"Luther had a very sharp and satirical style; but his Commentary on the Epistle to the Galatians was his favorite work. His favorite doctrine was justification by faith alone, and not by works, moral, legal, or evangelical; but we must do him the justice to observe, that he perpetually inculcated the absolute necessity of good works. According to him, a man is justified only by faith; but he cannot be justified without works; and where those works are not to be found, there is assuredly no true faith... His followers called themselves Lutherans, much against his mind; but they recede from him in many things, as may be seen by their writings... Melancthon says, 'I am a logician; and Justus Jonas is an orator; but Luther is good at everything: the wonder of mankind; for whatever he says, or writes, it penetrates the heart, and makes a lasting impression.'" (Excerpts from "Life of Luther," in Luther's Commentary on... Galatians, p. lxx).

Bengt Hoffman elevates Christian spirituality and spiritual formation as proper subjects for serious theological study. This book reveals Luther's mystical experience of God in a prayerful life to be essential in the development of his

theology. It shows how the spiritual life is essential to Luther's understanding of the gospel. Balanced by his emphasis on the "external Word" Luther's experience of the divine was a critical influence on his understanding of faith and salvation.

A Simple Way to Pray New Growth Press

This annotated edition of "Commentary on Galatians" includes an extra appendix (in addition to the two already included in the original book) which provides an interesting overview of: Martin Luther's peasant roots, his education in pre-law, and how he was diverted from a law career to that of a monk-turned-professor and eventually, Protestant reformer, The role of the printing press in spreading the "95 Theses" quickly over Europe, catapulting Martin Luther to near-instant prominence in the religious dialogue of his day, The story of how Martin Luther colluded with a fishmonger to smuggle his future wife and her friends away from a convent, and Martin Luther's impact on the Protestant Reformation as well as modern religious thought. In "Commentary on Galatians," Martin Luther expounds Paul's epistle with an insight, power, and depth of emotion which is sorely lacking in modern commentaries. From the very first page of this book, Luther cuts to the heart of the epistle-the doctrine of justification-in the way that only he can. His bold words and plain-sense interpretations result in a work filled with much of the same force and passion that characterized the epistle itself. The grace of God and the love of Jesus Christ cling to every word like the scent of a precious perfume. The theology expounded in this book is the very essence of the gospel as understood by the one who "rediscovered" the all-important doctrines of faith and grace. Readers will find in these pages a plain declaration of the power and wisdom of God. A German professor of theology in the 1500's, Martin Luther is

considered to be the father of the Protestant Reformation. In 1517, Luther wrote his iconic "95 Theses" in opposition to the sale of indulgences as a "paid for" forgiveness of sin. Thanks to the invention of the printing press, Luther's points of contention, as explained in the "theses," spread across and impacted Europe in record time. When the pope and Emperor Charles V urged Martin Luther to recant, he refused. As a result, he was excommunicated and declared to be an outlaw. Today he is remembered for sparking the Protestant Reformation, making the Bible accessible to the common people through his German translation, rediscovering the great truth of salvation through faith alone, setting an example of marriage for the clergy, and founding the Lutheran Church (among other accomplishments).This edition of Martin Luther's classic includes the introduction by Theodore Graebner.

Martin Luther's Commentary on St. Paul's Epistle to the Galatians (1535) Kregel Publications

This book introduces the English-speaking world to the new Finnish interpretation of the theology of Martin Luther, initiated by the writings of Tuomo Mannermaa of Helsinki University. At the heart of the Finnish breakthrough in Luther research lies the theme of salvation. Luther found his answer to the mystery of salvation in the justifying work of Christ received through faith alone. But Protestant theology has never enjoyed a consensus on how to interpret the Reformation doctrine of justification by faith. In opposition to the traditional forensic understanding of justification, Mannermaa argues that for Luther "Christ is really present in faith itself." Mannermaa's interpretation of Luther's view of justification is thus more ontological and mystical than ethical and juridical. As such, his work challenges a century of scholarly opinion concerning a foundational

doctrine of Protestant theology.

