The Big Book of Hymns for Ukulele, Guitar and Keyboard Hal Leonard Corporation

"The most impressive thing about Wayne Keller's body of ideas for worship throughout the Christian Year is his boldness. He is bold in demanding that we, his colleagues in liturgical leadership, plan worship that has to do with the reality of our congregations' experience in the world, rather than just leading people through a proper agenda of acts and words that have no bearing on what we do the rest of the week. He is bold in challenging us to bring that real world -- with its pains and its pleasures, its hungers and its feasts, its beauty and its ugliness -- to exposure before the living God. And he is bold in helping us shine the strong, exposing light of the transforming Word on our real lives and on that real world, so that we may move beyond planning worship as a "nice," safe, feel-good routine from which we depart the same people we were when we arrived. We are thrilled by the seriousness and authentic reverence with which this author approaches the planning of worship. Thank God for Wayne Keller and for his deep respect for the central act of the Christian community: the blessed and life-transforming experience of the worship of God." Richard Avery and Donald Marsh Port Jervis, New York "Wayne Keller's method creates not only a contemporary appeal, but also effects a congregational involvement so necessary

today within the liturgical context. His approach is fresh and practical and yet a reflection consistently of a solid liturgical and homiletical background. Keller has the ability to appeal to the everydayness of congregational experience." Donald Macleod Francis L. Patton Professor Emeritus Princeton Theological Seminary "The good humor of Wayne Keller's work helps us feel at home in our imperfect world and feel more empathy for the rough edges of others and ourselves. Wayne's work encourages hope and faith with the way we are." Doug Adams Professor of Christianity and the Arts Pacific School of Religion and Graduate Theological Union "A cascade of insights, ideas, suggestions, and plans for stimulating the working pastor's imagination and guiding in worship planning." Robert Coote Professor, San Francisco Theological Seminary Editor, "Mustard-Seed Churches" "Wayne Keller elevates us to an authentic bring-your-warts-and-smiles encounter with the living God... a remarkable year-round resource for the entire worship team." Paul Hackett Former pastor and member, First Presbyterian Church Puyallup, Washington Keller says, "I have seen people bored to death in worship, seemingly because they come to worship as spectators, not as participants. For me no spectators are allowed! Soren Kierkegaard's analogy of worship as drama has guided my thinking and planning." Wayne H. Keller graduated from Monmouth College in Monmouth, Illinois, and Pittsburgh Theological Seminary. He has served pastorates in Pennsylvania, Washington, and Oregon, and has also been the director of a halfway house for recovering mental patients. A member of the Presbyterian Writers Guild, Keller has published several books and numerous articles, and has been a columnist for the "Bellingham Herald." He has also appeared frequently on radio and television programs and co-hosted a call-in counseling program and talk show.

Birth of a nation. Growth of a nation. From a Wilderness is an anthology of four adventure novels rooted in a carefully researched history of the times. The first story begins at Jamestown as a man named Jonathan Strong watches with fascination as a cartwheeling Pocahontas leads a troop of English boys gleefully imitating her. In the second story, the setting shifts from Virginia to another place where newly arrived Europeans struggled against unforgiving terrain: the New England of the Puritans. It draws up a vivid reminder of

the imprint that the Puritans stamped onto the American character. Next is an unexpectedly fascinating story that traces the profound influence of Adam Smith's role in molding the American economy and its values. And finally, the fourth novel is the story of the greatest real estate transaction in history, the Louisiana Purchase, told through the lives of two brothers whose clash could decide the fate of the young United States of America. For lovers of history, *From a Wilderness* will be an irresistible delight, a carefully researched saga that gives detail and color to the defining moments of a nation coming to be. For anyone who loves a great story, these four tales bring you into the world of man against environment, life in the frontier, noblemen, "savages," intrepid explorers, braggarts, liars, cowards, cowboys and Indians, good guys and bad guys, and a whole passel of ordinary guys.

Presidential Praise: Our Presidents and Their Hymns offers the most comprehensive coverage ever written of the influence of hymns on the lives and administrations of America's presidents. Each chapter begins with Michael Williams's concise presentation of each president's path to the White House and his accomplishments and failures as president. C. Edward Spann then introduces how each president regarded music, whether or not he was musical, and music in the White House during each president's administration. These hymns may be related to developments in the life of the president, including his spiritual journey, major decisions he had to make as president, or even his selection of the inaugural Scripture. Spann then tells the story of how the hymn was written, both the words and the music. Presenting this scholarly material in an inspiring manner is part of the delight of the book. In doing so, the book covers a panorama of hymnody from 1614 to the 1980s. After an interpretation of the words, it is demonstrated why the chosen hymns were meaningful to each president. The format of each chapter reveals this special emphasis that can't be found elsewhere.
