As engines get a little older it can  
be a good idea to run a slightly  
thicker oil. Its also best to find  
out exact what engine the OP

advice. Its a long shot i know, but  
the op may have a GTS but just  
figured it the same as a holden  
commodore... In which case i  
would be using higher quality oil  
for the stroker motor.
