When did you know you were a feminist? Whether it was a scene in a television show, an experience in school, or a specific day at work, many women can point to a particular moment in which they knew-or realized-they were feminists. Accomplished young authors Courtney E. Martin and J. Courtney Sullivan offer a look at feminism in the lives of young women-and tackle the questions of what made them feminists, how they came to define themselves as feminists, and how that identity has shifted and grown over time. Click features a range of women, including Amy Richards, Shelby Knox, Winter Miller, Allisa Quart, Rebecca Traister, Jennifer Baumgardner, and Debbie Siegel, each sharing their self-defining and personal stories. Sometimes emotional, sometimes humorous, each of these stories offers something to which other women can relate. In a time of feminist reflection, Martin and Sullivan offer a look at feminism for the under-forty set.

The Three Weissmanns of Westport Penguin

#1 NEW YORK TIMES BESTSELLER • NOW A NETFLIX ORIGINAL SERIES With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187 – 424—one of the millions of people who disappear “down the rabbit hole” of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman’s story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they’re there. Praise for *Orange Is the New Black*

“Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can’t unbind.” —People (four stars) “I loved this book. It’s a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it.” —Elizabeth Gilbert, author of *Eat, Pray, Love* “This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your daughter.” —Los Angeles Times “Moving . . . transcends the memoir genre’s usual self-centeredness to explore how human beings can always surprise you.” —USA Today “It’s a compelling awakening, and a harrowing one—both for the reader and for Kerman.” —Newsweek

A Short History of Women Random House

When Stephanie Staal first read *The Feminine Mystique* in college, she found it “a mildly interesting relic from another era.” But more than a decade later, as a married stay-at-home mom in the suburbs, Staal rediscovered Betty Friedan’s classic work—and was surprised how much she identified with the laments and misgivings of 1950s housewives. She set out on a quest: to reenroll at Barnard and re-read the great books she had first encountered as an undergrad. From the banishment of Eve to Judith Butler’s *Gender Trouble*, Staal explores the significance of each of these classic tales by and of women, highlighting the relevance these ideas still have today. This process leads Staal to find the self she thought she had lost—curious and ambitious, zany and critical—and inspires new understandings of her relationships with her husband, her mother, and her daughter.

The Engagements A&C Black

A New York Times Best Seller A New York Times Book Review Editors’ Choice Betty Weissmann has just been dumped by her husband of forty-eight years. Exiled from her elegant New York apartment by her husband’s mistress, she and her two middle-aged daughters, Miranda and Annie, regroup in a run-down Westport, Connecticut, beach cottage. In Schine’s playful and devoted homage to Jane Austen’s *Sense and Sensibility*, the impulsive sister is Miranda, a literary agent entangled in a series of scandals, and the more pragmatic sister is Annie, a library director, who feels compelled to move in and watch over her capricious mother and sister. Schine’s witty, wonderful novel *The Three Weissmanns of Westport* “is simply full of pleasure: the pleasure of reading, the pleasure of Austen, and the pleasure that the characters so rightly and humorously pursue. . . . An absolute triumph” (*The Cleveland Plain Dealer*).

The timeless coming-of-age novel about five young women who meet at Radcliffe College and together grow to maturity—through intrigues, ambitions, affairs, and marriages—from World War II to the 1980s. Lavinia, Peg, and Cathy seem to have little in common save for their freshman status. None of them could know that their

destinies are about to inextricably intertwine. Across four decades, as time and events upend their expectations, these five women discover their sexuality, reveal their secrets, and struggle with independence—sometimes surrendering, sometimes making stunning choices. Now reissued thirty-five years after its original release, Alice Adams’s *Superior Women*, hailed as “a remarkable compression of time, memory, and sentiment—rather as if Hemingway had been turned loose on Proust” (*San Francisco Chronicle*), is a richly drawn, uncompromising novel about women’s intimate, interior lives for fans of Mary McCarthy’s *The Group* and Rona Jaffe’s *The Best of Everything*.

English, August Vintage

In her best-selling debut, *Commencement*, J. Courtney Sullivan explored the complicated and contradictory landscape of female friendship. Now, in her highly anticipated second novel, Sullivan takes us into even richer territory, introducing four unforgettable women who have nothing in common but the fact that, like it or not, they’re family. For the Kellehers, Maine is a place where children run in packs, showers are taken outdoors, and old Irish songs are sung around a piano. Their beachfront property, won on a barroom bet after the war, sits on three acres of sand and pine nestled between stretches of rocky coast, with one tree bearing the initials “A.H.” At the cottage, built by Kelleher hands, cocktail hour follows morning mass, nosy grandchildren snoop in drawers, and decades-old grudges simmer beneath the surface. As three generations of Kelleher women descend on the property one summer, each brings her own hopes and fears. Maggie is thirty-two and pregnant, waiting for the perfect moment to tell her imperfect boyfriend the news; Ann Marie, a Kelleher by marriage, is channeling her domestic frustration into a dollhouse obsession and an ill-advised crush; Kathleen, the black sheep, never wanted to

set foot in the cottage again; and Alice, the matriarch at the center of it all, would trade every floorboard for a chance to undo the events of one night, long ago. By turns wickedly funny and achingly sad, Maine unveils the sibling rivalry, alcoholism, social climbing, and Catholic guilt at the center of one family, along with the abiding, often irrational love that keeps them coming back, every summer, to Maine and to each other.

The Unfinished Work of Elizabeth D. PublicAffairs

This irresistible debut, set in contemporary New York, provides a sharp, insightful look into how the relationship between two best friends changes when they are no longer coming of age but learning how to live adult lives. As close as sisters for twenty years, Sarah and Lauren have been together through high school and college, first jobs and first loves, the uncertainties of their twenties and the realities of their thirties. Sarah, the only child of a prominent intellectual and a socialite, works at a charity and is methodically planning her wedding. Lauren—beautiful, independent, and unpredictable—is single and working in publishing, deflecting her parents’ worries and questions about her life and future by trying not to think about it herself. Each woman envies—and is horrified by—particular aspects of the other’s life, topics of conversation they avoid with masterful linguistic pirouettes. Once, Sarah and Lauren were inseparable; for a long a time now, they’ve been apart. Can two women who rarely see one other, selectively share secrets, and lead different lives still call themselves best friends? Is it their abiding connection—or just force of habit—that keeps them together? With impeccable style, biting humor, and a keen sense of detail, Rumaan Alam deftly explores how the attachments we form in childhood shift as we adapt to our adult lives—and how the bonds of friendship endure, even when our paths diverge.