The Epistles of St. Peter and St. Jude Simon and Schuster Collected here in this omnibus edition are Martin Luther's most important works including The Large Catechism, the Ninety-Five Theses, and seven selected sermons. Perfect for someone wishing to start reading Martin Luther's teachings. The Large Catechism of Martin Luther was written to aid the spiritual leaders of the Lutheran Church. Martin Luther wanted to remind his followers that they should live a godly life instead of a worldly life. Surprisingly, though, nowhere in this book does Luther suggest that anyone should leave their worldly life behind in order to pursue their godly life. Blunt and straightforward, this book remains an inspiration. Martin Luther's Ninety-Five Theses forever changed the world. This is one of Christianity's most important documents. It was not, as most people assume, Luther's explanation as to why he was separating from the Catholic Church, but it was a shot across the bow of a corrupt system that eventually led to the Reformation. Also included in this edition are seven of Luther's most important sermons including Christ's Holy Sufferings, Enemies of the Cross of Christ & the Christian's Citizenship in Heaven, Christ Our Great High Priest, On Faith & Coming to Christ, Of The Office of Preaching, The Twofold Use of the Law & Gospel: "Letter" & "Spirit," and The Parable of the Sower.

American Christianity teaches the centrality of the individual-my will, my experiences, my decision, my heart, my work, and my dedication. Yet we couldn't be more unaware that Christ and His saving and comforting work are being lost. Our minds and hearts are captivated in some way by those who often preach the Christian instead of Christ. Wolfmüller sounds the alarm against the false teaching and dangerous practices of Christianity in America. He offers a beautiful alternative: the sweet savor of the Gospel, which brings us to the real comfort, joy, peace, freedom, and sure hope of Christ. Book jacket.

Disputation of Doctor Martin Luther on the Power and Efficacy of Indulgences Wipf and Stock Publishers

Martin Luther became pastor of the congregation at Wittenberg

in 1515. He used this opportunity to enlighten his congregation on faith and works. Luther challenged the Pope by saying that the Bible was the ultimate authority not the Pope. Luther preached his conviction that faith alone not good works is our salvation. Good works are special only if they accompany faith. Good works are of value when they come from God. Of all of Luther's writings he felt that this was his favorite. Luther said that Paul's letters influence his Protestantism more than any other part of the Bible.

Commentary on Galatians, Luther Kregel Publications

Martin Luther was not only a theologian, a writer, and a preacher, he was a pastoral counselor who longed for peace with God. Now, 500 years after he posted his 95 theses to the door of the Wittenberg Castle church, his teachings on gospel-centered and cross-focused pastoral care can transform our approach to soul care, and teach us that daring faith in Christ alone can change our life today and give us peace forever. In Counseling Under the Cross, biblical counselor and noted author Bob Kelleman mines the riches of Luther's letters of spiritual counsel to give readers a new understanding of how Luther engaged in the personal ministry of the gospel. He guides pastors, counselors, lay leaders, and friends toward a deeper understanding of the gospel that will directly impact their personal ministry to others. Through lively vignettes, real-life stories, and direct quotes from Luther, readers will be equipped to apply the gospel to themselves and others, and learn that pastoral care is what every believer does in one-another ministry. As one of the most influential figures in Christian history, Luther was not only the father of the Reformation, he was also the father of "gospel-centered counseling." As sons and daughters in the faith, we have much to learn from him. Counseling Under the Cross equips us to apply the gospel richly, relevantly, and robustly to suffering and sin so that we find our hope and help in Christ alone.

Martin Luther's Commentary on Galatians Banner of Truth
Martin Luther's most comprehensive work on justification by faith, his commentary on St. Paul's Epistle to the Galatians is translated and edited from the Latin into a lively style, paralleling his spoken lectures. Combined with the passion and faith expressed in these lectures, the biblical foundation for the crucial doctrine of justification is underscored and expressed to a new audience. The commentary is also a historical document, a recording of a professor in a classroom in 1531 from July to December of that year, which expresses the Reformer's commitment to the good news of Jesus' death in the sinner's place, challenging the reader/hearer to compare St. Paul's theology with what he/she hears in the church today.
