The Beer Book Lulu.com

An accessible and fact-filled visual guide to alcoholic drinks, how they are produced, where they come from, choosing and tasting, and a world directory to the best wines, beers and spirits.

Verso la base Pier 9

'We could be like two people who inject themselves with truth serum, and at long last have to tell it - the truth I want to be able to say to myself, "I bled truth with her," yes, that's what I want. Be a knife for me, and I, I swear, will be a knife for you.' An awkward, neurotic seller of rare books writes a desperate letter to a beautiful

stranger whom he sees at a class reunion. This simple, lonely attempt at seduction begins a love affair of words between Yair and Miriam, two married, middle-aged adults, dissatisfied with their lives, yearning for the connection that has always eluded them - and, eventually, reawakened to feelings that they thought had passed them by. Their correspondence unfolds into an exchange of their most naked confessions: of desire, childhood tragedies, joys, and humiliations. Through the dialogue between Yair - a family man and surprisingly successful adulterer, whose guarded letters reveal a life of duplicity - and Miriam, at first deceptively open and warm, who fills her life with distraction to avoid a past full of painful secrets, BE MY KNIFE explores the nature and the limits of intimacy.

Adventures in Entrepreneurship from the Founder of Dogfish Head Craft Brewery EDT srl

This atlas is the ultimate beer lover's guide to the world, filled with stunning photography, great storytelling, intriguing beer destinations, fascinating historical perspectives, and firsthand accounts from brewers and bar owners around the globe. The most visually stunning and comprehensive beer atlas available, this richly illustrated book includes more beers and more countries than any other book of its kind.

Including beer recommendations from Garrett Oliver, the famed brewmaster of Brooklyn Brewery, and written by "beer geographers" Nancy Hoalst-Pullen and Mark Patterson, this indispensable guide features more than 100 illuminating maps and over 200 beautiful color photos. The fascinating narrative explores beer history, geography, trends, and tasting on six continents (and how to order a beer in 14 languages!). Travel tips include the best breweries, beer festivals, and pubs in each location. Smart, compelling, and practical, this elegant book will help you discover the best beer wherever you are.

The Ultimate Bar Book — The bartender's bible and a James Beard nominee for the best Wine and Spirit book, 2008 The cocktail book for your home: The Ultimate Bar Book is an indispensable guide to classic cocktails and new drink recipes. Loaded with essential-to-know topics such as barware, tools, and mixing tips. Classic cocktails and new drinks: As the mistress of mixology, the author Mittie Hellmich has the classics down for the Martini, the Bloody Mary—and the many variations such as the Dirty Martini and the Virgin Mary. And then there are all the creative new elixirs the author brings to the table, like the Tasmanian Twister Cocktail or the Citron Sparkler. Illustrated secrets of classic cocktails and more:

Illustrations show precisely what type of glass should be used for each drink. With dozens of recipes for garnishes, rims, infusions, and syrups; punches, gelatin shooters, hot drinks, and non-alcoholic beverages; and let's not forget an essential selection of hangover remedies, The Ultimate Bar Book is nothing short of top-shelf. If you liked PTD Cocktail Book, 12 Bottle Bar and The Joy of Mixology, you'll love The Ultimate Bar Book

Sensing in Social Interaction HMH

A "fascinating and well-documented social history" of American beer, from the immigrants who invented it to the upstart microbrewers who revived it (Chicago Tribune). Grab a pint and settle in with AmbitiousBrew, the fascinating, first-ever history of American beer. Included here are the stories of ingenious German immigrant entrepreneurs like Frederick Pabst and Adolphus Busch, titans of nineteenth-century industrial brewing who

introduced the pleasures of beer gardens to a nation that mostly drank rum and whiskey; the temperance movement (one activist declared that “the worst of all our German enemies are Pabst, Schlitz, Blatz, and Miller”); Prohibition; and the twentieth-century passion for microbrews. Historian Maureen Ogle tells a wonderful tale of the American dream—and the great American brew. “As much a painstakingly researched microcosm of American entrepreneurialism as it is a love letter to the country’s favorite buzz-producing beverage . . . ‘Ambitious Brew’ goes down as brisk and refreshingly as, well, you know.” —New York Post

Vignevini HOEPLI EDITORE

Cheers to beer design! The days of boring, mass-produced yellow fizz-water are all but over. These days, independent beer makers are creating a wide variety of interesting beers that exhibit a vast range of depth and flavor. Beer is more than a beverage—it's an artisan craft championed by talented people devoted to quality and good taste. And as craft beer and home brewing continue to grow by leaps and bounds, the culture of beer has made the shift from big business to an industry filled with people who truly care about what they make. And that attention to detail goes for the art and packaging as well as the brews themselves. Cool Beer Labels explores the art and design of beer culture from labels to cans to growlers and more. Inside you'll find: More than 400 full color examples of beer labels from craft and small breweries around the world Case studies from working designers Interviews with brewery owners and master brewers An exploration of breweries by region And more Whether you are a visual creative

looking for packaging design inspiration or simply part of the growing community of people who enjoy home brewing, craft beers and beer culture, you're sure to enjoy cracking open a cold one and settling back to enjoy this art-filled celebration of beer.

Creare e mantenere contatti di valore con i clienti EDT srl

The beer of today—brewed from malted grain and hops, manufactured by large and often multinational corporations, frequently associated with young adults, sports, and drunkenness—is largely the result of scientific and industrial developments of the nineteenth century. Modern beer, however, has little in common with the drink that carried that name through the Middle Ages and Renaissance. Looking at a time when beer was often a nutritional necessity, was sometimes used as medicine, could be flavored with everything from the bark of fir trees to thyme and fresh eggs, and was consumed by men, women, and children alike, Beer in the Middle Ages and the Renaissance presents an extraordinarily detailed history of the business, art, and governance of brewing. During the medieval and early modern periods beer was as much a daily necessity as a source of inebriation and amusement. It was the beverage of choice of urban populations that lacked access to secure sources of potable water; a commodity of economic as well as social importance; a safe drink for daily consumption that was less expensive than wine; and a major source of tax revenue for the state. In Beer in the Middle Ages and the Renaissance, Richard W. Unger has written an encompassing study of beer as both a product and an economic force in Europe. Drawing from archives in the Low Countries and England to assemble an impressively complete history, Unger describes the transformation of the industry from small-scale production that

was a basic part of housewifery to a highly redditività dell'investimento (ROI) - regulated commercial enterprise dominated by the wealthy and overseen by government authorities. Looking at the intersecting technological, economic, cultural, and political changes that influenced the transformation of brewing over centuries, he traces how improvements in technology and in the distribution of information combined to standardize quality, showing how the process of urbanization created the concentrated markets essential for commercial production. Weaving together the stories of prosperous businessmen, skilled brewmasters, and small producers, this impressively researched overview of the social and cultural practices that surrounded the beer industry is rich in implication for the history of the period as a whole.
