Deep within the Wood, a young woman lies dead. Not a mark on her body. No trace of her murderer. Only her chipped glass slippers hint at her identity. The Woodcutter, keeper of the peace between the Twelve Kingdoms of Man and the Realm of the Faerie, must find the maiden's killer before others share her fate. Guided by the wind and aided by three charmed axes won from the River God, the Woodcutter begins his hunt, searching for clues in the whispering dominions of the

enchanted unknown. But quickly he finds that one murdered maiden is not the only nefarious mystery afoot: one of Odin's hellhounds has escaped, a pixie dust drug trade runs rampant, and more young girls go missing. Looming in the shadows is a malevolent, power-hungry queen, and she will stop at nothing to destroy the Twelve Kingdoms and annihilate the Royal Fae unless the Woodcutter can outmaneuver her and save the gentle souls of the Wood."

True power is never held by good men, only the most perfect of villains. And she and I are both villains... I stole her, and she's so very angry. The cartel princess doesn't like being a pretty little pawn. She fights me when she should fear me. But

oh, how her defiance excites me. She would kill me if she could, and I'd ruin her if I had an ounce less control. What a twisted game we play with sweet threats and cruel promises. I crave her madness in the most depraved ways because I know she'll be so beautiful when she bleeds. A queen who could set the world on fire and a king who would call it rain. Two very bad people who want very bad things are never safe together. Some love stories have no heroes.

But she will do it when she is ready and willing. The bond is uneasy and the future uncertain. But one thing's for sure. Alone... Harper and James are dangerous.

Together... they are unstoppable.

And so he doesn't trust anyone anymore. He keeps his women hot and fast, his friends few to none, and his clients through the elite Walker Security at a professional distance, but safe. It works for him. Until it doesn't. His newest job should be simple and cut and dry. Jewel Carpenter, the daughter of the CEO of Carpenter Enterprises, is receiving death threats. He's to protect her and find out who is issuing the threats. Simple. Cut and Dry. Until it's not. Until the chemistry between he and Jewel is all about love, hate, and sex. But even as he fights the attraction to Jewel and discovers there is more to her than meets the eye, the real threat comes not from

the threats she's receiving, but the connection she has to him. Because his past has come full circle, and those men he's made pay for their sins now want him to pay. And what better way than the woman in his bed?

Spencer Shrike is a man with a plan. Get in. Get out. Move on. He loves Ron the Bomb, and her safety is the only thing on his mind these days. But life is a tricky bastard, and conning criminals for the better part of ten years brings its own set of problems. Sure, Rook lied her way out of a sticky situation, covering for crimes Ronin, Ford, and Spencer committed, and getting them all off scot-free in the process. But not everyone is buying Rook's story, and Spencer is desperate to figure out who's in town setting them up for a fall. Veronica the Bombshell Vaughn has put up with Spencer Shrike's shit for years and where has it gotten her? A big fat nowhere. No ring, no house, no kids, and no promises. In fact, Spencer is worse than ever--completely distant and moody. She's done sitting at home, pining over a man she can't have. But she's not opposed to fighting for him. Ron the Bomb fights hard and she fights dirty, so she's willing to do whatever it takes to get Spencer's attention. But now there's another man in town with his eye on her. **NEW YORK TIMES BESTSELLER** • From the author of *Uprooted* and *Spinning Silver* comes the first book of the *Scholomance* trilogy, the story of an unwilling dark sorceress who is destined to rewrite the rules

of magic. **FINALIST FOR THE LODESTAR AWARD** • “The dark school of magic I’ve been waiting for.”—Katherine Arden, author of the *Winternight Trilogy* I decided that Orion Lake needed to die after the second time he saved my life. Everyone loves Orion Lake. Everyone else, that is. Far as I’m concerned, he can keep his flashy combat magic to himself. I’m not joining his pack of adoring fans. I don’t need help surviving the *Scholomance*, even if they do. Forget the hordes of monsters and cursed artifacts, I’m probably the most dangerous thing in the place. Just give me a chance and I’ll level mountains and kill untold millions, make myself the dark queen of the world. At least, that’s what the world expects. Most of the other students in here would be delighted if Orion killed me like one more evil thing that’s crawled out of the drains. Sometimes I think they want me to turn into the evil witch they assume I am. The school certainly does. But the *Scholomance* isn’t getting what it wants from me. And neither is Orion Lake. I may not be anyone’s idea of the shining hero, but I’m going to make it out of this place alive, and I’m not going to slaughter thousands to do it, either. Although I’m giving serious consideration to just one. With flawless mastery, Naomi Novik creates a school bursting with magic like you’ve never seen
