic drifters, and everything that happened after. Jon’s death was one of the first in what turned out to be a rash of child abductions and murders that dominated headlines for much of the 1970s and 80s. It was around this the time that milk cartons began to feature the images of missing children, and newscasters began asking, “It’s 10:00, do you know where you children are?” *Alligator Candy* chronicles Jon’s

story, but also tells how parenting in America has changed, casting light on the transition between two generations of children—one raised on freedom, the other on fear. “Parents today can understand the love, hope, and fear Kushner so eloquently describes in this account of one family’s transcendent courage in the face of crushing pain” (*Bookpage*, “Top Ten Book of the Month”). *Alligator Candy* is a disturbing, insightful, and inspiring meditation on grief, growth, and what childhood has become: “not only a memorial to a brother tragically deprived of his right to live; but also a meditation on the courage necessary to live freely in a world riven by pain, suffering,

and evil” (Kirkus Reviews).

The final book in the
Something in the Way series, a
love saga. Now a USA Today
and Google Play bestseller.
Manning and I have what
happily-ever-after is made of . .
. A home he built us on the
unshakeable foundation we
fought for. A life of laughter
carved out of heartache and
betrayal. A love story to stand
the test of time. But between a
trust that can’t be broken, joy
that can’t be bridled, and
passion that would scorch the
sun, the empty spaces are

becoming more and more
difficult to ignore . . . Fears that
keep Manning up at night as he
slips from our bed. Our
complicated relationship with a
man he respects and one I don't
know how to forgive. And a
sprawling, beautiful home with
one small room I'm afraid I'll
never be able to fill. Manning
and I have what happily-ever-
after is made of . . . but I'll beg
the heavens for just one thing
more.

After Joe DeMarco is asked by the speaker of the House to probe the apparent accidental death of a reporter who was trailing presidential hopeful Senator Paul Morelli, his investigation spirals out of control. Reprint.

Violent Delights Jessica Hawkins Sadie Hunt isn't perfect-but her husband is. Nathan Hunt has her coffee waiting every morning. He holds her hand until the last second. He worships the Manhattan sidewalk she walks on. Until one day, he just...stops. And Sadie finds herself in the last place she ever expected to be. Lonely in her marriage. When rugged and sexy Finn Cohen moves in to the apartment across the hall, he and Sadie share an

immediate spark. Finn reveals dreams for a different life. Sadie wants to save her marriage. Their secrets should keep them apart, not ignite a blistering affair. But while Sadie's marriage runs colder by the day, she and Finn burn hotter. Her husband doesn't want her anymore. The man next door would give up everything to have her. "Slip of the Tongue is a standalone forbidden romance. Please note it contains adultery themes that may be triggers for some people."

Ruined Skylines Orbit
The "heartstopping"
conclusion to the USA
Today bestselling White
Monarch series. I've

become a queen to the forsaken, a leader to thieves, and the wife of a man who instills fear in all who cross his path. He was the husband I didn't want. Now, I can't fathom life without my king. I should've been ready for anything. Like the caterpillar that feeds on poison during metamorphosis, I was raised in the dangerous world of cartel crime. But nothing could've prepared me for Cristiano de la Rosa, his brother's poison, or the Calavera cartel. This is still a story about a love strong

enough to topple households, unite enemies, and divide brothers. Resilient enough to bring down those who would try to destroy it . . . and selfless enough to make the ultimate sacrifice. But I was warned, and so were you. Death's day always comes. This time, it will find what was once a caterpillar is now a butterfly—and hell hath no fury like the White Monarch.

The True Story of a Daughter Of 9/11 Reaktion Books

Panic grips Washington, DC, in this thriller featuring “a

lightning-paced plot [and] a charmingly likeable character” (Tess Gerritsen). Author of *House Witness*, 2019 Edgar Award Finalist for Best Novel

Two foiled terrorist attacks and a law targeting Muslim Americans are about to send Joe DeMarco on a dangerous mission among mobsters, meth dealers, and the political elite. First there was the bomb meant for the Baltimore Harbor Tunnel. Then a private plane headed straight for the White House is shot down. An atmosphere of fear and panic overruns the country, and when a senator proposes to run

extensive background checks on all Muslims and deport any who aren't citizens, his bill gains surprising traction. John Mahoney, the larger-than-life Speaker of the House, is not pleased. But Mahoney has a connection to one of the attackers, one he wants kept secret. So he calls on Joe DeMarco . . . “Full of insider information, this novel reinforces Lawson's place in the upper rank of Washington thriller specialists.” —Publishers Weekly
